Sexual Politics A Surprising Examination:

Sexual Politics Kate Millett, 1970 **Sexual Politics** Kate Millett, 1971 Alone of All Her Sex Marina Warner, 1983-03-12 Shows how the figure of Mary has shaped and been shaped by changing social and historical circumstances and why for all their beauty and power the legends of Mary have condemned real women to perpetual inferiority The Edinburgh Companion to Women in Publishing, 1900–2020 Nicola Wilson, Claire Battershill, Sophie Heywood, Marrisa Joseph, Daniela La Penna, Helen Southworth, Alice Staveley and Elizabeth Willson Gordon, 2024-02-29 Women's creative labour in publishing has often been overlooked This book draws on dynamic new work in feminist book history and publishing studies to offer the first comparative collection exploring women's diverse deeply embedded work in modern publishing Highlighting the value of networks collaboration and archives the companion sets out new ways of reading women's contributions to the production and circulation of global print cultures With an international intergenerational set of contributors using diverse methodologies essays explore women working in publishing transatlantically on the continent and beyond the Anglosphere The book combines new work on high profile women publishers and editors alongside analysis of women's work as translators illustrators booksellers advertisers patrons and publisher's readers complemented by new oral histories and interviews with leading women in publishing today The first collection of its kind the companion helps establish and shape a thriving new research field **Love and the Novel** Christina Lupton, 2022-06-02 It is a clever well written book and I often found myself underlining whole paragraphs as I read wonderfully insightful I've never read accounts of any of these texts that manage to be at once so searching and so wondrously concise and Lupton made me want to go back to them all Rachel Cooke Observer Incandescent Lara Feigel Guardian A subversive brilliant and beautifully written book about love play and power in fiction and in the well read life Sarah Moss author of Summerwater A delicious combination of critical thought and passionate personal experience Tanya Shadrack author of The Cure for Sleep Romantic love was born alongside the novel and books have been shaping how we experience and think about our most intimate stories ever since But what do novels give us when our own lives diverge from the usual narrative paths Christina is a professor used to examining stories with a critical eye until one day in middle age she finds herself falling in love and leaving her marriage for a romance with another woman This involves a familiar enough tale but when her new partner suffers a stroke Tina begins to reflect on the sorts of love that novels rarely capture A heady mix of memoir criticism and storytelling that draws on novels ranging from Pride and Prejudice to Price of Salt Anna Karenina to Conversations with Friends to illuminate the ways love and novels work and show how some types of love which don't race to a narrative end point might be the most important of all Handbook of Gender in Archaeology Sarah M. Nelson, 2006 First reference work to explore the research on gender in archaeology Freud: Conflict and Culture Michael Roth, 2000-05-09 In Freud Conflict and Culture Michael S Roth presents eighteen essays on the man who has become in W H Auden's phrase a

whole climate of opinion This fascinating collections explores Freud s work the absorption of his theories into mainstream culture and his hotly contested legacy Oliver Sacks demonstrates how Freud s early studies anticipated contemporary neuropsychology Scholar Muriel Dimen reveals a paradoxical liaison between psychoanalysis and feminism Art Spiegelman Maus provides a comic strip that explores Freud s ideas about humor And Peter Kramer Listening to Prozac projects how future generations may look upon the man who along with Marx Darwin and Einstein shaped an era By turns moving contentious and amusing Freud Conflict and Culture boasts a body of work as eclectic and engaging as the revolutionary genius himself

Women in Antiquity Sarah Milledge Nelson,2007-03-01 Archaeology is one of our most powerful sources of new information about the past about the lives of our ancient and not so ancient ancestors The contributors to Women in Antiquity consider the theoretical problems involved in discerning what the archaeological evidence tells us about gender roles in antiquity The book includes chapters on the history of gender research historical texts mortuary analysis household remains hierarchy and ethnoarchaeology with each chapter teasing out the inherent difficulty in interpreting ancient evidence as well as the promise of new understanding Women in Antiquity offers a fresh accessible account of how we might grasp the ways in which sexual roles and identities shaped the past

D. H. Lawrence Greiff, Louis K,2001 Greiff also evaluates the films as social and cultural documents showing why they had such an effect on filmmakers and audiences during certain phases in American and Anglo European history Significantly the films were not spread evenly throughout these decades but appeared in clusters Jacket

Art, Feminism, and Community Ceren Özpınar,2024 How do artists communities and art connect with one another How might multiple feminist views be used to interpret art Art Feminism and Community Feminist Art Histories from Turkey 1973 1998 examines the lives and communities of artists and their works from Turkey It suggests that feminisms shape artists relationships and practices It analyses seven major case studies and details rarely seen paintings installations photographs drawings batik and performance art from 1973 to 1998 The work brings together twenty artists and cultural figures in a world of multifaceted relationships that influence the creation of new art Uncovering familial professional and friendship links it recreates transnational networks intellectual collectives political alliances and ethnic communities It demonstrates

how artists have analysed their own experiences in their works reflecting the effects of their communities and lives even though these themes have been mostly overlooked in Turkish art history **Midlife Crisis** Susanne Schmidt,2020-03-01 The phrase midlife crisis today conjures up images of male indulgence and irresponsibility an affluent middle aged man speeding off in a red sports car with a woman half his age but before it become a gendered cliché it gained traction as a feminist concept Journalist Gail Sheehy used the term to describe a midlife period when both men and women might reassess their choices and seek a change in life Sheehy's definition challenged the double standard of middle age where aging is advantageous to men and detrimental to women by viewing midlife as an opportunity rather than a crisis Widely popular in the United States and internationally the term was quickly appropriated by psychological and psychiatric experts and redefined as a male centered masculinist concept The first book length history of this controversial concept Susanne Schmidt's *Midlife Crisis* recounts the surprising origin story of the midlife debate and traces its movement from popular culture into academia Schmidt's engaging narrative telling of the feminist construction and ensuing antifeminist backlash of the midlife crisis illuminates a lost legacy of feminist thought shedding important new light on the history of gender and American social science in the 1970s and beyond *TLA Film and Video Guide* David Bleiler,1999 Detailed indexes by star director genre country of origin and theme Lavishly illustrated with over 450 photos Comprehensive selection of international cinema from over 50 countries Over 9 000 films reviewed Up to date information on video availability and pricing Appendices with award listings TLA Bests and recommended films *Mary Magdalen* Susan Haskins,2011-09-30 A dramatic thought provoking portrait of one of the most compelling figures in early Christianity which explores two thousand years of history art and literature to provide a close up look at Mary Magdalen and her significance in religious and cultural thought *TLA Video & DVD Guide 2004* David Bleiler,2003-10-24 This is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see *In Our Time* Susan Brownmiller,2000-11-07 There once was a time when the concept of equal pay for equal work did not exist when women of all ages were girls when abortion was a back alley procedure when there was no such thing as a rape crisis center or a shelter for battered women when sexual harassment had not yet been named and defined If conditions are right Susan Brownmiller says in this stunning memoir if the anger of enough people has reached the boiling point the exploding passion can ignite a societal transformation *In Our Time* tells the story of that transformation as only Brownmiller can A leading feminist activist and the author of *Against Our Will* the book that changed the nation's perception of rape she now brings the Women's Liberation movement and its passionate history vividly to life Here is the colorful cast of characters on whose shoulders we stand the feminist icons Betty Friedan Kate Millett Germaine Greer and Gloria Steinem and the lesser known women whose contributions to change were equally profound And here are the landmark events of the era the consciousness raising groups that sprung up in people's living rooms the mimeographed position papers that first articulated the new

thinking the abortion and rape speak out the daring sit ins the underground newspaper collectives and the inventive lawsuits that all played a role in the most wide reaching revolution of the twentieth century Here as well are Brownmiller s reflections on the feminist utopian vision and her dramatic accounts rendered with honesty and humor of the movement s painful internal schisms as it struggled to give voice to the aspirations of all women Finally Brownmiller addresses that most relevant question What is the legacy of feminism today
