

A Political Sexual Revolution: Sexual Autonomy in the British Women's Liberation Movement in the 1970s and 1980s

Abstract

In the 1970s and 1980s, women across Britain—particularly those in the Women's Liberation Movement (WLM)—took part in a distinct sexual revolution fuelled by a very specific question—who gets to determine the ways in which I am sexual? The active engagement by women with this question of sexual selfhood belies a historiography of sexual revolution—real or imagined—in which women were the passive beneficiaries (or victims) of technological, cultural, religious, social and/or, economic shifts. Drawing on the writing of women in the feminist press, mainstream media, books, and pamphlets, this article describes the specific contribution of the WLM to shaping new possibilities for a sexuality defined, and controlled, by women. I argue that the WLM combined a powerful political framework with an influential social network to significantly contribute to a far-reaching process of deconstructing and recasting female sexuality and sexual relations.

'Not long ago I made the intellectual decision to become bisexual', 25-year-old London resident Linda told *Guardian* reporter Lindsay Mackie in 1973.¹ Separated from her husband and in love with a man at the time of her interview, Linda continued: 'I am in a bit of a state of flux with this new-found independence but I feel amazingly self-contained.'

* emma.wallhead@sydney.edu.au. Many thanks to Chris Hilliard for his insightful feedback. I am also very grateful to Florence Sutcliffe-Braithwaite for asking astute questions on an early draft, together with the anonymous reviewers whose criticisms and suggestions considerably improved this article.

¹ In an account by Lindsay Mackie, 'Guardian miscellany', *The Guardian* (29 November 1973), 11.

Sexual Revolution Opposing Viewpoint

Kay Payne

Sexual Revolution Opposing Viewpoint:

Opposing Viewpoints Sources Bruno Leone, David L. Bender, 1984 *Sexual Revolution in Bolshevik Russia* Gregory Carleton, 2010-06-15 Gregory Carleton offers a comprehensive literary and cultural history of sex and society in the Soviet Union during the 1920s. The Bolshevik Revolution promised a total transformation of Russian society down to its most intimate details. But in the years immediately following 1917 it was by no means clear how this would come about. Sex and sexuality became a crucial battleground for debates about the Soviet future and literature emerged as a primary domain through which sex could be imagined and discussed. Despite optimistic claims that bolshevism would overcome bourgeois depravity, the writings of the 1920s in all genres were awash in sexual adventure, promiscuity, various chauvinisms, date and gang rape, unwanted pregnancy, and sexually transmitted diseases, as well as sex-related alcohol abuse, depression, and suicide. In discussions about sex, party officials contradicted themselves, sociologists grappled with difficult social problems, and writers experimented in fictional form with modern identities and relationships. Drawing on an uncommonly varied body of sources including novels, journals, diaries, sociological research, public health brochures, surveys, and party documents, many examined here for the first time in English, Carleton reveals the dramatic, bizarre, and intriguing ways the sexual revolution was discussed and represented. Amidst this chaos, he discerns a historical process of codification and reaction leading ultimately to the quelling of debate in the 1930s through the harsh dictates of Stalinism. *Sexual Revolution in Bolshevik Russia* challenges Western writers who portray revolutionary Russia as either prudish or hedonistic by reconstructing a fuller picture of what circulated in Bolshevik culture and why. Carleton brings a complex human dimension to the subject, demonstrating that this controversy should not be viewed as a sideshow curiosity but rather as a central aspect of the dramatic debates on early Soviet literature and culture. *Victoria Woodhull's Sexual Revolution* Amanda Frisken, 2004-05-10 Annotation: Frisken examines the life, social campaigning, and the flamboyant Victoria Woodhull, the first woman to run for the US presidency, a leading advocate for women's rights. Woodhull used political theatrics to bring the subject of female sexuality before a reluctant American public. *Social and Sexual Revolution* Bertell Ollman, 1979 The author of *Alienation* extends his original approach to social theory in this discussion of Marx's view of socialism, class analysis, and the problem of socialist consciousness, and Wilhelm Reich's contributions to the psychology of social change. *The Long Sexual Revolution* Hera Cook, 2004-02-05 In this book, Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility. Most sexual activity had major economic and social costs, the most fundamental of which was the physical cost of children upon women's bodies. Around 1800, birth rates reached historical heights. Using a combination of demographic and qualitative sources, Dr. Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century. Contraception became a viable option in the early twentieth century. The book charts the resulting slow relaxation of attitudes to sexuality.

and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s *Slut-Shaming, Whorephobia, and the Unfinished Sexual Revolution* Meredith Ralston, 2021-06-16 The sexual revolution is unfinished A sexual double standard between men and women still exists and society continues to punish bad girls and reward good ones Until we eliminate good girl privilege and bad girl stigma women will not be fully free to embrace their sexuality In *Slut Shaming Whorephobia and the Unfinished Sexual Revolution* Meredith Ralston looks at the common denominators between the MeToo movement the myths of rape culture and the pleasure gap between men and women to reveal the ways that sexually liberated women threaten the patriarchy Weaving in history pop culture philosophy interviews with sex workers and personal anecdotes Ralston shows how women cannot achieve sexual equality until the sexual double standard and good girl bad girl binary are eliminated and women viewed by society as whores are destigmatized Illustrating how women s sexuality is policed by both men and women she argues that women must be allowed the same personal autonomy as men the freedom to make sexual decisions for themselves to obtain orgasm equality and to insist on their own sexual pleasure Dispelling the myth that all sex workers are victims and all clients are violent *Slut Shaming Whorephobia and the Unfinished Sexual Revolution* calls out Western society s hypocrisy about sex and shows how stigma and the marginalization of sex workers harms all women *Different but Equal* Kay Payne, 2001-02-28 This study presents a theoretical and practical discussion of the changes that have occurred between men and women and how the sexes relate to one another from social political and ethical perspectives Not only do men and women reflect different gender roles through communication but they are also impacted by communication about gender especially from the media Gender differences in communication have gained political importance due to the increasingly relevant issues of sexual harassment and political correctness These social and political changes have influenced our value systems and have given the study of gendered communication an ethical importance Payne argues that religious ideology is an important aspect of gendered development and that biological psychological social and cultural phenomena also affect sex roles This volume will appeal to scholars and students in the communications disciplines as well as psychologists and sociologists Organized around three major themes the construction of the gendered self the differences between men and women as they relate to one another through language power and nonverbal communication and the effects of gendered communication in leadership and the media this work covers much ground on the topic of communication between the sexes **Have Sexual Values Changed in America?** David L. Bender, 1989 **Leo Strauss and His Legacy** John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo **The Weatherwomen** Mona Rocha, 2020-02-14 Assertive tough and idealistic the Weatherwomen members of the Weather Underground Organization WUO from the late 1960s were determined to stamp

out sexism and social injustice They asserted that militancy was necessary in the pursuit of a socialist revolution that would produce gender racial and class equality This book excavates their long buried history and reclaims the voices of the Weatherwomen The Weatherwomen s militant feminism had many facets It criticized the role of women in the home was concerned with the subordination of women to men attacked the gender pay gap and supported female bodily integrity The Weatherwomen also refined their own feminist ideology into an intersectional one that would incorporate multiple identity perspectives beyond the white American middle class perspective In shaping a feminist vision for the WUO the Weatherwomen dealt with sexism within their own organization and were dismissed by some feminist groups of the time as inauthentic This work strives to recognize the WUO s militant feminist efforts and the agency autonomy and empowerment of its female members by concentrating on their actions and writings Taking Sex Differences Seriously Steven E.

Rhoads,2010-05 Most discussions of sexuality today assume that differences between men and women are insubstantial and that the boundary between the masculine and the feminine is highly porous To reflect the idea that male and female roles have been socially constructed they speak of gender instead of sex and ridicule the double standard of studs and sluts Because men and women are virtually interchangeable it is argued men should do an equal share of domestic work so that women can compete equally with men outside the home This vision of androgyny has compelling aspects But Dr Steven Rhoads finds one problem whatever we might like to believe sex distinctions remain a deeply rooted part of human nature In Taking Sex Differences Seriously he assembles a wealth of scientific evidence showing that these differences are hardwired into our biology They range from the subtle women instinctively carry babies on their left side near the maternal heartbeat to the profound women with higher testosterone levels are more promiscuous more competitive and more conflicted about having children Rhoads explores male female disparities in aggression and dominance in sexuality and nurturing He shows how denial of these differences has affected phenomena such as the sexual revolution and fatherless families and policies such as Title IX and the call for universal day care But he also says that society is improved by discouraging some natural tendencies like men s temptation toward predatory sex and encouraging others like women s greater interest and talent in caring for babies Steven Rhoads dispels social clichs and spotlights biological realities in this provocative book Meticulously researched and elegantly written Taking Sex Differences Seriously is a groundbreaking look at the way we are **Sexual**

Liberation Raymond J. Lawrence Jr.,2007-01-30 Sex sells they say but even today it is considered forbidden wrong or sinful by many in the Western world This book is an account of the strange ways sexual pleasure has been devalued even demonized in the West by the forces of Christendom and its legacy in the modern world It tells the story of how sex came to be regarded by societies throughout the ages as perverse sinful and wrong and how the motivations of a few have lasted centuries and colored our view of sex and sexuality even today Sex sells they say but even today it is considered forbidden or sinful by many in the Western world This book is an account of the ways in which sexual pleasure has been devalued and

demonized in the West by the historical forces of Christendom It tells the story of how sex came to be regarded by societies throughout the ages as perverse sinful and wrong and how the centuries old motivations of a few have persisted into modern times coloring our view of sex and sexuality to this day For good or ill Christianity has been since before the ebbing of the Roman Empire the principal bearer of public values in the western world This book traces the changes that have shaped and reshaped what is considered moral sexual behavior and immoral sexual behavior by Christians and non Christians alike Lawrence s account of the perversion of sexual values begins with the intersection of the early Jesus movement and the morality of the Greco Roman culture and empire He goes on to point out the ways Christianity and its moral code were reshaped under the impact of Constantine s adoption of Christianity as the imperial religion and how key figures of the Middle Ages generally succeeded in promoting a religion whose chief goal was the obliteration of sexual pleasure The story continues on through the ages until now This controversial look at sex and Christianity sheds new light on our views of pornography homosexuality adultery and other issues of sex and sexuality

The Clitoris Compendium: Uncovering Pleasure, Health, and Anatomy Helen Wright, The clitoris is a powerful yet often misunderstood part of female anatomy The Clitoris Compendium explores its anatomy purpose and role in sexual health offering insights into pleasure sensitivity and care This book is perfect for those looking to deepen their understanding of this vital part of female sexuality

True Blood and Philosophy William Irwin, 2011-05-04 NEW BLOOD EDITION Contains three new chapters from Season 3 This new edition is available as an E BOOK ONLY and contains three chapters not found in the print book The first look at the philosophical issues behind Charlaine Harris s New York Times bestsellers The Southern Vampire Mysteries and the True Blood television series Teeming with complex mythical characters in the shape of vampires telepaths shapeshifters and the like True Blood the popular HBO series adapted from Charlaine Harris s bestselling The Southern Vampire Mysteries has a rich collection of themes to explore from sex and romance to bigotry and violence to death and immortality The goings on in the mythical town of Bon Temps Louisiana where vampires satiate their blood lust and openly commingle with ordinary humans present no shortages of juicy metaphysical morsels to sink your teeth into Now True Blood and Philosophy calls on the minds of some of history s great thinkers to perform some philosophical bloodletting on such topics as Sookie and the metaphysics of mindreading Maryann and sacrificial religion werewolves shapeshifters and personal identity vampire politics evil desire and much more The first book to explore the philosophical issues and themes behind the True Blood novels and television series Adds a new dimension to your understanding of True Blood characters and themes The perfect companion to the start of the third season on HBO and the release of the second season on DVD Smart and entertaining True Blood and Philosophy provides food or blood for thought and a fun new way to look at the series

An Analysis of Michel Foucault's The History of Sexuality Rachele Dini, Chiara Briganti, 2017-07-12 Michel

Foucault is famous as one of the 20th century's most innovative and wide-ranging thinkers. The qualities that made him one of the most read and influential theorists of the modern age find full expression in *History of Sexuality*, the last project Foucault was able to complete before his death in 1984. Central to Foucault's appeal is the creativity of his thought. Creative thinking takes many forms from redefining an issue in a novel way to making unexpected and illuminating connections. Foucault's particular talent could perhaps best be described as turning questions inside out. In the case of sexuality, for instance, his interpretation of the historical evidence led him to argue that the sexual categories that we are used to—homosexual, lesbian, straight, and so on—are not natural but constructs that are products of the ways in which power and knowledge interact in society. Such categories, Foucault continues, actually serve to produce the desires they seek to name. And their creation in turn is closely linked to the power that society exerts on those who belong to different sexual groups. Foucault's ideas, familiar now, were so novel in their time that they proved highly challenging. But to see the world through Foucault's thought is to see it in a profoundly different and illuminating way, an example of creative thinking at its best.

Gender and World War II in the Yugoslav Media Iva Jelušić, 2024-12-27 This book presents an analysis of the cultural memory of women's participation in the Yugoslav People's Liberation Struggle 1941–1945 with a particular focus on the figure of the female soldier. It examines how this subject was treated in socialist Yugoslavia's popular printed press and how it contributed to the creation of the figure of the Yugoslav New Woman. By examining four popular magazines, this volume aims to reveal the variety of understandings of women's unprecedented level of wartime engagement and its relevance in creating the conditions for the emergence and development of the New Woman in socialist Yugoslavia. The book delves into the roles and societal impact of these women as portrayed in the printed press from the end of World War II until the watershed moment of socialist Yugoslavia's history, the death of Josip Broz Tito in 1980. This book is aimed at students, scholars, and researchers interested in women's and gender history in state socialist countries. Its examination of print magazines, an understudied aspect of Yugoslav media, will also be of interest to media and communication scholars.

Emotions in American History Jessica C. E. Gienow-Hecht, 2010 The study of emotions has attracted anew the interest of scholars in various disciplines, igniting a lively public debate on the constructive and destructive power of emotions in society as well as within each of us. Most of the contributors to this volume do not hail from the United States but look at the nation from abroad. They explore the role of emotions in history and ask how that exploration changes what we know about national and international history and in turn how that affects the methodological study of history. In particular, they focus on emotions in American history between the 18th century and the present, in war, in social and political discourse as well as in art and the media. In addition to case studies, the volume includes a review of their fields by senior scholars who offer new insights regarding future research projects.

American Political Parties Under Pressure Chapman Rackaway, Laurie L. Rice, 2017-08-02 This book addresses the changing electoral and political circumstances in which American political parties

found themselves during the 2016 election and the strategic adaptations this new pressure may require The respective establishments of both major political parties have found themselves facing serious challenges Some observers wondered if realignment was in progress and whether the parties could survive Both grounded in research and accessible to more than just academics this book provides important insights into how political parties can move forward from 2016 Religion & Sexuality Charles Kevin Robertson, 2006 Issues of religion and sexuality elicit passionate debate as witnessed in the well researched provocative essays contained in this volume Cutting edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture Oral sex polygamy homosexuality and clergy celibacy and boundaries are addressed as editor C K Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on and off limits in today's increasingly pluralistic yet strongly spiritual society

Sexual Revolution Opposing Viewpoint Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexual Revolution Opposing Viewpoint has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexual Revolution Opposing Viewpoint has opened up a world of possibilities. Downloading Sexual Revolution Opposing Viewpoint provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexual Revolution Opposing Viewpoint has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexual Revolution Opposing Viewpoint. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexual Revolution Opposing Viewpoint. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexual Revolution Opposing Viewpoint, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexual Revolution Opposing Viewpoint has transformed the way we access information.

With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sexual Revolution Opposing Viewpoint Books

1. Where can I buy Sexual Revolution Opposing Viewpoint books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sexual Revolution Opposing Viewpoint book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sexual Revolution Opposing Viewpoint books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sexual Revolution Opposing Viewpoint audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media.

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Sexual Revolution Opposing Viewpoint books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
