Sexual History Of The World War

Susan R. Grayzel, Tammy M. Proctor

Sexual History Of The World War:

The Sexual History of the World War Magnus Hirschfeld, 1934 The Sexual History of the World War Magnus Hirschfeld, Andreas Gaspar, 1937 **The Sexual History of the World War** Magnus Hirschfeld, 1941 **The Sexual History of the World War** Crichton Alison, 1944 Touch and Intimacy in First World War Literature Santanu Das, 2006-04-06 The First World War ravaged the male body on an unprecedented scale yet fostered moments of physical intimacy and tenderness among the soldiers in the trenches Touch the most elusive and private of the senses became central to war experience War writing is haunted by experiences of physical contact from the muddy realities of the front to the emotional intensity of trench life to the traumatic obsession with the wounded body in nurses memoirs Through extensive archival and historical research analysing previously unknown letters and diaries alongside literary writings by figures such as Owen and Brittain Santanu Das recovers the sensuous world of the First World War trenches and hospitals This original and evocative study alters our understanding of the period as well as of the body at war and illuminates the perilous intimacy between sense experience emotion and language as we try to make meaning in times of crisis **Sexual Treason in Germany during the First World War** Lisa M. Todd, 2017-04-29 This book is the first comprehensive study of sexual lives in Germany and occupied Europe during the First World War Reconsidering sex in war brings to life a whole cast of characters too often left out of the historical narrative widowed women who worked as prostitutes fresh faced recruits who experienced the war in a VD hospital eugenicists who conflated sex and national decline soldiers wives ostracized by neighbourhood rumour mills By considering the confluence of public discourse state policy and everyday life Lisa M Todd adds to the growing body of knowledge on war and society in the twentieth century By incorporating the 1914 1918 experience into the longer frame of the pre war sex reform movement and the post war Allied occupation of the Rhineland this book is able to more fully evaluate the impact of the war years on the history of intimate relations in early twentieth century Germany *Gender and History* Susan Kingsley Kent, 2011-10-18 What is gender and who has it History theory and gender are inextricably linked but how exactly do they fit together How do historians use theories about gender to write history In this jargon free introduction Susan Kingsley Kent presents a student friendly guide to the origins conceptual framework subjectmatter and methods of gender history Assuming no prior knowledge Gender and History Sets out clear definitions of theory history and gender Explains that gender is not solely applicable to women but to men as well Tackles the hotly debated topic of power and gender relations Explores gender history from a variety of angles including anthropology psychology and philosophy Spans a broad chronological period from the times of Aristotle to the present day Includes a helpful glossary that explains key terms and concepts at a glance Lively and approachable this is an essential text for anyone who wishes to learn how to use theories of gender in their historical studies **What is Sexual History?** Jeffrey Weeks, 2016-06-07 Until the 1970s the history of sexuality was a marginalized practice Today it is a flourishing field

increasingly integrated into the mainstream and producing innovative insights into the ways in which societies shape and are shaped by sexual values norms identities and desires In this book Jeffrey Weeks one of the leading international scholars in the subject sets out clearly and concisely how sexual history has developed and its implications for our understanding of the ways we live today The emergence of a new wave of feminism and lesbian and gay activism in the 1970s transformed the subject heavily influenced by new trends in social and cultural history radical sociological insights and the impact of Michel Foucault s work The result was an increasing emphasis on the historical shaping of sexuality and on the existence of many different sexual meanings and cultures on a global scale With chapters on amongst others lesbian gay and queer history feminist sexual history the mainstreaming of sexual history and the globalization of sexual history What is Sexual History is an indispensable guide to these developments Gender and the Great War Susan R. Grayzel,Tammy M. Proctor,2017 The centenary of the First World War in 2014 18 offers an opportunity to reflect upon the role of gender history in shaping our understanding of this pivotal international event From the moment of its outbreak the gendered experiences of the war have been seen by contemporary observers and postwar commentators and scholars as being especially significant for shaping how the war can and must be understood The negotiating of ideas about gender by women and men across vast reaches of the globe characterizes this modern instrumental conflict Over the past twenty five years as the scholarship on gender and this war has grown there has never been a forum such as the one presented here that placed so many of the varying threads of this complex historiography into conversation with one another in a manner that is at once accessible and provocative Given the vast literature on the war itself scholarship on gender and various themes and topics provides students as well as scholars with a chance to think not only about the subject of the war but also the methodological implications of how historians have approached it While many studies have addressed the national or transnational narrative of women in the war none address both femininity and masculinity and the experiences of both women and men across the same geographic scope as the studies presented in this volume **The Sexual History of the Global South** Saskia Wieringa,Horacio Sívori,2013-04-11 The Sexual History of the Global South explores the gap between sexuality studies and post colonial cultural critique Featuring twelve case studies based on original historical and ethnographic research from countries in Africa Asia and Latin America the book examines the sexual investments underlying the colonial project and the construction of modern nation states Covering issues of heteronormativity post colonial amnesia regarding non normative sexualities women s sexual agency the policing of the boundaries between the public and the private realm sexual citizenship the connections between LGBTQ activism and processes of state formation and the emergence of sexuality studies in the global South this collection is of great geographical historical and topical significance **The sexual history of the world war** Magnus Hirschfeld,1937 In the Shadow of the Great War Jochen Böhrer,Ota Konrád,Rudolf Kučera,2021-01-10 Whether victorious or not Central European states faced fundamental challenges after the First World War as they struggled to

contain ongoing violence and forge peaceful societies This collection explores the various forms of violence these nations confronted during this period which effectively transformed the region into a laboratory for state building Employing a bottom up approach to understanding everyday life these studies trace the contours of individual and mass violence in the interwar era while illuminating their effects upon politics intellectual developments and the arts **The Sexual**

Perspective Emmanuel Cooper,2005-08-11 This ground breaking work has been fully updated in detailing the painting sculpture and photography of gay or lesbian artists Set in the context of current issues Cooper makes a vital contribution to debates on art gender and sexuality **Sexual Misbehavior in the Civil War** Thomas P. Lowry,2006-10-12 Over three million young men left home shouldered rifles and set about killing one another in the 1860s Behind them left wives and sweethearts The 50 000 books about the war have told us in meticulous detail about the strategy tactics weapons uniforms canteens famous generals religious beliefs personality quirks fortifications battles sieges gunboats medical care and recruiting policies The causes of the war have been endlessly analyzed The surviving veterans wrote hundreds of memoirs sometimes inflating their own heroism and importance What rarely appears in this literature is any mention of sex in spite of most soldiers being in their early twenties a time of manly vigor The late 19th century brought the ascendancy of Victorian prudishness and hypocrisy The Comstock laws sent men to prison for mailing contraceptive advice Just advice Whatever willingness there might have been to reveal wartime hanky panky evaporated in the tenor of the time and the admiring gaze of the veteran's growing grandchildren The following scene would be unimaginable the old veteran sits by the stove in the country store His long white beard covers his tattered vest A faded medal graces his chest On the floor are the shavings from his most recent whittling A tiny child pipes up Tell us about the war grandpa Well Jimmy there was this pretty little whore in Memphis Never happen Material collected twenty years ago resulted in the author's 1994 book The Story the Soldiers Wouldn't Tell Sex in the Civil War which presented everything that was then known on the subject There had been no previous book on Civil War sex Since then the author and his wife Beverly have read over 90 000 court martials and countless letters and diary entries What emerges is that sexual activity was far more common and public than our previous research or any memoir had ever revealed The records come from literally every corner of the country Key West Washington Territory Los Angeles and Maine The malfeasants are both officers and enlisted men The victims range from six year girls to sixty year old grandmothers The soldiers carried with them lewd books and obscene photos Even more striking is the universality of houses of prostitution Every village and every city neighborhood has at least one such and everybody knew it They knew the addresses of the houses They knew the names of the madams and the names of many of the girls Most of the witnesses for the trials had visited the houses for the usual reasons The military police tramped through the houses looking for deserters Rape thought to be rare during the war was not that rare An unexpected finding was that Union soldiers who were supposedly freeing the slaves were quick to rape black women An even more surprising finding was that the

Confederate army had a policy of not prosecuting rapists whether the victim was black or white The inventor of the Graham cracker had in 1834 written a book claiming that masturbation caused severe illness even death This idea had taken root in the medical profession and many army doctors testified that a defendant was not guilty because of insanity from self abuse The Union army's largest hospital listed dozens men dead from masturbation The famous ship Monitor had a thick iron turret In other such ships the sound proof turret proved a convenient place for old sailors to rape young boys A Union cavalry colonel was tried for sexually assaulted both men and women Evidence for Civil War homosexuality was unknown until now Even more astonishing stories appear in the records sex with horses sheep even with chickens and turkeys There are records of obscene tattoos foul cursing by Winfield Scott Hancock black and white mistresses of Confederate generals even many records of fornication and bastardy in the little village of Gettysburg Ads fo

American Sexual Character Miriam G. Reumann, 2005-03-07 When Alfred Kinsey's massive studies Sexual Behavior in the Human Male and Sexual Behavior in the Human Female appeared in 1948 and 1953 their detailed data spurred an unprecedented public discussion of the nation's sexual practices and ideologies As they debated what behaviors were normal or average abnormal or deviant Cold War Americans also celebrated and scrutinized the state of their nation relating apparent changes in sexuality to shifts in its political structure economy and people American Sexual Character employs the studies and the myriad responses they evoked to examine national debates about sexuality gender and Americanness after World War II Focusing on the mutual construction of postwar ideas about national identity and sexual life this wide ranging shrewd and lively analysis explores the many uses to which these sex surveys were put at a time of extreme anxiety about sexual behavior and its effects on the nation Looking at real and perceived changes in masculinity female sexuality marriage and homosexuality Miriam G Reumann develops the notion of American sexual character sexual patterns and attitudes that were understood to be uniquely American and to reflect contemporary transformations in politics social life gender roles and culture She considers how apparent shifts in sexual behavior shaped the nation's workplaces homes and families and how these might be linked to racial and class differences

Stormtrooper Families Andrew Wackerfuss, 2015-08-18 Based on extensive archival work Stormtrooper Families combines stormtrooper personnel records Nazi Party autobiographies published and unpublished memoirs personal letters court records and police surveillance records to paint a picture of the stormtrooper movement as an organic product of its local community its web of interpersonal relationships and its intensely emotional internal struggles Extensive analysis of Nazi era media across the political spectrum shows how the public debate over homosexuality proved just as important to political outcomes as did the actual presence of homosexuals in fascist and antifascist politics As children in the late imperial period the stormtroopers witnessed the first German debates over homosexuality and political life As young adults they verbally and physically battled over these definitions bringing conflicts over homosexuality and masculinity into the center of Weimar Germany's most important political debates Stormtrooper Families chronicles the stormtroopers

personal political and sexual struggles to explain not only how individual gay men existed within the Nazi movement but also how the public meaning of homosexuality affected fascist and antifascist politics a public controversy still alive today

Palgrave Advances in the Modern History of Sexuality M. Houlbrook,H. Cocks,2005-10-26 Palgrave Advances in the Modern History of Sexuality offers a comprehensive and accessible overview of historical debate in the history of European and American sexuality since c 1750 Each chapter explores in detail one theme such as race pornography marriage science or religion which historians have seen as essential to writing the history of sexuality The book therefore not only offers a broad introduction to the state of the art but also suggests new directions for research and debate

The City Aroused Damon Scott,2024-01-02 A history of San Francisco that studies change in the postwar urban landscape in relation to the city s queer culture The City Aroused is a lively history of urban development and its influence on queer political identity in postwar San Francisco By reconstructing the planning and queer history of waterfront drinking establishments Damon Scott shows that urban renewal was a catalyst for community organizing among racially diverse operators and patrons with far reaching implications for the national gay rights movement Following the exclusion of suspected homosexuals from the maritime trades in West Coast ports in the early 1950s seamen s hangouts in the city came to resemble gay bars Local officials responded by containing the influx of gay men to a strip of bars on the central waterfront while also making plans to raze and rebuild the area This practice ended when city redevelopment officials began acquiring land in the early 1960s Aided by law enforcement they put these queer social clubs out of business replacing them with heteronormative desexualized land uses that served larger postwar urban development goals Scott argues that this shift from queer containment to displacement aroused a collective response among gay and transgender drinking publics who united in solidarity to secure a place in the rapidly changing urban landscape

Gay Men and the Sexual History of the Political Left Gert Hekma,Harry Oosterhuis,1995 Chapter authors are internationally recognized scholars who analyze key developments of the attitudes and policies of leftist thinkers parties and regimes toward homosexuality in Western Europe the Soviet Union and the United States

Encyclopedia of Gay Histories and Cultures George Haggerty,2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for

the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Sexual History Of The World War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexual History Of The World War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexual History Of The World War has opened up a world of possibilities. Downloading Sexual History Of The World War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexual History Of The World War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexual History Of The World War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexual History Of The World War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexual History Of The World War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexual History Of The World War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Sexual History Of The World War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sexual History Of The World War is one of the best book in our library for free trial. We provide copy of Sexual History Of The World War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sexual History Of The World War. Where to download Sexual History Of The World War online for free? Are you looking for Sexual History Of The World War PDF? This is definitely going to save you time and cash in something you should think about.
