

Schleiermachers Philosophy And The Philosophical Tradition

**Jeffrey A. Wilcox, Terrence N.
Tice, Catherine L. Kelsey**

Schleiermachers Philosophy And The Philosophical Tradition:

Schleiermacher's Philosophy and the Philosophical Tradition Sergio Sorrentino,1992 This volume contains a collection of essays on the philosophical dialogue Schleiermacher conducted with the tradition of philosophy contributing to the complex cultural profile of the German philosopher and theologian The essays make a contribution to the history of philosophy especially concerning the classical age of German philosophy and human sciences and philosophical hermeneutics

Schleiermacher's Introductions to the Dialogues of Plato Friedrich Schleiermacher,1836 *Friedrich Schleiermacher's Philosophy of Religion* Stefan Lang,Klaus Viertbauer,2025-07-09 This volume provides a comprehensive account of Friedrich Schleiermacher s philosophy of religion The contributors cover the historical context of Schleiermacher s work specific aspects of his philosophy of religion and the ways that his work can contribute to contemporary debates Friedrich Schleiermacher is considered one of the outstanding representatives of 19th century Protestant theology This volume brings together scholars from both continental and analytic traditions to explore Schleiermacher s preeminent role in post Kantian philosophy of religion The chapters are divided into three thematic sections The first section situates Schleiermacher in the context of the 18th and 19th century philosophy of religion These chapters analyze his relation to thinkers such as Kant Fichte Hegel Schelling and also to Kierkegaard and Heidegger as well as to prominent theologians in the Protestant and Catholic traditions The second section explores different aspects of Schleiermacher s philosophy of religion such as absolute dependence or religious feeling Finally the third section addresses how Schleiermacher s insights can contribute to contemporary philosophy of religion These chapters address current debates particularly on religious experience feminism and philosophy of emotions Friedrich Schleiermacher s *Philosophy of Religion* will be of interest to scholars and advanced students working in philosophy of religion history of philosophy and 19th century religious thought *Schleiermacher's Plato* Julia A. Lamm,2021-11-08 Friedrich Schleiermacher s *Platons Werke* 1804 28 changed how we understand Plato His translation of Plato s dialogues remained the authoritative one in the German speaking world for two hundred years but it was his interpretation of Plato and the Platonic corpus set forth in his *Introductions to the dialogues* that proved so revolutionary for classicists and philosophers worldwide Schleiermacher created a Platonic question for the modern world Yet in Schleiermacher studies surprisingly little is known about Schleiermacher s deep engagement with Plato Schleiermacher s *Plato* is the first book length study of the topic It addresses two basic questions How did Schleiermacher understand Plato In what ways was Schleiermacher s own thought influenced by Plato Lamm argues that Schleiermacher s thought was profoundly influenced by Plato or rather by his rather distinctive understanding of Plato This is true not only of Schleiermacher s philosophy Hermeneutics Dialectics but also of his thinking about religion and Christian faith during the first decade of the nineteenth century Christmas Dialogue Speeches on Religion Schleiermacher s *Plato* should be of interest to classicists philosophers theologians and scholars of religion **Schleiermacher** Julia A. Lamm,2014 This volume

contains the most important spiritual writings of this seminal nineteenth century theologian including the Second Speech and the Christmas Dialogue **The Living God** Julia A. Lamm,2010-11-01 **SCM Core Text: Theological Hermeneutics**

Alexander S. Jensen,2013-02-11 This book introduces theological hermeneutics by giving a historical account of the development of hermeneutical thinking It defines hermeneutics as the analysis of the obstacles to understanding The history of hermeneutical thinking and responses to obstacles is told here beginning with the allegorical interpretation of myths in Hellenism through to the contemporary view of the hermeneutical problem as universal Following the opening chapters on the history of hermeneutical thought the book presents an overview of the various contemporary hermeneutical schools of thought and shows their rooted ness in different parts of the hermeneutical tradition The focus is clearly on biblical interpretation however it does also take account of developments outside the field of theology as they influence the theological reflection on the hermeneutical problem The questions raised and the possible answers suggested in this volume will be of interest to students of other disciplines such as philosophy and literature **Self, Christ and God in**

Schleiermacher's Dogmatics Maureen Junker-Kenny,2020-12-07 Since its first appearance in 1821 22 The Christian Faith has had a fractious history of reception It implements decisive departures for theology founding the possibility to speak about God on human freedom It recognises the role of historical consciousness and the need to relate to advances in the natural sciences The study investigates the early critiques of Schleiermacher s analysis of the feeling of utter dependence of his conception of Christ as the archetype of the God consciousness and of his doctrine of God in terms of absolute causality It reconstructs the revisions carried out in the second edition of 1830 31 as a break through to a transcendental argumentation Does Schleiermacher s elaboration of the anthropological turn in theology leave it defenseless against the dissolution of faith in a saving God in Feuerbach s projection thesis Does it offer a naturalising account of religion And where does the interconnectedness of nature established by God leave what was prized by the Romantics human individuality Ongoing objections and new constellations of questions are examined in their relevance for a modern theology that spells out faith in God as a practical self understanding Maureen Junker Kenny s book is an outstanding presentation of Schleiermacher s theology She attends not only to the development of his method from the first to the second edition of The Christian Faith but also to his concrete interpretation of Creation Christology Redemption Theological Anthropology especially human freedom and his understanding of God The book has an exceptional value in the way she relates Schleiermacher not only to his contemporaries but also contemporary concerns Schleiermacher s theology is shown in its relation to the modernity of his age but also the ongoing modernity of today The book has a depth and breath that make it indispensable not only for historical theology but also contemporary constructive theology Francis Sch ssler Fiorenza Harvard Divinity School In Self Christ and God in Schleiermacher s Dogmatics A Theology Reconceived for Modernity Maureen Junker Kenny proves herself to be not only a distinguished interpreter of Schleiermacher s work but a creative practitioner in her own right of his

dialogical method Elegantly conceived and beautifully written the book shows how Schleiermacher connected the different aspects of his thought form content structure doctrine piety critical rigor into a coherent system Self Christ and God in Schleiermacher s Dogmatics is now the only guide to Schleiermacher s magnum opus Christian Faith anyone needs Christine Helmer Northwestern University Chicago **SCM Core Text: Theological Hermeneutics** Alexander Jensen,2007-06-28

This book introduces theological hermeneutics by giving a historical account of the development of hermeneutical thinking It defines hermeneutics as the analysis of the obstacles to understanding The history of hermeneutical thinking and responses to obstacles is told here beginning with the allegorical interpretation of myths in Hellenism through to the contemporary view of the hermeneutical problem as universal Following the opening chapters on the history of hermeneutical thought the book presents an overview of the various contemporary hermeneutical schools of thought and shows their rooted ness in different parts of the hermeneutical tradition The focus is clearly on biblical interpretation however it does also take account of developments outside the field of theology as they influence the theological reflection on the hermeneutical problem The questions raised and the possible answers suggested in this volume will be of interest to students of other disciplines such as philosophy and literature *Christianity and Western Thought* Steve Wilkens,Alan G. Padgett,2010-07-29 In this second of three volumes which survey the dynamic interplay of Christianity and Western thought from the earliest centuries through the twentieth century Steve Wilkens and Alan Padgett tell the story of the monumental changes of the nineteenth century

God's Being Towards Fellowship Justin Stratis,2019-07-11 Justin Stratis explores the meaning of the biblical phrase God is love through an examination of two quintessentially modern Protestant theologians Friedrich Schleiermacher and Karl Barth This book contains both a detailed engagement with Schleiermacher s untranslated lectures on Dialektik and their relation to his more well known work as well as a new assessment of Barth s doctrine of God which both respects his radical innovations and yet places him within the stream of traditional catholic trinitarianism After considering the complexities of theological predication and comparing several classical and contemporary approaches to the implication of love Stratis presents and ultimately commends the distinct approaches of Schleiermacher and Barth for their tendency to treat divine love as a conclusion to the doctrine of God rather than as a conceptual starting point In contrast to many contemporary approaches Stratis concludes with the suggestion that God s love is best conceived as his being toward fellowship rather than as the eminent instance of loving fellowship understood according to human experiences of love Law, Hermeneutics and Rhetoric Francis J. Mootz Iii,2016-04-22 Mootz offers an antidote to the fragmentation of contemporary legal theory with a collection of essays arguing that legal practice is a hermeneutical and rhetorical event that can best be understood and theorized in those terms This is not a modern insight that wipes away centuries of dogmatic confusion rather Mootz draws on insights as old as the Western tradition itself However the essays are not antiquarian or merely descriptive because hermeneutical and rhetorical philosophy have undergone important changes over the millennia To return to hermeneutics

and rhetoric as touchstones for law is to embrace dynamic traditions that provide the resources for theorists who seek to foster persuasion and understanding as an antidote to the emerging global order and the trend toward bureaucratization in accordance with expert administration violent suppression or both

Brill's Companion to German Platonism Alan Kim, 2019-02-04 For six centuries Plato has held German philosophy in his grip Brill's Companion to German Platonism examines how German thinkers have interpreted Plato and how in turn he has decisively influenced their thought Under the editorship of Alan Kim this companion gathers the work of scholars from four continents writing on figures from Cusanus and Leibniz to Husserl and Heidegger Taken together their contributions reveal a characteristic pattern of transcendental interpretations of the mind's relation to the Platonic Forms In addition the volume examines the importance that the dialogue form itself has assumed since the nineteenth century with essays on Schleiermacher the Tübingen School and Gadamer Brill's Companion to German Platonism presents both Plato and his German interpreters in a fascinating new light

Schleiermacher's Influences on American Thought and Religious Life, 1835-1920 Jeffrey A. Wilcox, Terrence N. Tice, Catherine L. Kelsey, 2014-10-23 Here freshly researched unprecedented stories regarding modern American thought and religious life show how the scholar Friedrich Schleiermacher 1768-1834 provides ongoing influence still They describe his influence on universal rights American religious life theology philosophy history psychology interpretation of texts community formation and interpersonal dialogue Schleiermacher is an Einstein-like innovator in all these areas and more This work contrasts chiefly evangelical liberal figures with others between circa 1835 and the 1920s It also looks ahead to several careers extended well into the twentieth century and offers numerous characterizations of Schleiermacher's thought In six tightly organized parts fourteen expert historians chronologically discuss the following 1 Methodist leaders 1766-1924 2 Stuart Bushnell Nevins and Hodge 3 Restorationists Transcendentalists women leaders Schaff and Rauschenbusch 4 Clarke Mullins Carus and Bowne 5 Dewey Royce Ames Knudson Brown Fosdick Cross Jones and Thurman within contemporary contexts Unexpectedly John Dewey lies at the epicenter of the narrative and Harry Emerson Fosdick and Howard Thurman bring it to its climax Recently evidence displays a broadening influence advancing rapidly The sixth part of the book surveys modern historiography Schleiermacher on history and comparative method and on psychology as a basic scientific and philosophical field That section also provides a critical survey of histories of modern theology and offers concluding questions and answers The three editors contribute twenty of the thirty-one chapters

Plato's Political Thought John Lombardini, 2023-12-18 Plato's political thought continues to be of enduring interest among classicists philosophers political theorists and intellectual historians The present volume introduces readers to the topic through a survey of important recent trends in the scholarly literature focusing on challenges to the authenticity of the Seventh Letter reassessments of the Socratic Problem democratic readings of the Republic and the rehabilitation of the Statesman and Laws It provides an overview of the key methodological issues that must be addressed in interpreting the Platonic dialogues while also

suggesting directions for further research

A Guide to Contemporary Hermeneutics Donald K. McKim, 1999-05-25

Acknowledging that hermeneutics has become an increasingly important major focus in theological study Donald McKim's *A Guide to Contemporary Hermeneutics* presents a series of essays by various writers assessing current hermeneutical approaches and methods of biblical hermeneutics from their own personal experience

Kimmerle's Intercultural Philosophy and Beyond Renate Schepen, 2022-08-11 This book offers a concise overview of the development of intercultural philosophy since the early 1990s focusing on one of its key pioneers Heinz Kimmerle 1930-2016 Building on influences from Gadamer Heidegger Derrida and Ramose Kimmerle's approach to intercultural philosophy is radical and fosters epistemic justice Kimmerle critically reflected on his own western philosophical tradition highlighting the problems of a discourse based on a dominant concept of rationality and of excluding different approaches and participants Instead Kimmerle developed an alternative way of thinking emphasizing the importance of recognizing philosophies of different cultures He focused particularly on African philosophies in academic discourse In the book the many layers of Kimmerle's intercultural philosophy are revealed exploring how dialectics hermeneutics deconstruction and decolonization can contribute to epistemic justice The author goes beyond Kimmerle and demonstrates how Kimmerle's approach can be further enhanced by using an intersectional approach and by engaging in dialogue with female philosophers and artists This new study which also introduces unpublished and untranslated texts from Kimmerle's work in German and Dutch will be of considerable interest to researchers of continental philosophy intercultural and African philosophy political philosophy decolonial and feminist studies

The Veiled God Ruth Jackson Ravenscroft, 2019-07-22 In *The Veiled God* Ruth Jackson Ravenscroft offers a detailed portrait of Friedrich Schleiermacher's early life ethics and theology in its historical and social context She also critically reflects on the enduring relevance of his work for the study of religion The book analyses major texts from Schleiermacher's early work It argues that his experiments with literary form convey his understanding that human knowledge is inherently social and that religion is thoroughly linguistic and historical The book contends that by making finitude and not freedom a universal aspect to human life Schleiermacher offers rich conceptual resources for considering what it means to be human in this world both in relations of difference to others and in relation to the infinite

The Encyclopedia of Christianity Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Containing more than 300 articles covering the alphabetical entries P-Sh this book also includes articles on significant topics ranging from Paul political theology and the Qur'an to religious liberty salvation history and scholasticism

Introduction to Literary Hermeneutics Peter Szondi, 1995-02-24 Peter Szondi is widely regarded as being among the most distinguished post-war literary critics This first English edition of one of his most lucid and interesting series of lectures opens up his work in hermeneutics for English speaking readers The question of what is involved in understanding a text occupied Biblical and legal scholars long before it became a concern of literary critics Peter Szondi here traces the development of hermeneutics through examination of the

work of eighteenth century German scholars Ordinarily treated only as prefigurations of Schleiermacher the work of Enlightenment theorists Johann Martin Chladenius George Friedrich Meier and Friedrich Ast yields valuable insight into the material theory of interpretation on which a practical interpretive methodology might be built
