

Sexual Occupation Of Japan

Mire Koikari

Sexual Occupation Of Japan:

The Sexual Occupation of Japan Richard Setlowe,1999 **The Sexual Occupation of Japan** Richard Setlowe,2000

Gender and Sexuality in Modern Japan Sabine Frühstück,2022-03-31 *Gender and Sexuality in Modern Japan* describes the ever changing manifestations of sexes genders and sexualities in Japanese society from the 1860s to the present day Analysing a wide range of texts images and data Sabine Fr hst ck considers the experiences of females males and the evolving spectrum of boundary crossing individuals and identities in Japan These include the intersexed conscript in the 1880s the first out lesbian war reporter in the 1930s and pregnancy vest wearing male governors in the present day She interweaves macro views of history with stories about individual actors highlighting how sexual and gender expression has been negotiated in both the private and the public spheres and continues to wield the power to critique and change society This lively and accessible survey introduces Japanese ideas about modern manhood modern womanhood reproduction violence and sex during war the sex trade LGBTQ identities and activism women s liberation feminisms and visual culture

Sanitized Sex Robert Kramm,2017-09-26 *Sanitized Sex* analyzes the development of new forms of regulation concerning prostitution venereal disease and intimacy during the American occupation of Japan after the Second World War focusing on the period between 1945 and 1952 It contributes to the cultural and social history of the occupation of Japan by investigating the intersections of ordering principles like race class gender and sexuality It also reveals how sex and its regulation were not marginal but key issues in postwar empire building U S Japanese relations and American and Japanese self imagery The regulation of sexual encounters between occupiers and occupied was closely linked to the disintegration of the Japanese empire and the rise of U S hegemony in the Asia Pacific region during the Cold War era Shedding new light on the configuration of postwar Japan the process of decolonization the postcolonial formation of the Asia Pacific region and the particularities of postwar U S imperialism *Sanitized Sex* offers a reading of the intimacies of empires defeated and victorious

Allied Occupation of Japan Eiji Takemae,2003-01-01 Published to coincide with the 50th anniversary of the end of the American led Allied Occupation of Japan 1945 52 *The Allied Occupation of Japan* is a sweeping history of the revolutionary reforms that transformed Japan and the remarkable men and women American and Japanese who implemented them **The "Rape" of Japan** Brian P. Walsh,2024-06-15 Most Americans regard the postwar Occupation of Japan as a prime example of American magnanimity They are blithely unaware of the prevailing Japanese myth that upon entering Japan U S servicemen engaged in an orgy of looting sexual violence and drunken brawling and that during the first ten days of the Occupation there were 1 336 reported cases of rape in Kanagawa Prefecture alone The myth goes further with claims that U S military officers demanded the Japanese government set up brothels for use by American troops and that when embarrassed officials in Washington D C forced Occupation officials to close the brothels the servicemembers went on a rampage resulting in according to official records reported rapes of Japanese women skyrocketing from an average of 40 to 330 cases a day The

truth is that none of this happened Nevertheless large numbers of Japanese still believe these allegations As the passions of war have faded the currency of such stories has only grown and they are now regarded by many as fact This false narrative of mass sexual violence and the organized exploitation of Japanese women by American military forces is also widely accepted among historians of World War II and its aftermath Brian P Walsh a Princeton educated scholar thoroughly debunks this false narrative in a brave and compelling book that reflects his in depth research into both American and Japanese primary sources Historian Ed Drea has praised Walsh s work on this topic as a masterful refutation of perceived wisdom It is original historical research and writing at its best and is a significant contribution to the study of sexual violence in a military context and to the U S occupation of Japan Walsh sets the records straight by showing that MacArthur s General Headquarters established women s rights on a more secure foundation than anywhere else in East Asia provided a far safer physical environment than most other occupations and all but eliminated endemic sexually transmitted diseases These diseases ruined millions of lives prematurely ending as many as five thousand per year including those of more than a thousand children The Rape of Japan is a long overdue refutation and exposure of a relentless propaganda campaign that has persisted for more than seven decades *Japan's Comfort Women* Yuki Tanaka,2003-08-29 Japan s Comfort Women tells the harrowing story of the comfort women who were forced to enter prostitution to serve the Japanese Imperial army often living in appalling conditions of sexual slavery Using a wide range of primary sources the author for the first time links military controlled prostitution with enforced prostitution He uncovers new and controversial information about the role of the US occupation forces in military controlled prostitution as well as the subsequent cover up of the existence of such a policy This groundbreaking book asks why US occupation forces did little to help the women and argues that military authorities organised prostitution to prevent the widespread incidence of GI rape of Japanese women and to control the spread of sexually transmitted diseases *Love, Sex, and Democracy in Japan during the American Occupation* M. McLelland,2012-02-13 This is the first book in English to examine through material in the popular press the radical changes that took place in Japanese ideas about sex romance and male female relations in the wake of Japan s defeat and occupation by Allied forces at the end of the Second World War *Gender, Power, and Politics in the US Occupation of Japan, 1945-1952* Mire Koikari,1997 **The Routledge Companion to Sexuality and Colonialism** Chelsea Schields,Dagmar Herzog,2021-05-24 Unique in its global and interdisciplinary scope this collection will bring together comparative insights across European Ottoman Japanese and US imperial contexts while spanning colonized spaces in Latin America the Caribbean Africa the Indian Ocean the Middle East and East and Southeast Asia Drawing on interdisciplinary perspectives from cultural intellectual and political history anthropology law gender and sexuality studies and literary criticism The Routledge Companion to Sexuality and Colonialism combines regional and historiographic overviews with detailed case studies making it the key reference for up to date scholarship on the intimate dimensions of colonial rule Comprising more

than 30 chapters by a team of international contributors the Companion is divided into five parts Directions in the study of sexuality and colonialism Constructing race controlling reproduction Sexuality in law Subjects souls and selfhood Pleasure and violence The Routledge Companion to Sexuality and Colonialism is essential reading for students and researchers in gender sexuality race global studies world history Indigeneity and settler colonialism **The Body in Postwar Japanese Fiction** Douglas Slaymaker, 2004-08-02 This book explores one of the crucial themes in postwar Japanese fiction Through an examination of the work of a number of prominent twentieth century Japanese writers the book analyses the meaning of the body in postwar Japanese discourse the gender constructions of the imagery of the body and the implications for our understanding of individual and national identity This book will be of interest to all students of modern Japanese literature

Homosexuality and Manliness in Postwar Japan Jonathan D. Mackintosh, 2010 Japan's first professionally produced commercially marketed and nationally distributed gay lifestyle magazine Barazoku The Rose Tribes was launched in 1971 Publicly declaring the beauty and normality of homosexual desire Barazoku electrified the male homosexual world whilst scandalising mainstream society and sparked a vibrant period of activity that saw the establishment of an enduring Japanese media form the homo magazine Using a detailed account of the formative years of the homo magazine genre in the 1970s as the basis for a wider history of men this book examines the relationship between male homosexuality and conceptions of manliness in postwar Japan The book charts the development of notions of masculinity and homosexual identity across the postwar period analysing key issues including public private homosexualities inter racial desire male male sex love and friendship the masculine body and manly identity The book investigates the phenomenon of manly homosexuality little treated in both masculinity and gay studies on Japan arguing that desires and individual narratives were constructed within and not necessarily outside of the dominant narratives of the nation manliness and Japanese culture Overall this book offers a wide ranging appraisal of homosexuality and manliness in postwar Japan that provokes insights into conceptions of Japanese masculinity in general

Over There Maria Hohn, Seungsook Moon, 2010-11-30 Essays explore the social impact of America's global network of military bases by examining interactions between U S soldiers and members of host communities in South Korea Japan Okinawa and West Germany *A Cultural History of Postwar Japan* Oliviero Frattolillo, 2023-07-14 This book is a political and cultural history of the early postwar Japan aiming at exploring how the perception and cultural values of everyday life in the country changed along with the rise of the kasutori culture Such a process was closely tied with both a refusal of the samurai culture and the interwar debate on modernity and it resulted in a decadent way of life exemplified by intellectuals such as Sakaguchi Ango It depicts a short lived radical cultural and social alternative one that forced people to rethink their relationship to the kokutai modernity social roles daily practices and the production of knowledge The subjectivity and daily practices in those years were more important in shaping the cultural identities of the Japanese than the new public ideology of the nation This challenges some Euro American historical notions that the new private sphere has

emerged in Japan as an effect of the country's Americanization rather than from within it. This work not only looks at the immediate aftermath of WWII from the perspective of Japan but also tries to rethink Westernization in the light of its global appropriation. This volume is addressed to specialists of Japanese or Asian history but it will also attract historians of the United States and readers from political and intellectual history, cultural studies and historiography in general.

Japan Reborn Kristin Roebuck, 2015-11-11 At the peak of imperial expansion in World War II Japan touted itself as a multiracial paradise. The state eugenicists and media supported intermarriage and adoption as tools of empire, encouraging blood mixing to fuse diverse populations into one harmonious family. Yet after defeat in World War II a chorus of Japanese policy makers, journalists and activists railed against Japanese women who consorted with occupying American men and their mixed race children. Why did Japan embrace mixed blood as an authoritarian empire yet turn to xenophobic racial nationalism as a postwar democracy? Tracing changing views of the mixed blood child, Japan Reborn reveals how notions of racial mixture and purity reshaped Japanese identity. Kristin Roebuck unravels the politics of sex and reproduction in Japan from the invasion of Manchuria in the 1930s to the dawn of US-Japan alliance in the 1950s, uncovering eugenic ideas and policies that policed the boundaries of kinship and country. She shows how the trauma of defeat sparked an abhorrence of interracial sex and caused a profound devolution in the social status of mixed children and their Japanese mothers. She also unpacks how Japan's postwar identity crisis put pressure on the United States to bring Japanese brides and mixed blood children into the Cold War American family. Shedding light on the sexual and racial tensions of empire, occupation and the Cold War, this book offers new ways to understand the shifting terrain of Japanese nationalism and international relations.

Women on the Verge Karen Kelsky, 2001-11-21 Explores issues of gender, race and national identity in Japan by taking up for critical analysis an emergent national trend in which some urban Japanese women turn to the West through study abroad, work abroad and romance with Westerners in order.

Routledge Handbook of Sexuality Studies in East Asia Mark McLelland, Vera Mackie, 2014-09-15 This collection brings together cutting edge work by established and emerging scholars focusing on key societies in the East Asian region: China, Taiwan, Hong Kong, Japan, North and South Korea, Mongolia and Vietnam. This scope enables the collection to reflect on the nature of the transformations in constructions of sexuality in highly developed, developing and emerging societies and economies. Both Japan and China have established traditions of sexuality studies reflecting longstanding indigenous understandings of sex as well as more recent developments which interface with Euro-American medical and psychological understandings. Authors reflect upon the complex colonial and economic interactions and cultural flows which have affected the East Asian region over the last two centuries. They trace local flows of ideas instead of defaulting to Euro-American paradigms for sexuality studies. Through looking at regional and global exchanges of ideas about sexuality, this volume adds considerably to our understanding of the East Asian region and contributes to wider discussions of social transformation, modernisation and globalisation. It will be essential reading in undergraduate and

graduate programs in sexuality studies gender studies women s studies and masculinity studies as well as in anthropology sociology history cultural studies area studies and health sciences *Doing Ethnography in the Wake of the Displacement of Transnational Sex Workers in Yokohama* Ayaka Yoshimizu, 2021-11-22 *Doing Ethnography in the Wake of the Displacement of Transnational Sex Workers in Yokohama* reflects on the politics poetics and ethics of remembering the lives of transnational migrant sex workers in postcolonial Japan Drawing on ethnographic fieldwork in the port city of Yokohama the book focuses on the water trade in the Koganecho neighbourhood where exploitative and stigmatised labour took place involving sexual services performed by migrant women In recent years the city has sought to rebrand Koganecho evicting transnational migrant sex workers who had been integral to postindustrial development and erasing their past presence The author explores Yokohama s memoryscapes in the aftermath of displacement through embodied knowledge engaging her senses and ethics as a colonizer researcher as she navigates the elusive past through traces that remain in the present She examines the city s built environment official historical narratives films and photographic works With few brothels and workers remaining Yoshimizu fills the gap with her own interactions encounters and imaginings Yoshimizu also writes through the imagery of water in ways that are informed by the local usage and imaginations the ocean flowing rivers swamps humidity alcohol the fluidity of relationships and transient lives The water also offers a way to sense the ghost or the displaced lives and the effects of displacement that like humid air stick to those who occupy or inhabit the site of displacement today This interdisciplinary work makes a valuable contribution to sensory studies memory studies migration studies and Asian studies

Engendering the State Lynn Savery, 2012-11-12 Why have states in general been slower to incorporate the international diffusion of women s human rights norms domestically than other human rights norms and why has the diffusion of these norms varied so greatly between states Why are some states more responsive and exert more effort than others to comply with these norms *Engendering the State* explains these key issues and argues that the gender biased identity of many states represents the most significant barrier to diffusion It also explores how particular norms have diffused into certain states at specific points in time as a consequence of international and domestic pressure The author addresses the limitations of existing explanations of international norms case studies of Germany Spain Japan and India which provide a new perspective on comparative analysis of Europe and Asia alternative arguments on cross national variation and the influence of international norms of sexual discrimination the theoretical and practical implications of the argument This book is essential to those with an interest in the topical subject of women s human rights gender studies and international studies *The SAGE Handbook of Modern Japanese Studies* James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than *The SAGE Handbook of Modern Japan Studies* Hiroko Takeda Associate Professor Organization for Global Japanese Studies

University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University

Sexual Occupation Of Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexual Occupation Of Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexual Occupation Of Japan has opened up a world of possibilities. Downloading Sexual Occupation Of Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexual Occupation Of Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexual Occupation Of Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexual Occupation Of Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexual Occupation Of Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexual Occupation

Of Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sexual Occupation Of Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sexual Occupation Of Japan is one of the best book in our library for free trial. We provide copy of Sexual Occupation Of Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sexual Occupation Of Japan. Where to download Sexual Occupation Of Japan online for free? Are you looking for Sexual Occupation Of Japan PDF? This is definitely going to save you time and cash in something you should think about.
