On the Sunset Strip in Los Angeles in 1965 and 1966, an electrifying scene appeared out of nowhere, exploded into creativity, and then just as suddenly vanished. So much remarkable music, art, and social revolution came from one place at one time; it's difficult now to grasp how it all happened. In that moment, rock n' roll displaced movies as the centre of action in Hollywood. This book tells the story of that astonishing time. The nightlife was a heady mix of modernist design, pop art, and beat aesthetics. From the moment The Byrds debuted at the Ciro's on March 26th, 1965, with Bob Dylan joining them on stage right up to the demonstrations of November 1966, Sunset Strip nightclubs nurtured and broke The Doors, Love, Buffalo Springfield, Frank Zappa's Mothers of Invention, Captain Beefheart, His Magic Band, The Turtles, The Mamas & the Papas, and many others. The Strip was a hotbed for garage punk bands such as The Standells, The Seeds, The Music Machine, and The Electric Prunes. Folk rock and psychedelia were born there, and it was a favourite hangout and inspiration for The Beatles, The Rolling Stones, Them, The Velvet Underground, and The Yardbirds. Pop art and rock n' roll combined, and the new fusion quickly permeated television, animation, and New Hollywood's indie cinema. Films in Review, 1989. Library Journal, 1988. In the first critical study of the sex goddess in film, Jessica Hope Jordan illustrates how Jean Harlow uses her sexualized body to affect and seduce viewers away from any primary identification with those characters and their plotlines that are supposed to lead the film to identifying instead with the kind of sexual empowerment and self-possession her characters consistently display. Linking the idea of sexual empowerment to the filmic and public celebration of hyper-feminine sexuality, the book additionally covers previous feminist discussions of Mae West's performances as feminist camp to argue that West sought to both celebrate and embody for women viewers what she viewed as cultural ideals of femininity and women's sexuality. With Lana

Turner and the cinematic code the book considers the many problems inherent in both the filmic and public celebration of hyper feminine sexuality in relation to censorship and considers the effects of the Hays Code on hyper feminine sexuality as depicted in film noir The book also importantly presents the first critical discussion of the actress Jayne Mansfield suggesting that her 1950s open acceptance celebration and public promotion of her feminine sexuality both onscreen and off makes her not only a precursor of the more sexually liberated 60s but also like the other actresses discussed here a kind of prescient performance artist even theorist of feminine sexuality in particular and cultural ideas about sexuality more generally Beyond recouping her image as feminist the book demonstrates how the kind of desire aroused by the sex goddess a desire which remains endlessly suspended works as a supreme example of the aesthetic apparatus of cinema itself Book Jacket Marilyn Monroe Keith Badman, 2012-07-17 Traces the final two years of the iconic star's life offering insight into the true nature of her relationship with JFK her actual paternity her brutal incarceration at a mental asylum and her sexual exploitation by mobsters **Book Review Index Cumulation, 1989** Neil E.
