## **Schifanoia Months At Ferrara:**

The Schifanoia Months at Ferrara Paolo D'Ancona,1954      Imago Triumphalis Margaret Ann Zaho,2004 Imago Triumphalis The Function and Significance of Triumphal Imagery for Renaissance Rulers examines how independent rulers in fifteenth century Italy used the motif of the Roman triumph for self aggrandizement and personal expression Triumphal imagery replete with connotations of victory and splendor was recognized during the Renaissance as a reflection of the glory of classical antiquity Its appeal as a powerful visual bearer of meaning is evidenced by its appearance as a dominant theme in literature architecture and art Rulers such as Alfonso of Aragon Federico da Montefeltro Sigismondo Malatesta and Borso d Este chose to incorporate the triumphal motif in major artistic commissions in which they were represented They recognized that the image of the triumph could retain its classical associations while functioning as a highly personalized commentary

**I Mesi Di Schifanoia in Ferrara. The Schifanoia Months at Ferrara. With a Critical Notice on the Recent Restoration by Cesare Gnudi. (Translated by Lucia Krasnik.) With Reproductions.** Paolo d'. ANCONA,Cesare Gnudi,Lucia KRASNIK,1955      **The Pagan Dream of the Renaissance** Joscelyn Godwin,2005-02-10 The Pagan Dream of the Renaissance recounts the almost untold story of how the rediscovery of the pagan mythological imagination during the Renaissance brought a profound transformation to European culture This highly illustrated book available for the first time in paperback shows that the pagan imagination existed side by side often uneasily with the official symbols doctrines and art of the Church Godwin carefully documents how pagan themes and gods enhanced both public and private life Palaces and villas were decorated with mythological images stories music and dramatic pageants were written about pagan themes and landscapes were designed to transform the soul This was a time of great social and cultural change when the pagan idea represented nostalgia for a classical world untroubled by the idea of sin and in no need of redemption A stunning book with hundreds of photos that bring alive this period with all its rich conflict between Christianity and classicism      The apocalyptic symbolism of Andrej Belyj Samuel David Cioran,2012-02-14 No detailed description available for The apocalyptic symbolism of Andrej Belyj      **Fashion Aesthetics and Ethics** Louise Wallenberg,Andrea Kollnitz,2023-05-04 How are aesthetics and ethics related to the practical realities of the global fashion industry Both have played an important role in academic fashion studies to this point but they are most often discussed in the context of abstract phenomena such as modernity and capitalism or identity issues such as sexuality class and gender The essays in this volume strive instead to show how the realities of the global fashion industry have important and pertinent aesthetic and ethical consequences This collection provides critical and philosophical analysis of the interplay of aesthetics and ethics within the global fashion industry Characterized by an increasingly fast spinning production the industry is highly exploitative in terms of environment and labor force underpaid textile workers retailers working under brutal competition from the mass merchandise discounters young designers seamstresses and curators often working for free and a vast body of aspiring models In addition fashion

related aesthetic ideals are becoming more influential than ever in directing consumers in their social and personal identification processes and bodily practices with sometimes fatal consequences Covering a wide range of subjects such as fashion s highly problematic production and consumption practices the possibility of producing and consuming fashion ethically fashion s intimate connection with nature and technology Fashion Aesthetics and Ethics highlights the powerful aesthetical presence of fashion in relation to its ethical premises and often problematic outcomes **Women Making**
