Linguistic Dimensions of Sexual Normativity Heiko Motschenbacher, 2022-02-09 This book advances the theorization of normativity as a key concept in language and sexuality studies bringing together some of the author's previous work with new material for a comprehensive exploration of the influence of normativity on the relationship between language and sexuality The first section of the book outlines fundamental areas of inquiry in language and sexuality studies today with a focus on queer linguistic inquiry and elucidates the book's theoretical frameworks around normativity Chapters in the section reflect on the ways in which normativity shapes sexuality related language how language is employed to convey sexual normativities and queer linguistic challenges for the use of research methods in the discipline through a discussion of their implementation in corpus linguistics The second part of the book builds on these theoretical foundations by featuring seven case studies that illustrate a diverse range of methods and language data with a concluding chapter considering the implications of their findings for furthering theoretical debates and future research on normativity in language and sexuality studies This volume will be of interest to scholars in language and sexuality language and gender sociolinguistics discourse analysis applied linguistics and corpus linguistics

Willa Cather's Sexual Aesthetics and the Male Homosexual Literary Tradition John P. Anders, 1999-01-01 In this first full length study of male homosexuality in Cather's short stories and novels John P Anders examines patterns of male friendship ranging on a continuum from the social to the sexual He reveals how Cather's work assumes an unexpected depth and complexity by drawing on both the familiar tradition of friendship literature inspired by classical and Christian texts and a homosexual legacy that is part of yet distinct from established literary traditions Anders argues that Cather's artistic achievement is distinguished by her sexual aesthetics an elusive literary style inextricably associated with homosexuality His analysis demonstrates how a homosexual ethos and eros helped Cather develop a sensitivity to human variation and a style to accommodate it and thus became the objective correlative of her art dramatizing the diversity of human nature as it deepens the mystery of her work

sides of the two cultures divide this was not so in the eighteenth century when doctors scientists writers and artists formed a well integrated educated elite Locke Smollett and Goldsmith were doctors and physicians such as Erasmus Darwin doubled as poets Written by leading historians of medicine and eighteenth century literary critics this book uncovers the interconnections between medical and psychological theory and ideas of taste beauty and genius Its contributors explore the rich cultural milieu of the period and investigate the ways in which medicine itself contributed to informing a gendered discourse of the world This book will be of interest to historians literary scholars and medical historians The Understanding of Adultery in the Hebrew Bible Alexander Izuchukwu Abasili,2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for todays couples **American Literature's Aesthetic Dimensions** Cindy Weinstein,Christopher Looby,2012 These diverse essays recast the place of aesthetics in production consumption of American literature Contributors showcase the interpretive possibilities available to those who bring politics culture ideology conceptions of identity into their critiques combining close readings of individual works authors with theoretical discussions *Riding the Wave of the Sting of Infidelity in a Marriage* Dr Anniekie Ravhudzulo,2012-01-23 Marriage is under tremendous assault as never before Will marriage survive Can it survive Infi delity is exploding but why In most cultures infi delity has become a major part of entertainment We all see it in popular television programs and movies Infi delity to some is enjoyment and pleasure Some men think if they are not slipping and cheating they are not being real men Some individuals grew up in environments where cheating is a way of life Some women think life is boring without the excitement of an outside affair In spite of the reasons God to His creation says No to infi delity Become the good husband or wife you would like your spouse to be Life has taught me that men and women get involved in an extramarital affair for many different reasons Sometimes when you are unsatisfi ed with your relationship you start to think What is available out there In a way it is an escape people feel like they want to be out from the burden in their marriages Grass is greener on the other side and so it seems I have seen many starting to fl irter with others innocently at fi rst They start to THINK of what ifs situations such as what if Im married to this friend of mine Many people forget that slowly they bring themselves into an extramarital affair and become trapped to
