Sex Work Now Rosie Campbell, Maggie O'Neill, 2013-05-13 Providing an overview of prostitution today this book approaches the subject from an interdisciplinary perspective cutting across the conventional

boundaries of sociology criminology politics and social policy in the context of a variety of projects in different parts of the country and the broader national policy Pornography, Sex Work, and Hate Speech Karen Maschke,2024-11-01

Multidisciplinary focus Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States The themes addressed include the historical political and social contexts of legal issues that have affected women s struggles to obtain equal treatment under the law The articles are drawn from journals in law political science history women s studies philosophy and education and represent some of the most interesting writing on the subject The law in theory and practice Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women s legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women *Body/Sex/Work* Carol

Wolkowitz,Rachel Lara Cohen,Teela Sanders,2013-02-27 *Body Sex Work* focuses on the intimate embodied and sexualised labour that occurs within body work and sex work Bringing together an internationally renowned group of academics it explores empirically and theoretically labour processes workplace relations regulation and resistance in some of the many work sites that make up the body work and sex work sectors The book makes a key contribution to research recognising the embodiment of labour and the body reframing the key questions in critical studies of work and employment Key Benefits The first book that draws together the sub disciplines of body work and sex work Written by leading international experts Contains cutting edge empirical research on contemporary topics *Body Sex Work* is an ideal companion for upper level undergraduate and postgraduate students of labour and organisation studies body studies gender and sexuality It will also appeal to researchers and lecturers in these fields *Safer Sex in the City* Maria Ioannou,2016-04-15 Throughout history

prostitution has always been a source of fierce debate societies have either grudgingly tolerated it or tried always unsuccessfully to ban it With the emergence of much more overt acceptance of all forms of sexual activity it has become more apparent that sex workers who ply their trade on the streets of our cities are a particularly vulnerable group at risk of violent attacks and assaults The realization on the implications for such violence on society overall led to the emergence of this volume With research gathered from academics and practitioners hailing from various countries and fields this edited collection will be invaluable for those who want to better understand the experience of street sex workers the strategies available for managing this trade and how to help reduce the violence against the men and women who conduct it **Street Sex Workers' Discourse** Jill McCracken,2013-04-17 Incorporating the voices and insights of street sex workers through

personal interviews this monograph argues that the material conditions of many street workers the physical environments they live in and their effects on the workers bodies identities and spirits are represented reproduced and entrenched in the language surrounding their work As an ethnographic case study of a local system that can be extrapolated to other subcultures and the construction of identities this book disrupts some of the more prevalent academic and lay understandings about street prostitution by providing a thorough analysis of the material conditions surrounding street work and their connection to discourse McCracken offers an explanation of how constructions can be made differently in order to achieve representations that are generated by the marginalized populations themselves while placing responsibility for this marginalization on the society in which these people live

New Sociologies of Sex Work Kate Hardy, Sarah

Kingston, 2016-05-06 Sex work studies have seen an expansion in publications over the past decade drawing together disciplines from across the social sciences namely sociology criminology and social policy There has however been a tendency for research and writing to focus on the more obvious aspect of the sex industry the visible elements of female street prostitution and those features which attract media attention such as the criminalised aspects of the sex trade The sex industry is diverse in terms of its organisation presentation participants and how it is located in the broader context of globalisation and regulation there is a need for publications which demonstrate this breadth This book makes an outstanding contribution to the sociology of sex work through advancing theoretical policy methodological and empirical ideas as each chapter pushes the boundaries of a specific area by offering new and critical research as well as commentary

Women

Who Buy Sex Sarah Kingston, Natalie Hammond, Scarlett Redman, 2020-05-10 Drawing on empirical data from women who pay for sexual services and those who provide services to women this ground breaking study is the first of its kind in the UK detailing the experiences of women who pay for sex in an explicit direct prearranged way Unlike previous research on clients which has predominantly focused on men who buy sex or women who engage in romance tourism in places such as the Caribbean this innovative research offers new and original insights into the demand side of commercial sex Too often it is assumed that only men pay for sex from women or other men Women are assumed to be service providers and are unimaginable as clients This book therefore offers a radical departure from existing scholarship on commercial sex In addition the book examines the experiences of couples who pay for commercial sex a client group that has received scant investigation The book explores women s reasons for their engagement in commercial sex services their backgrounds and characteristics their strategies for remaining safe and managing potential risks as well as their sexual health strategies The nature of sexual service bookings with women clients is also examined exploring the types of services women seek the places where bookings occur and the fees they pay Finally the experiences of men women and trans sex workers who provide sexual services to women are examined By drawing on our unique data and comparing it to the literature on men clients we present our theory Converging Sexualities We argue that commercial sex is a site of behavioural convergence and that women clients

are behaving in ways that could be described as masculine or feminine Our study therefore offers new ways to understand sexuality This book will be of interest to researchers in the field of sexuality sex work and women s behaviour

Transgender Sex Work and Society Larry Nuttbrock,2018-02-20 This is the only book that systematically examines transgender sex work in the United States and globally Bringing together perspectives from a rich range of disciplines and experiences it is an invaluable resource on issues related to commercial sex in the transgender community and in the lives of trans sex workers including mental health substance use relationship dynamics encounters with the criminal justice system and opportunities and challenges in the realm of public health The volume covers trans sex workers interactions with health social service and mental health agencies featuring more than forty contributors from across the globe Synthesizing introductions by the editor help organize and put into context a vast and scattered research and empirical literature The book is essential for researchers health practitioners and policy analysts in the areas of sex work research HIV AIDS and LGBTQ gender studies

The State of Sex Barbara Brents,Crystal Jackson,Kathryn Hausbeck,2009-12-16 This study of Nevada s brothels uses empirical data and sociological theory to situate the United States only legal brothel industry in the political economy of contemporary tourism The personal accounts of sex workers make this a compelling read for students and those interested in the sex industry

Love, Romance, Sexual Interaction Nathaniel Pallone,2018-01-16 This volume brings together in a single resource fourteen empirical studies examining a variety of emotions and behaviors covering many aspects of love romance and sexual interaction from recent issues of Current Psychology Scholars from universities and research centers bring under the empiricist s microscope a variety of emotions and behaviors ranging from dating relationships criteria for the ideal mate held by both men and women the relationship between perceptions of parents and partners in a direct test of psychoanalytic conceptualizations of mate selection how the media influence perceptions about love and romance sources of marital conflict gender differences in responses to infidelity and even the attitudes of consumers toward prostitution Contributors and topics of discussion include Albert Mehrabian and Jeffrey S Blum Physical Appearance Attractiveness and the Mediating Effect of Emotions Gordon L Flett Paul L Hewitt Brenley Shapiro and Jill Rayman Perfectionism Beliefs and Adjustment in Dating Relationships Robert Ervin Cramer Jeffrey T Schaefer and Suzanne Reid Identifying the Ideal Mate More Evidence for Male Female Convergence Glenn Geher Perceived and Actual Characteristics of Parents and Partners A Freudian Model of Mate Selection Claudia J Haferkamp Beliefs about Relationships in Relation to Television Viewing Soap Opera Viewing and Self Monitoring Blaine J Flowers and Brooks Applegate Marital Satisfaction and Conventionalization Examined Didactically Claudia J Haferkamp Dysfunctional Beliefs Self Monitoring and Marital Conflict Emily A Impett Kristin P Beals and Letitia A Peplau Testing the Investment Model of Relationship Commitment and Stability in a Longitudinal Study of Married Couples Richard Clements and Clifford H Swensen Commitment to One s Spouse as a Predictor of Marital Quality among Older Couples Robert Ervin Cramer William Todd Abraham Lesley M Johnson Barbara

Manning Ryan Gender Differences in Subjective Distress to Emotional and Sexual Infidelity William Todd Abraham Robert Ervin Cramer Ana Maria Fernandez and Eileen Mahler Infidelity Race and Gender Ami Rokach Strategies of Coping with Loneliness throughout the Lifespan *Sex Workers and Their Clients* Jerald L. Mosley, 2020-12-15 This book draws on the voices of sex workers and their clients to critically assess the criminalization of prostitution in favour of decriminalization It does so by contrasting their voices with the claims made by prohibitionists those advocating the prohibition of prostitution or at least the prohibition of the purchase of sexual services and notes scholarly research that gives context to those accounts and claims Each chapter is dedicated to a particular issue which is given currency in academic and public debates on sex work The first part of each chapter reviews the state of research and publicly aired contentions and the second part compares sex workers voices with claims from prohibitionists It highlights the gap between what many sex workers have to say about themselves and what theorizing prohibitionists say about all prostitution It argues that there is often a striking contrast in attitude perspective interpretation and valuation This books speaks primarily to prohibitionist thinking and sex work stereotyping and secondarily to the debate on decriminalization of sex work **Children in the Global Sex Trade** Julia O'Connell Davidson, 2005-03-11 An account of the many and varied ways in which children become involved in the sex trade this work presents the global political and economic inequalities that underpin children s exploitation **Rethinking Prostitution** Graham Scambler, 2003-09-02 The growth of AIDS has focused renewed attention on the institution of prostitution In contrast to the moral panic reaction of some sectors of society very different initiatives are being displayed by other groups in relation to the need to scrutinize the social moral and legal status of prostitution and to reflect on the arguments in support of and against legalising brothels paying particular concern to prostitutes own health Rethinking Prostitution covers male as well as female sex workers and considers in detail their status in law drugs issues of health and health care the changing nature of sex work partners boyfriends and pimps and the potential for redefining prostitution By drawing on the expertise of researchers across all aspects of the industry this up to date text focuses on an institution and industry ripe for re assessment Rethinking Prostitution will be of considerable interest to students lecturers and researchers in medical sociology and women s studies as well as to social workers in training and practice *Prostitution in the Community* Sarah Kingston, 2013-10-15 Prostitution often causes significant anxiety for communities These communities have been known to campaign against its presence in their neighbourhoods seeking the removal of street sex workers and their male clients Although research and literature has begun to explore prostitution from the standpoint of the community there is no comprehensive text which brings together some of the current literature in this area This book aspires to cast light on some of this work by exploring the nature extent and visibility of prostitution in residential communities and business areas considering the legal and social context in which it is situated and the community responses of those who live and work in areas of sex work This book aims to examine current literature on the impacts of prostitution in residential areas and

considers how different policy approaches employed by the police and local authorities have mediated and shaped the nature of sex work in different communities It explores what communities think about prostitution and those involved as well as studies the techniques and strategies communities have utilized to take action against prostitution in their neighbourhoods This book will also demonstrate the diversity of public attitudes action and reaction to prostitution in the community This book is a useful contribution for academics and researchers in the fields of Criminology and Sociology who wish to understand current policy initiatives surrounding the issue of prostitution in local national and international community settings

Encyclopedia of White-Collar & Corporate Crime Lawrence M. Salinger, 2005 In a thorough reappraisal of the white collar and corporate crime scene this Second Edition builds on the first edition to complete the criminal narrative in an outstanding reference resource

Routledge Handbook of Sexuality Studies in East Asia Mark McLelland, Vera Mackie, 2014-09-15 This collection brings together cutting edge work by established and emerging scholars focusing on key societies in the East Asian region China Taiwan Hong Kong Japan North and South Korea Mongolia and Vietnam This scope enables the collection to reflect on the nature of the transformations in constructions of sexuality in highly developed developing and emerging societies and economies Both Japan and China have established traditions of sexuality studies reflecting longstanding indigenous understandings of sex as well as more recent developments which interface with Euro American medical and psychological understandings Authors reflect upon the complex colonial and economic interactions and cultural flows which have affected the East Asian region over the last two centuries They trace local flows of ideas instead of defaulting to Euro American paradigms for sexuality studies Through looking at regional and global exchanges of ideas about sexuality this volume adds considerably to our understanding of the East Asian region and contributes to wider discussions of social transformation modernisation and globalisation It will be essential reading in undergraduate and graduate programs in sexuality studies gender studies women s studies and masculinity studies as well as in anthropology sociology history cultural studies area studies and health sciences

Sex Work, Mobility & Health Sophie Day, Helen Ward, 2014-06-03 First published in 2004 Major changes have taken place in the sex industry in Europe Over the past decade we have seen increasing migration and diversification along with major shifts in policy towards the industry There is very little published on sex work in Europe but the demand is growing for information and analyses of the situation today from people working on health policy gender and employment The authors of this book examine sex work in terms of economic and social restructuring concerns about infection and recent policy developments on prostitution
