Scholars Teaming To Alleviate Racism In Society Stars:

Racism Albert J. Wheeler, 2005 Of all mankind's vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature **Making a Difference** Micki M. Caskey, 2006-07-01 Volume V of The Handbook of Research in Middle Level Education highlights action research in middle grades education As a method of inquiry action research compels educators to take action and think reflectively about those actions in order to effect positive educational change Mills 2000 Teachers administrators university professors and other professionals conduct action research in different ways to examine classroom practices and school issues Educational action researchers initiate their inquiries in various contexts alone in small peer teams or larger faculty groups Zeichner 2001 Using individual and collaborative approaches educators gain insights into teaching and learning processes As evidenced throughout this volume action research in the middle grades occurs in a variety of configurations This volume examines the dynamic ways that preservice and inservice teachers school administrators university faculty and educational consortia use action research Scholars Teaming to Alleviate Racism in Society (STARS)
