Sexual Subjects :

Sexual Subjects Adria E. Schwartz, 2013-08-21 *Sexual Subjects* a psychoanalytic book informed by gender theory queer theory and feminism addresses the tensions inherent in writing about lesbians and sexuality in the postmodern age Adria Schwartz masterfully intertwines clinical anecdotes with engaging theoretical questions that examine the construction of important categories of identity woman feminist mother lesbian and homo hetero bisexual Schwartz also addresses specific issues which are problematic but nonetheless meaningful to self identified lesbians such as roles in gender play lesbian bed death and raising non traditional families Written from a psychoanalytic and postmodern perspective this book is a significant contribution to the work done on the conceptualization of lesbian sexuality and identity **Sexual Subjects** L. Allen, 2005-09-08 Educating young people about sex and sexuality remains one of the most controversial and political areas of the school curriculum Drawing on young people's own understandings of their sexual selves knowledge and practices *Sexual Subjects* considers the implications for how we conceptualize the effectiveness of sexuality education Reshaping thinking around youthful hetero sexualities *Sexual Subjects* challenges current approaches to teaching about sex and sexuality

From Sex Objects to Sexual Subjects Claudia Moscovici, 2020-11-25 *From Sex Objects to Sexual Subjects* traces some of the ruptures and continuities between the eighteenth century masculinist formulations of subjectivity elaborated by Rousseau Diderot and Kant and the contemporary postmodern and feminist critiques of the universal subject meaning the self viewed as an abstract individual who exercises an impartial and rational political judgment that is identical to other similarly defined individuals developed by Luce Irigaray Francois Lyotard Jacques Derrida Jurgen Habermas Nancy Fraser Judith Butler and Michel Foucault In her work Moscovici brings together the wide ranging discussion of subjectivity with debates about public discourse In so doing she attempts a synthesis between the two discussions that have recently engaged feminist theorists and others *Framing the Sexual Subject* Richard Parker, Regina Maria Barbosa, Peter

Aggleton, 2000-01-23 Focusing on the social and political dimensions of sexual experience this book examines the social construction of sexual subjectivities the dynamics of sexual oppression and the struggle for sexual rights and empowerment in countries and cultures around the globe **Out from the Shadows** Sharon L. Crasnow, Anita M. Superson, 2012-02-14

This collection draws together 18 mostly new papers on topics in standard areas of traditional analytical philosophy written from a feminist perspective It aims to bring out from the shadows traditional philosophy by challenging it in a constructive socially critical way that is essential for philosophy's fundamental goal of pursuing truth that matters **Sexual Citizens** Brenda Cossman, 2007 This book explores the relationship between sex and belonging in law and popular culture arguing that contemporary citizenship is sexed privatized and self disciplined Former sexual outlaws have challenged their exclusion and are being incorporated into citizenship But as citizenship becomes more sexed it also becomes privatized and self disciplined The author explores these contesting representations of sex and belonging in films television and legal decisions

She examines a broad range of subjects from gay men and lesbians pornographers and hip hop artists to women selling vibrators adulterers and single mothers on welfare She observes cultural representations ranging from Queer Eye for the Straight Guy to Dr Phil Sex in the City to Desperate Housewives She reviews appellate court cases on sodomy and same sex marriage national welfare reform and obscenity regulation Finally the author argues that these representations shape the terms of belonging and governance producing good and bad sexual citizens based on the degree to which they abide by the codes of privatized and self disciplined sex

The Political Imaginary of Sexual Freedom Leticia Sabsay, 2016-11-11 This book develops a performative and relational approach to gendered and sexualised bodies conceived as distinct from the more limited individualistic idea of sexual identity and orientation that is at play within notions of progress in contemporary transnational sexual politics Focusing on the psychosocial dimension of sexual life Sabsay challenges accepted ideas of increased emancipation and the steady extension of rights offering instead a critique of the liberal imaginary that is at the base of the sexual rights bearing subject The book offers a notion of sexual embodiment that provides an alternative to individualism one that is social radically relational and psychically divided and that implies a different conception of democratic sexual politics for our time This book brings together political and cultural analysis of sexual rights discourse with a strong theory of the relational subject whose political investments and articulations depend on a political imaginary This is a highly original and methodical text which will be of particular interest to academics and scholars of gender and sexuality studies sociology politics and psychology

Sexuality Reimagined Shailja Tandon, 2023-05-08 The book examines how medical knowledge is produced around bodies that do not fit in the heteronormative framework of the state s rationale and processes The marginal bodies studied in this research are termed MSM men who have sex with men categorized as a high risk group in the backdrop of HIV AIDS These Queer bodies entered the registers of epidemiology and governmentality This classification is the point of departure for the book The book interrogates and asks how does a sexual subject become a political question To answer this political trajectory the book analyses the category of risk in biomedicine It investigates how the category of risk becomes critical to the Indian state s rationale and policies wherein through the ambit of health and population sexuality is managed Unearthing the sexual politics in South Asia the book based on rich empirical evidence derived from the lived experiences of MSM narrates the construction of sexual subjectivity and masculinity The process of construction occurs in negotiation with the Indian state bringing forth the dimension of the Indian state as a medico legal governmentality regime and how MSM takes on the identity of a medicalized subject

Biopolitics, Necropolitics, Cosmopolitics C.L. Quinan, Kathrin Thiele, 2021-03-25 The concepts of biopolitics and necropolitics have increasingly gained scholarly attention particularly in light of today s urgent and troubling issues that mark some lives as more or less worthy than others including the migration crisis rise of populism on a global scale homonationalist practices and state sanctioned targeting of gender sexual racial and ethnic others This book aims to nuance this conversation by

emphasising feminist and queer investments and interventions and by adding the analytical lens of cosmopolitics to ongoing debates around life living and death dying in the current political climate In this way we move forward toward envisioning feminist and queer futures that rethink categories such as human and subjectivity based on classical modern premises Informed by feminist queer studies postcolonial theory cultural analysis and critical posthumanism Biopolitics Necropolitics Cosmopolitics engages with longstanding questions of biopolitics and necropolitics in an era of neoliberalism and late capitalism but does so by urging for a more inclusive and less violent cosmopolitical framework Taking account of these global dynamics that are shaped by asymmetrical power relations this fruitful posthumanist and post decolonial approach allows for visions of transformation of the matrix of inclusion and exclusion into feminist queer futures that work towards planetary social justice This book is a significant new contribution to feminist and queer philosophy and politics and will be of interest to academics researchers and advanced students of gender studies postcolonial studies sociology philosophy politics and law The chapters in this book were originally published as a special issue of the Journal of Gender Studies

Women and Migration in the U.S.-Mexico Borderlands Denise A. Segura, Patricia Zavella, 2007 Seminal essays on how women adapt to the structural transformations caused by the large migration from Mexico to the U S A how they create or contest representations of their identities in light of their marginality and give voice to their own agency

Sexual Subjects Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexual Subjects has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexual Subjects has opened up a world of possibilities. Downloading Sexual Subjects provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexual Subjects has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexual Subjects . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexual Subjects . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexual Subjects , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexual Subjects has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
