Sexual Revolutions

Gottfried Heuer,2010-11-17 The ideas of psychoanalyst Otto Gross 1877 1920 have had a seminal influence on the development of the psychoanalytic discipline and yet his work has been largely overlooked Sexual Revolutions introduces the work of Otto Gross to the academic and clinical fields of psychoanalysis and Jungian Analysis *Candida Royalle and the Sexual Revolution* Jane Kamensky,2024-03-12 Finalist for the 2024 National Book Critics Circle Award for Biography

Assiduously researched elegantly written Margaret Talbot The New Yorker Acclaimed historian Jane Kamensky chronicles an indelible twentieth century American life and offers an entirely new understanding of the so called sexual revolution Whether in front of the camera or behind it Candice Vadala understood herself as both an artist and an entrepreneur As Candida Royalle 1950 2015 underground actress porn star producer of adult movies and staunch feminist she made a business of pleasure She helped crystalize the broader hedonistic turn in American life in the second half of the twentieth century a period when the rules of sex were rewritten when the white hot sex wars cleaved feminism and realigned American politics when Big Freud Big Drugs and Big Porn all came into looming focus when the sex industry of the 1970s and 80s radically upended conventional understandings of law technology culture love and human desire The sexual revolution was Royalle s war even when other avowed feminists exited the field or became her opponents and pornography emerged as the arena in which she would wage it With the founding of her adult film company Femme Productions in 1984 Royalle became an owner of the means of pornographic production infusing her sets with the ideals of labor feminism On screen and off she was by turns exuberant and thoughtful self possessed and gleefully shameless A trailblazer who lived along the cultural fault lines of her generation she danced at Woodstock marched for women s liberation survived the AIDS crisis and became a talk show regular interviewed by Phil Donahue Dr Ruth Westheimer Morton Downey Jr Jane Pauley and many others As a performer director producer and writer she moved the needle of her industry But she never transcended the politics of pleasure With full access to Royalle s remarkable archive historian Jane Kamensky has spent years examining the intersection of Royalle s life with the clashes that have defined her era and ours Deeply informed by these never before studied materials Kamensky explodes the conventions of biography with its assumptions about who makes history and how Written with cinematic verve *Candida Royalle and the Sexual Revolution* evokes Royalle s times in their broadest contours as Kamensky traces the rise of an improbable heroine who broke the mold and was herself broken in turn

The God of Sex Peter Jones,2006 A placard carried in the San Diego Gay Parade said it all He s your God They re your rules You go to Hell Clearly there is no longer any commonly held ultimate authority So merely quoting Bible verses at gays and other sexual sinners to prove they are immoral is equally unsuccessful if not destructive For the sake of our young people for the sake of our churches for the sake of society and our world Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to

our postmodern culture Jones gives an objective honest appraisal of contemporary sexual trends and puts them up against God's clear and beautiful design for sex as a spiritual expression Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage the culture Nonbelievers will find this book objective and non-offensive fairly representing postmodern worldviews Thorough index and bibliography makes this book a powerful resource tool
