Schofield Union General In The Civil War And Reconstruction

James L. McDonough

Schofield Union General In The Civil War And Reconstruction:

Schofield: Union General in the Civil War and Reconstruction James L. McDonough, 1972 The author introduces Schofield who was only twenty nine years old when the Civil War started He develops Schofield s career from his first taste of combat at the Battle of Wilson Creek through the period when he was Commander of the Department of the Missouri to the end of the war with an account of Schofield s work in Virginia as Military Director of Reconstruction in the First District

Sherman's Forgotten General Brian C. Melton, 2007 Biography of Union major general Henry W Slocum Author explores Slocum s attitudes and tactics while serving under various Civil War generals such as George McClellan Joseph Fighting Joe Hooker and William Tecumseh Sherman Provided by publisher The Era of the Civil War--1820-1876 Louise A. Arnold-Friend, US Army Military History Institute, 1982 *The American Civil War* Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience

chronology reference entry sidebars statistical information primary source documents and a bibliography

Confederate Generals in the Western Theater, vol. 4 Lawrence Lee Hewitt, Thomas E. Schott, 2024-01-12 Like its predecessors the fourth and final volume of Confederate Generals in the Western Theater is an invaluable contribution to the historiography of a poorly understood theater of war presenting new interpretations of major figures while bringing to light both the triumphs and failures of lesser known generals Its cutting edge scholarship offers further grounding for the editors contention that the South s bid for independence was lost on its western battlefields and that the responsibility for those defeats lay more with the Confederate generals than with their opponents Among the ten chapters this collection includes C David Dalton on the death of Felix Zollicoffer at the Battle of Mill Springs in Kentucky Roger Durham on Robert E Lee s leadership early in the war of the Department of South Carolina Georgia and East Florida Brian S Wills on Abraham Buford s behind the scenes contributions to Nathan Bedford Forrest s famous exploits the late Nathaniel Cheairs Hughes Jr on the achievements and failings of Gideon J Pillow James M Prichard on John Hunt Morgan and his last Kentucky raid and Keith S Bohannon on Edward C Walthall a Virginia lawyer who overcame his lack of prior military experience to become one of the ablest generals in any of the war s theaters Some essays offer full biographies of their subjects others focus on a single campaign Along with the previous volumes this exemplary collection encourages an important rethinking of the course of the Civil War and its ultimate outcome Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University He is the author of Port Hudson Confederate Bastion on the Mississippi among other publications and his honors include the 2013 Nevins Freeman Award for the advancement of American Civil War scholarship and support for the Round Table movement Thomas E Schott worked as a historian for the Department of Defense He is the author of Alexander H Stephens of Georgia A Biography which won the Jefferson Davis Award He is coeditor and contributor with Lawrence Hewitt of Lee and His Generals Essays in Honor of T Harry Williams as well as several volumes of Confederate Generals in the Western Theater and Confederate Generals in the Trans Mississippi

Stones River James Lee McDonough, 2024-08-09 On December 31 1862 some ten thousand Confederate soldiers streamed out of the dim light of early morning to stun the Federals who were still breakfasting in their camp Nine months earlier the Confederates had charged the Yankees in a similarly devastating attack at dawn starting the Battle of Shiloh By the time this new battle ended it would resemble Shiloh in other ways it would rival that struggle s shocking casualty toll of 24 000 and it would become a major defeat for the South By any Civil War standard Stones River was a monumental bloody and dramatic story Yet until now it has had no modern documented history Arguing that the battle was one of the significant engagements in the war noted Civil War historian James Lee McDonough here devotes to Stones River the attention it has long deserved Stones River at Murfreesboro Tennessee was the first big battle in the Federal campaign to seize the Nashville Chattanooga Atlanta corridor Driving eastward and southward to sea the campaign eventually climaxed in Sherman s capture of Savannah in December 1864 At Stones River the two armies were

struggling desperately for control of Middle Tennessee's railroads and rich farms. Although they fought to a tactical draw, the Confederates retreated. The battle's outcome held significant implications. For the Union, the victory helped offset the disasters suffered at Fredericksburg and Chickasaw Bayou. Furthermore, it may have discouraged Britain and France from intervening on behalf of the Confederacy. For the South, the battle had other crucial effects. Since it convinced many that General Braxton Bragg could not successfully command an army, Stones River left the Southern Army torn by dissension in the high command and demoralized in the ranks. One of the most perplexing Civil War battles, Stones River has remained shrouded in unresolved questions. After driving the Union right wing for almost three miles, why could the Rebels not complete the triumph? Could the Union's Major General William S. Rosecrans have launched a counterattack on the first day of the battle? Was personal tension between Bragg and Breckenridge a significant factor in the events of the engagement's last day? McDonough uses a variety of sources to illuminate these and other questions. Quotations from diaries, letters, and memoirs of the soldiers involved furnish the reader with a rare soldier's eye view of this tremendously violent campaign. Tactics, strategies, and commanding officers are examined to reveal how personal strengths and weaknesses of the opposing generals, Bragg and Rosecrans, shaped the course of the battle. Vividly recreating the events of the calamitous battle, Stones River: Bloody Winter in Tennessee firmly establishes the importance of this previously neglected landmark in Civil War history.

Worthy Opponents Edward G. Longacre, 2017-08-04 *Worthy Opponents* tells the parallel stories of Confederate general Joseph E. Johnston and Union general William Tecumseh Sherman. Their armies clashed repeatedly, so it was only natural for these two commanding officers to become adversaries. Yet as the war continued, Johnston and Sherman came to respect each other, eventually becoming close friends. Edward G. Longacre masterfully investigates the entwined lives of these two celebrated generals, bringing to life their personalities, their military styles, and their friendship in this fascinating dual biography.

Burying the Dead but Not the Past Caroline E. Janney, 2012-02-01 Immediately after the Civil War, white women across the South organized to retrieve the remains of Confederate soldiers. In Virginia alone, these Ladies Memorial Associations (LMAs) relocated and reinterred the remains of more than 72,000 soldiers. Challenging the notion that southern white women were peripheral to the Lost Cause movement until the 1890s, Caroline Janney restores these women as the earliest creators and purveyors of Confederate tradition. Long before national groups such as the Woman's Christian Temperance Union and the United Daughters of the Confederacy were established, Janney shows, local LMAs were earning sympathy for defeated Confederates. Her exploration introduces new ways in which gender played a vital role in shaping the politics, culture, and society of the late nineteenth-century South.

[The 26th Ohio Veteran Volunteer Infantry](#) Jeffrey A. Hill, 2010-08-31 The 26th Ohio Veteran Volunteer Infantry, The Groundhog Regiment, is the gripping story of the men and boys who valiantly fought to preserve their country's glory during the Civil War. These brave souls were among the first to answer the Union's call to duty and among the last to be mustered home. They proudly adopted the nickname The Groundhog

Regiment as the rodent's agility and determination epitomized their strengths The Old 26th played a pivotal role in numerous major western theater campaigns and battles from the early conflicts in western Virginia and Shiloh to the bloody fields of Stones River Chickamauga Missionary Ridge Kennesaw Spring Hill Franklin and Nashville After the war's end the veterans yearned to write their regiment's history as so many other units had done Regrettably the high price of publishing proved to be too steep for the soldiers and their dream of telling their story died with them The descendant of two veterans of the 26th Ohio Jeffrey A Hill resurrected their dream and brought it to fruition Meticulously researched this history is based on over three hundred primary source documents from the soldiers From the daily struggles of the privates to the internal anguish of Colonel Fyffe and the other senior commanders the history offers an intriguing insight into the men who preserved the Union The book chronicles the involvement of the 26th Ohio from the initial fervor following Fort Sumter throughout the War and the post war activities of the veterans The appendices include an updated roster list of burial sites and a photo gallery The history is a lasting tribute to the men who so bravely fought to protect what they held most dear their country At long last here is their story

War at Every Door Noel C. Fisher, 2001-09-01 By placing the conflict between Unionists and secessionists in East Tennessee within the context of the whole war Fisher explores the significance of the struggle for both sides

The Papers of Andrew Johnson Andrew Johnson, 1967 The project continues with treatment of six extremely important months in Johnson's presidency and in the evolving of the Reconstruction story Documents have been selected from thousands for inclusion in full a few are summarized with identification for virtually every person and event mentioned Annotation copyright by Book News Inc Portland OR

War and the Art of Governance Nadia Schadlow, 2017-03-01 Success in war ultimately depends on the consolidation of political order Nadia Schadlow argues that the steps needed to consolidate a new political order are not separate from war They are instead an essential component of war and victory The challenge of governance operations did not start with the wars in Iraq and Afghanistan The US Army's involvement in the political and economic reconstruction of states has been central to all its armed conflicts from large scale conventional wars to so called irregular or counterinsurgency wars Yet US policymakers and military leaders have failed to institutionalize lessons on how to consolidate combat gains into desired political outcomes War and the Art of Governance examines fifteen historical cases of US Army military interventions from the Mexican War through the wars in Iraq and Afghanistan Improving future outcomes will require US policymakers and military leaders to accept that plans timelines and resources must be shaped to reflect this reality before they intervene in a conflict not after things go wrong Schadlow provides clear lessons for students and scholars of security studies and military history as well as for policymakers and the military personnel who will be involved in the next foreign intervention

Sherman John F. Marszalek, 2007-11-08 General William Tecumseh Sherman has come down to us as the implacable destroyer of the Civil War notorious for his burning of Atlanta and his brutal march to the sea A probing biography that explains Sherman's style of warfare and the threads of self possession and insecurity that made

up his character Photos **For Cause and Country** Eric A. Jacobson, Richard A Rupp, 2013-11-01 An up to date accurate comprehensive and lively treatment of arguably one of the bloodiest five hours during the American Civil War The Civil War Gazette The battles at Spring Hill and Franklin Tennessee in the late autumn of 1864 were watershed moments in the American Civil War Thousands of hardened veterans and a number of recruits as well as former West Point classmates found themselves moving through Middle Tennessee in the last great campaign of a long and bitter war Replete with bravery dedication bloodshed and controversy these battles led directly to the conclusion of action in the Western Theater Spring Hill and Franklin which were once long ignored and seldom understood have slowly been regaining their place on the national stage They remain one of the most compelling episodes of the Civil War Through exhaustive research and the use of sources never before published the stories of both battles come vividly to life in For Cause For Country Over 100 pages of material have been added to this new edition including new maps and photos The genesis and early stages of the Tennessee Campaign play out in clear and readable fashion The lost opportunity at Spring Hill is evaluated in great detail and the truth of what happened there is finally shown based on evidence rather than conjecture The intricate dynamics of the Confederate high command and especially the roles of General John Bell Hood and General Frank Cheatham are given special attention For Cause For Country is a highly complex but skillfully organized easy to follow campaign narrative written in stirring fashion Civil War Books and Authors *William Tecumseh Sherman* James Lee McDonough, 2016-06-14 The New York Times best selling biography of one of America s most storied military figures General William Tecumseh Sherman s 1864 burning of Atlanta solidified his legacy as a ruthless leader Evolving from a spirited student at West Point Sherman became a general who fought in some of the Civil War s most decisive campaigns Shiloh Vicksburg Atlanta until finally seeking a swift ending to the war s horrendous casualties he devastated southern resources on his famous March to the Sea across the Carolinas Later as general in chief of the U S Army Sherman relentlessly paved the way west during the Indian wars James Lee McDonough s fresh insight reveals a man tormented by fears that history would pass him by and that he would miss his chance to serve his country Drawing on years of research McDonough delves into Sherman s dramatic personal life including his strained relationship with his wife his personal debts and his young son s death The result is a remarkable illuminating portrait of an American icon *Jefferson Davis in Blue* Nathaniel Cheairs Hughes, Jr., Gordon D. Whitney, 2006-03-21 Besides his illustrious name the Union general Jefferson Columbus Davis is best known for two appalling actions the September 1862 murder of General William Bull Nelson his former commanding officer and the abandonment of hundreds of African American refugees to the mercy of Confederate cavalry at Ebenezer Creek during Sherman s march through Georgia in 1864 Historians have generally dismissed Davis 1828 1879 as a reckless assassin a racist a journeyman soldier at best and an embarrassment to the Lincoln war effort But Nathaniel Cheairs Hughes Jr and Gordon D Whitney shatter the collective memory of Jef Davis as a grim destructive child of war and replace it with a more rounded portrait of a complex military

leader They bring order to the muddle of contradictions that was Davis s life and offer an impartial profile of the soldier and the man who must be remembered for his splendid contributions as well as his startling failures **Lincoln and Citizens' Rights in Civil War Missouri** Dennis K. Boman,2011 During the Civil War the state of Missouri presented President Abraham Lincoln United States military commanders and state officials with an array of complex and difficult problems Although Missouri did not secede a large minority of residents owned slaves sympathized with secession or favored the Confederacy Many residents joined a Confederate state militia became pro Confederate guerrillas or helped the cause of the South in some subversive manner In order to subdue such disloyalty Lincoln supported Missouri s provisional Unionist government by ordering troops into the state and approving an array of measures that ultimately infringed on the civil liberties of residents In this thorough investigation of these policies Dennis K Boman reveals the difficulties that the president military officials and state authorities faced in trying to curb traitorous activity while upholding the spirit of the United States Constitution Boman explains that despite Lincoln s desire to disentangle himself from Missouri policy matters he was never able to do so Lincoln s challenge in Missouri continued even after the United States Army defeated the state s Confederate militia Attention quickly turned to preventing Confederate guerrillas from attacking Missouri s railway system and from ruthlessly murdering pillaging and terrorizing loyal inhabitants Eventually military officials established tribunals to prosecute captured insurgents In his role as commander in chief Lincoln oversaw these tribunals and worked with Missouri governor Hamilton R Gamble in establishing additional policies to repress acts of subversion while simultaneously protecting constitutional rights an incredibly difficult balancing act For example while supporting the suppression of disloyal newspapers and the arrest of persons suspected of aiding the enemy Lincoln repealed orders violating property rights when they conflicted with federal law While mitigating the severity of sentences handed down by military courts Boman shows Lincoln advocated requiring voters and officeholders to take loyalty oaths and countenanced the summary execution of guerrillas captured with weapons in the field One of the first books to explore Lincoln s role in dealing with an extensive guerrilla insurgency **Lincoln and Citizens Rights in Civil War Missouri** illustrates the difficulty of suppressing dissent while upholding the Constitution a feat as complicated during the Civil War as it is for the War on Terror Andrew Johnson Glenna R. Schroeder-Lein,Richard Zuczek,2001-06-22 This A Z encyclopedia provides carefully selected entries covering the people events and concepts relevant to Andrew Johnson s life Andrew Johnson was and is an American paradox He never attended school yet fought for public education He was a Southern slaveholder who opposed secession and enforced emancipation Born into poverty he became the 17th president of the United States and the first U S president to be impeached This new volume thoroughly examines the troubled career of our most unpopular president not to resuscitate his reputation but because his personal contradictions reflected those of his country a democratic nation conceived in liberty yet existing half slave and half free an economy of yeoman farmers and independent artisans being swept into industrialization

and a market system a country fond of tradition but caught up in social economic and political revolution

Schofield Union General In The Civil War And Reconstruction Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Schofield Union General In The Civil War And Reconstruction free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Schofield Union General In The Civil War And Reconstruction free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Schofield Union General In The Civil War And Reconstruction free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Schofield Union General In The Civil War And Reconstruction. In conclusion,

the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Schofield Union General In The Civil War And Reconstruction any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Schofield Union General In The Civil War And Reconstruction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Schofield Union General In The Civil War And Reconstruction is one of the best book in our library for free trial. We provide copy of Schofield Union General In The Civil War And Reconstruction in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Schofield Union General In The Civil War And Reconstruction. Where to download Schofield Union General In The Civil War And Reconstruction online for free? Are you looking for Schofield Union General In The Civil War And Reconstruction PDF? This is definitely going to save you time and cash in something you should think about.
