O'Donohue**

Sexual Rhetoric:

Sexual Rhetorics Jonathan Alexander, Jacqueline Rhodes, 2015-10-16 Sexual rhetoric is the self conscious and critical engagement with discourses of sexuality that exposes both their naturalization and their queering their torquing to create different or counter discourses giving voice and agency to multiple and complex sexual experiences This volume explores the intersection of rhetoric and sexuality through the varieties of methods available in the fields of rhetoric and writing studies including case studies theoretical questioning ethnographies or close and distant readings of texts that help us think through the rhetorical force of sexuality and the sexual force of rhetoric **Sexual Rhetorics** Jonathan Alexander, Jacqueline Rhodes, 2015-10-16 Sexual rhetoric is the self conscious and critical engagement with discourses of sexuality that exposes both their naturalization and their queering their torquing to create different or counter discourses giving voice and agency to multiple and complex sexual experiences This volume explores the intersection of rhetoric and sexuality through the varieties of methods available in the fields of rhetoric and writing studies including case studies theoretical questioning ethnographies or close and distant readings of texts that help us think through the rhetorical force of sexuality and the sexual force of rhetoric Stripped Maggie M. Werner, 2020-11-11 Stripped examines the ways in which erotic bodies communicate in performance and as cultural figures Focusing on symbols independent of language Maggie M Werner explores the signs and signals of erotic dance audience responses to these codes and how this exchange creates embodied rhetoric Informed by her own ethnographic research conducted in strip clubs and theaters Werner analyzes the movement dress and cosmetic choices of topless dancers and neo burlesque performers Drawing on critical methods of analysis she develops approaches for interpreting embodied erotic rhetoric and the marginal cultural practices that construct women s public erotic bodies She follows these bodies out into the streets into the protest spaces where sex workers and anti rape activists challenge discourses about morality and victimhood and struggle to remake their own identities Throughout Werner showcases the voices of these performers and in the analyses shares her experiences as an audience member interviewer and paying customer The result is a uniquely personal and erudite study that advances conversations about women s agency and erotic performance moving beyond the binary that views the erotic body as either oppressed or empowered Theoretically sophisticated and delightfully intimate Stripped is an important contribution to the study of the rhetoric of the body and to rhetorical and performance studies more broadly **Sexual Antipodes** Pamela Cheek, 2003-02-28 Sexual Antipodes is about how Enlightenment print culture built modern national and racial identity out of images of sexual order and disorder in public life It examines British and French popular journalism utopian fiction and travel accounts about South Sea encounter pamphlet literature and pornography as well as more traditional literary sources on the eighteenth century such as the novel and philosophical essays and tales The title refers to a premise in utopian and exoticist fiction about the southern portion of the globe sexual order defines the character of the state The book begins by examining how the idea of sexual order operated

as the principle for explaining national differences in eighteenth century contestation between Britain and France It then traces how following British and French encounters with Tahiti the comparison of different national sexual orders formed the basis for two theories of race race as essential character and race as degeneration Sexual Sports Rhetoric Linda K. Fuller, 2010 Sexual Sports Rhetoric Historical and Media Contexts of Violence deals with controversies surrounding the notion of sport violence added to the equation of gender and language Topics discussed range from hooliganism spousal abuse and racial and or gender orientation issues to literary televised filmic and photographic pornographic images of sports violence The sports represented include ice hockey stock car racing football body building baseball boxing rugby wrestling and pool **Sexual Rhetoric** Meta G. Carstarphen, Susan Zavoina, 1999-12-30 This work explores through case studies and critical analyses how media depictions affect the social construction of gender sexuality and identity Through a combination of historical and contemporary topics scholars examine the stereotypical portrayal of women and men and the contexts within which these stereotypes are illustrated The studies also discuss the sociopolitical implications of symbols and images associated with these gender representations Concrete references to particular media support both the methodological and theoretical approaches of the different essays These quantitative and qualitative studies expose the myriad ways in which the media intervenes in our perception of popular culture Media and mass communication scholars will appreciate the many different media forms these essays encompass The multicultural and gendered perspectives that comprise these writings will also appeal to students and educators of gender studies and contemporary rhetoric Chapters are grouped in subsections that include newspaper visual image in media magazine television video film and cyberspace Sex Is Not A Natural Act & Other Essays Leonore Tiefer, 2018-03-09 Revisits and updates the centrality of the social construction of sexuality especially in the age of Viagra FSD female sexual dysfunction and the media saturation of sex Leonore Tiefer is one of the foremost sexologists working in the United States today she is a well known and respected scholar who writes engagingly and humorously about a wide array of topics in sexuality to appeal to both students and general readers Revised and updated with new pieces on the medicalization of sex FSD female sexual dysfunction and the politics of sex as well as classic pieces found in the original edition such as Am I Normal The Question of Sex *Mysteries of Sex* Mary P. Ryan, 2009-01-06 In a sweeping synthesis of American history Mary Ryan demonstrates how the meaning of male and female has evolved changed and varied over a span of 500 years and across major social and ethnic boundaries She traces how at select moments in history perceptions of sex difference were translated into complex and mutable patterns for differentiating women and men How those distinctions were drawn and redrawn affected the course of American history more generally Ryan recounts the construction of a modern gender regime that sharply divided male from female and created modes of exclusion and inequity The divide between male and female blurred in the twentieth century as women entered the public domain massed in the labor force and revolutionized private life This transformation in gender history serves as a backdrop for seven chronological

chapters each of which presents a different problem in American history as a quandary of sex Ryan's bold analysis raises the possibility that perhaps if understood in their variety and mutability the differences of sex might lose the sting of inequality

The Sexual Theologian Marcella Althaus-Reid, Lisa Isherwood, 2004-01-01 The Sexual Theologian is the first collection of essays on radical sexual theology written by a group of internationally renowned scholars in this area For the first time Queer theory and theology is articulated around themes from systematic theology such as Incarnation death the concept of God Mariology together with discussions on sexuality and mysticism The essays show a how to do a radical sexual theology together with original bold and transgressive thinking which have taken feminist theologies to a new dimension of action and reflection

Passionate and Pious Monique Moultrie, 2017-12-11 In *Passionate and Pious* Monique Moultrie explores the impact of faith based sexual ministries on black women's sexual agency to trace how these women navigate sexuality religious authority and their spiritual walk with God Providing churchwomen a space to candidly discuss these issues these popular ministries exist largely beyond the traditional church with dialogues about sex taking place in chat rooms and through text messages social media email and other media Moultrie foregrounds televangelist Juanita Bynum's construction of the black Christian sexual identity these ministries promote while emphasizing how churchwomen reconcile these prescriptive identities with their individual experiences What does it mean for senior women to exercise sexual agency when their church standing could be questioned What does celibacy mean for women who experience same sex desire while believing that such desire goes against God's will Advancing a womanist sexual ethics Moultrie reframes biblical interpretations and conceptions of what constitutes a healthy relationship to provide a basis for sexual decision making that does not privilege monogamy or deny female pleasure thereby calling on black churchwomen to experience responsible and life enhancing sex

Sex, Honor, and Power in the Deuteronomistic History Kenneth Stone, 1996-11-01 In this original work Stone studies the structure and social presuppositions of several narratives from the Deuteronomistic History in which sexual activity plays a significant role Both narratological and anthropological tools are utilized in the textual analysis Stone interestingly notes the link between sexual activity gender and prestige structures the emphasis on male contest and female chastity discussed by anthropologists of honour and shame and the role of the exchange of women in relations between men In each story sexual practice is primarily related to male struggles for honour and power

The Politics of Joking Jana Kopelent Rehak, Susanna Trnka, 2018-10-25 This book engages anthropologically with humor as political expression It reveals how humor is in many instances central to human efforts to cope with political struggle and significant to understanding power dynamics in socio political life The chapters examine humor and joking activities across a diverse range of geographic areas and cultural contexts The contributors consider humor as it is constituted in political anxiety aggression and power and when it becomes a tool to resist repair reconcile or make a moral claim Collectively they demonstrate that humor can provide a powerful critique a non violent form of political protest and the space for restoration of human dignity

Sex Expression

and American Women Writers, 1860-1940 Dale M. Bauer, 2009-06-01 American women novelists of the late nineteenth and early twentieth centuries registered a call for a new sexual freedom Dale Bauer contends By creating a lexicon of sex expression many authors explored sexuality as part of a discourse about women's needs rather than confining it to the realm of sentiments where it had been relegated if broached at all by earlier writers This new rhetoric of sexuality enabled critical conversations about who had sex when in life they had it and how it signified Whether liberating or repressive sexuality became a potential force for female agency in these women's novels Bauer explains insofar as these novelists seized the power of rhetoric to establish their intellectual authority Thus Bauer argues they helped transform the traditional ideal of sexual purity into a new goal of sexual pleasure defining in their fiction what intimacy between equals might become Analyzing the work of canonical as well as popular writers including Edith Wharton Anzia Yeziarska Julia Peterkin and Fannie Hurst among others Bauer demonstrates that the new sexualization of American culture was both material and rhetorical

Talk about Sex Janice M. Irvine, 2004 Describes the political transformations cultural dynamics and affective rhetorics that together helped ignite the passionate conflicts over sex education on both the national and local levels in the United States **Talk about Sex** Janice Irvine, 2023-03-24 A rich social history of how the American right wing used sex education as one of its first battlegrounds on which to build a political movement and regulate sexual morality by controlling sexual speech *Love, Sex, and Democracy in Japan during the American Occupation* M. McLelland, 2012-02-13 This is the first book in English to examine through material in the popular press the radical changes that took place in Japanese ideas about sex romance and male female relations in the wake of Japan's defeat and occupation by Allied forces at the end of the Second World War **Contemporary Theological Approaches to Sexuality** Lisa Isherwood, Dirk von der Horst, 2017-08-23 Contemporary Theological Approaches to Sexuality provides a much needed overview of the state of scholarship on Christian theological reflection on sexuality and sexual theology Critically it also intervenes in the cultural debate over sexuality by privileging feminist queer and other counter normative perspectives Comprising twenty three chapters by a team of international contributors this volume is divided into four parts Normativity and transgression Bodies Economies and violence Divinity Within these sections central issues debates and problems are examined including consideration of the complexities of Christian theology in regard to contemporary sexuality debates Contemporary Theological Approaches to Sexuality is essential reading for students and researchers in the field of religion sexuality and Christianity *Sexuality in the Babylonian Talmud* Yishai Kiel, 2016-10-13 This book explores sex and sexuality in the Babylonian Talmud within the context of competing cultural discourses for students of comparative religion *Handbook of Child and Adolescent Sexuality* Daniel S. Bromberg, William T. O'Donohue, 2013-01-28 Adolescent and child sexuality is studied by developmental psychologists from a research perspective and is of interest to forensic psychologists dealing with abuse and custody issues as well as rape cases In many cases it is of interest whether the child in question was sexually active to understand the extent

to which an underage minor might have voluntarily participated in sexual activity as opposed to having been coerced. Previously, researchers interested in the applications of their research needed to look to separate books, and forensic specialists needed to look to development books to find the information they may have needed. This handbook provides both audiences with the related information they need. Encompasses normative behavior and clinical disorders in one source. Applies the information on development and behavior to forensic issues. Provides treatment information on sexual disorders in children. Provides information on children and adolescents in one volume.

Patriarchs, Prophets and Other Villains

Lisa Isherwood, 2016-04-08. *Patriarchs, Prophets and Other Villains* takes as a starting point the hermeneutics of suspicion. The book illustrates the way in which texts and interpretations have been manipulated for the purpose of power and control. Through careful counter readings, it challenges the ways in which the female divine has been pushed back by relentless male interpretation and misrepresentation. The essays range across liberation theology and queer theory to sexual hospitality and the Song of Songs as a challenge to hetero patriarchy. The book provides an accessible resource for any student interested in the ways in which narrow readings of Scripture can become a power base for hierarchies of exclusion.

Delve into the emotional tapestry woven by in Experience **Sexual Rhetoric** . This ebook, available for download in a PDF format (Download in PDF: *), is more than just words on a page; itis a journey of connection and profound emotion. Immerse yourself in narratives that tug at your heartstrings. Download now to experience the pulse of each page and let your emotions run wild.
