

Exploring Sexuality and Disability

A Guide for Human Service Professionals

Edited by Shanna Katz Kattari

Sexuality And Disability

Robert McRuer, Anna Mollow

Sexuality And Disability:

Sexuality and Disability Elaine Cooper, John Guillebaud, 2017-12-02 Sexuality is an integral part of every person but it is often difficult for people with a physical and or learning disability to express their sexuality as they wish This book provides a clear explanation of the issues concerning sexuality and disability for all professionals working in these sensitive areas

The Routledge Handbook of Disability and Sexuality Russell Shuttleworth, Linda Mona, 2020-12-29 This handbook provides a much needed holistic overview of disability and sexuality research and scholarship With authors from a wide range of disciplines and representing a diversity of nationalities it provides a multi perspectival view that fully captures the diversity of issues and outlooks Organised into six parts the contributors explore long standing issues such as the psychological interpersonal social political and cultural barriers to sexual access that disabled people face and their struggle for sexual rights and participation The volume also engages issues that have been on the periphery of the discourse such as sexual accommodations and support aimed at facilitating disabled people s sexual well being the socio sexual tensions confronting disabled people with intersecting stigmatised identities such as LGBTBI or asexual and the sexual concerns of disabled people in the Global South It interrogates disability and sexuality from diverse perspectives from more traditional psychological and sociological models to various subversive and post theoretical perspectives and queer theory This handbook examines the cutting edge and sometimes ethically contentious concerns that have been repressed in the field With current international and comprehensive content this book is essential reading for students academics and researchers in the areas of disability gender and sexuality as well as applied disciplines such as healthcare practitioners counsellors psychology trainees and social workers

Sex and Disability Robert McRuer, Anna Mollow, 2012-01-04 This collection brings together scholars and artists in disability studies sexuality queer theory and feminism to show how much sexuality studies and disability studies have to learn from each other

Sexuality, Disability, and the Law M. Perlin, A. Lynch, 2016-04-08 Sexuality Disability and the Law approaches issues of sexual autonomy and disability from multiple perspectives including constitutional law international human rights therapeutic jurisprudence history cognitive psychology dignity studies and theories and findings on gender constructs and societal norms Perlin and Lynch determine that if our society continues to assert that persons with mental disabilities possess a primitive morality we allow ourselves to censor their feelings and their actions By denying their ability and desires to show love and affection we justify this disparate treatment Our reliance on stereotypes has warped our attitudes and our policies and has allowed us to avoid important issues of humanity and of dignity that should be at the basis of any policies that affect this population

Exploring Sexuality and Disability Shanna K. Kattari, 2024 Drawing on an intersectional framework it integrates insights drawn from an interdisciplinary body of scholarship including psychology social work sociology history political science women and gender studies cultural studies and education along with perspectives from the practitioners who are actively defining the next generation of best practices

By highlighting the incredible resilience and resistance of disabled individuals and communities sexuality and sexual wellbeing this book challenges narratives that rely primarily on a one dimensional view derived from the medical model and the view of disability as something to be fixed or at least tolerated rather than celebrated In a world that pathologizes and devalues the sexual existence of disabled individuals it illustrates how to create thriving communities and relationships and how they can organize to find their voice providing a counter narrative of empowerment that fosters hopefulness power and health It will be of interest to all scholars students and professionals across a variety of professions including social work psychology counseling policy healthcare education community organizing and multiple social service settings *Sexual Citizenship and Disability* Julia Bahner, 2019-12-05 What does sexual citizenship mean in practice for people with mobility impairments who may need professional support to engage in sexual activity The book explores this subject through empirical investigation based on case studies conducted in four countries Sweden England Australia and the Netherlands and develops the abstract notion of sexual citizenship to make it practically relevant to disabled people professionals in disability services and policy makers Through a cross national approach it demonstrates the variability of how sexual rights are understood and their culturally specific nature It also shows how the personal is indeed political states different policy approaches change the outcomes for disabled people in terms of support to explore and express their sexualities By proposing a model of sexual facilitation that can be used in policy development to better cater to disabled service users needs as well as furthering the theoretical understanding of sexual rights and sexual citizenship this book will be of interest to professionals in disability services and policy makers as well as academics and students working in the following subject areas Disability Studies Sociology Social Policy Sexuality Studies Sexology Social Work Nursing Occupational Therapy and Public Health **Sexuality and Women with Learning Disabilities** Michelle McCarthy, 1999 *Sexuality and Women with Learning Disabilities* makes a significant contribution to both feminist and disability literature because it challenges common assumptions about the sexuality of people with learning disabilities forces a reconsideration of how this group of people are viewed by those around them and links gender and disability in its analysis Tizard Learning Disability Review By tackling issues that have received little meaningful attention McCarthy both makes a valuable contribution to the literature and provides a useful practical guide to those wishing to support their clients more effectively Mental Health and Learning Disabilities Care The thoroughness and attention to detail with which McCarthy has investigated and written about the sexual lives of a small number of women with mild to moderate learning difficulties is to be commended Drawing upon interviews with the women who participated in this study there is explicit detail about the reality of their sexual lives that overall comes across as sad poignant and often shocking with a high level of sexual abuse revealed however McCarthy has a strong code of ethics and sensitivity and a reflexive honesty about her role and stance as a feminist researcher that removes any possibility or suggestion of prurient voyeurism or exploitation being a part of this research McCarthy writes as a woman

with and about women allowing their voices about their sexual experiences to be heard through the medium of in depth interviews Within the book the sexual experiences of women with learning disabilities are set in a wider policy and practice framework and discussed in relation to ideologies surrounding learning disability gender and sexuality in a cultural context The book ends with a chapter discussing and listing policy and practice recommendations including suggestions about changes to the law Overall this was a convincing and compelling book that deserves serious attention and I would strongly recommend it to anyone with an interest in learning disability issues including practitioners carers relatives advocates and counsellors CSPRD Newsletter In this study of women with mild and moderate learning disabilities Michelle McCarthy investigates how these women experience their sexual lives basing her research on interviews with the women themselves She argues the importance of informing the work of those responsible at research practice and policy levels with the voices of people with learning disabilities In the interviews women talk openly about what form their sexual activity takes and what it means for them the circumstances in which it occurs and the pleasures or lack thereof associated with it These interviews directly shape the policy and practice recommendations the author makes Michelle McCarthy s findings suggest that women with learning disabilities commonly find themselves engaged in sexual activity which is not to their liking and not of their choosing A high level of sexual abuse was also reported The author discusses this in relation to the cultural forces which have influenced Western perceptions of sexuality feminism and theories and prejudices about learning disabilities She also studied the impact of institutional and community settings on the sexuality of women with learning disabilities In *Sexuality and Women with Learning Disabilities* McCarthy makes recommendations for policy and practice which will protect this vulnerable group and advises on education support and seeking justice for abused women

Sexuality and Physical Disability David G. Bullard, Susan E. Knight, 1981 **Sexuality and Disabilities** Deborah P Valentine, Romel W Mackelprang, 2013-02-01 Individuals with disabilities are often desexualized in our society yet they have the same need for intimacy self worth and social belonging as people without disabilities *Sexuality and Disabilities* addresses persons with physical sensory intellectual and cognitive disabilities and their concerns in the areas of intimacy family issues sexuality and sexual functioning It offers suggestions for professionals who work with persons with these disabilities to help them work more competently with disabled persons in the sexuality arena These concrete ideas are excellent for staff training and education and for enhancing professional development for those working with persons with physical disabilities The contributing authors create an awareness that all people need individualized consideration and that the special needs of all individuals are important especially for those who may have previously been left to discover things on their own usually unsuccessfully *Sexuality and Disabilities* focuses on a wide range of disabilities including physical developmental and learning disabilities mental retardation and conditions that may have an impact on people later in life such as strokes heart disease or other chronic illness Chapters discuss education and support issues for both practitioners and clients Some of the

topics examined include components of a staff training program on sexuality and disability specific recommendations for sexuality education and counseling with people with spinal cord injuries and other acquired severe neurological disabilities a program model serving parents with mental retardation and their children specific ways educational programming social work intervention and policy efforts can address the special learning needs of people with cognitive impairments sources of support and stress for families caring for developmentally disabled children an analysis of special vulnerabilities and challenges relating to sexual victimization that confront people with disabilities An extremely helpful tool for human service practitioners Sexuality and Disabilities is also a valuable resource for graduate and undergraduate students who have an interest in working with people with physical cognitive or mental disabilities and helping them explore this basic facet of their lives

Sexuality and Disability Maddie Blackburn, 2002 This text aims to increase awareness and knowledge of the issues concerning disability and sexuality It addresses important topics and emphasises physical problems and their associated psychological consequences

Disability and Sexual Health Poul Rohleder, Stine Hellum Braathen, Mark Carew, 2018-07-06 The sexual lives of people with disabilities are rarely discussed It is as if because someone has a biological or psychological impairment they do not exist as a sexual being As such many people with disabilities feel marginalised and powerless not only in their day to day lives but also in their ability to form sexual relationships A range of health issues are raised as a result Illustrated by research drawn from a range of international contexts Disability and Sexual Health A Critical Exploration of Key Issues is the first to examine this important but seldom acknowledged issue Beginning with an understanding of how both disability and sexuality are socially defined phenomena the book discusses the implications for the sexual health of people with disabilities from sexual health education and access to information to STDs and possible sexual exploitation The book concludes with a chapter recommending inclusive practice in line with the aims of the UN Convention on the Rights of People with Disabilities Disability and Sexual Health will be important reading for researchers and students in health psychology critical psychology and the psychology of sexuality gender disability and nursing It will also be of interest to professionals working with people with disabilities in health care and social work

Sexy Like Us Teresa Milbrodt, 2022-07-27 Sexy Like Us Disability Humor and Sexuality takes a humorous intimate approach to disability through the stories jokes performances and other creative expressions of people with disabilities Author Teresa Milbrodt explores why individuals can laugh at their leglessness find stoma bags sexual discover intimacy in scars and flaunt their fragility in ways both hilarious and serious Their creative and comic acts crash collide and collaborate with perceptions of disability in literature and dominant culture allowing people with disabilities to shape political disability identity and disability pride call attention to social inequalities and poke back at ableist cultural norms This book also discusses how the ambivalent nature of comedy has led to debates within disability communities about when it is acceptable to joke who has permission to joke and which jokes should be used inside and outside a community's inner circle Joking may be difficult when

considering aspects of disability that involve physical or emotional pain and struggles to adapt to new forms of embodiment At the same time people with disabilities can use humor to expand the definitions of disability and sexuality They can help others with disabilities assert themselves as sexy and sexual And they can question social norms and stigmas around bodies in ways that open up journeys of being not just for individuals who consider themselves disabled but for all people

Exploring Sexuality and Disability Shanna Katz Kattari,2023-09-01 Offering a current comprehensive and intersectional guide for students practitioners and researchers this book synthesizes existing scholarship on culturally responsive practices that assist in exploring understanding and affirming the sexuality of disabled chronically ill neurodivergent and Mad individuals Drawing on an intersectional framework it integrates insights drawn from an interdisciplinary body of scholarship including psychology social work sociology history political science women and gender studies cultural studies and education along with perspectives from the practitioners who are actively defining the next generation of best practices By highlighting the incredible resilience and resistance of disabled individuals and communities sexuality and sexual well being this book challenges narratives that rely primarily on a one dimensional view derived from the medical model and the view of disability as something to be fixed or at least tolerated rather than celebrated In a world that pathologizes and devalues the sexual existence of disabled individuals it illustrates how to create thriving communities and relationships and how they can organize to find their voice providing a counter narrative of empowerment that fosters hopefulness power and health It will be of interest to all scholars students and professionals across a variety of professions including social work psychology counseling policy healthcare education community organizing and multiple social service settings

Sexuality and Disability , Loneliness and Its Opposite Don Kulick,Jens Rydström,2015-03-13 Few people these days would oppose making the public realm of space social services and jobs accessible to women and men with disabilities But what about access to the private realm of desire and sexuality How can one also facilitate access to that in ways that respect the integrity of disabled adults and also of those people who work with and care for them *Loneliness and Its Opposite* documents how two countries generally imagined to be progressive engage with these questions in very different ways Denmark and Sweden are both liberal welfare states but they diverge dramatically when it comes to sexuality and disability In Denmark the erotic lives of people with disabilities are acknowledged and facilitated In Sweden they are denied and blocked Why do these differences exist and how do both facilitation and hindrance play out in practice *Loneliness and Its Opposite* charts complex boundaries between private and public love and sex work and intimacy and affection and abuse It shows how providing disabled adults with access to sexual lives is not just crucial for a life with dignity It is an issue of fundamental social justice with far reaching consequences for everyone

Sexuality, Disability, and the Law M. Perlin,A. Lynch,2016-01-20 *Sexuality Disability and the Law* approaches issues of sexual autonomy and disability from multiple perspectives including constitutional law international human rights therapeutic jurisprudence history cognitive psychology dignity studies and theories and findings

on gender constructs and societal norms Perlin and Lynch determine that if our society continues to assert that persons with mental disabilities possess a primitive morality we allow ourselves to censor their feelings and their actions By denying their ability and desires to show love and affection we justify this disparate treatment Our reliance on stereotypes has warped our attitudes and our policies and has allowed us to avoid important issues of humanity and of dignity that should be at the basis of any policies that affect this population Dangerous Discourses of Disability, Subjectivity and Sexuality M.

Shildrick,2009-08-28 This innovative and adventurous work now in paperback uses broadly feminist and postmodernist modes of analysis to explore what motivates damaging attitudes and practices towards disability The book argues for the significance of the psycho social imaginary and suggests a way forward in disability s queering of normative paradigms

Diverse Voices of Disabled Sexualities in the Global South Paul Chappell,Marlene de Beer,2018-10-08 This volume aims to critically engage with constructs and experiences of disabled sexualities through Africa Asia Latin America and the Caribbean In doing so it is hoped that the questions raised reflections analyses and arguments will provide readers with a catalyst through which to re think disabled sexualities from the perspective of the Global South What makes this edited volume unique is besides chapters from emerging academics and disability activists who either live or work in the Global South it also includes personal contributions from disabled people across the Global South This volume takes a broad perspective on disabled sexualities addressing such areas as gender race culture colonialism body image sexual pleasure sexuality education sexual access sexual and reproductive health services queer sexualities and sexual rights and justice The volume will be of interest to international and national organisations for people with disabilities gender and sexuality researchers health professionals social workers academics and students at all higher education and training institutions interested in disability gender queer and sexuality studies Sexuality, Disability, and Aging Jane Gallop,2019-01-11

Drawing on her own experiences with late onset disability and its impact on her sex life along with her expertise as a cultural critic Jane Gallop explores how disability and aging work to undermine one s sense of self She challenges common conceptions that equate the decline of bodily potential and ability with a permanent and irretrievable loss arguing that such a loss can be both temporary and positively transformative With *Sexuality Disability and Aging* Gallop explores and celebrates how sexuality transforms and becomes more queer in the lives of the no longer young and the no longer able while at the same time demonstrating how disability can generate new forms of sexual fantasy and erotic possibility *Sexuality and Disability* M. Blackburn,2000

When somebody should go to the ebook stores, search launch by shop, shelf by shelf, it is in reality problematic. This is why we give the ebook compilations in this website. It will unquestionably ease you to see guide **Sexuality And Disability** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. Sexuality And Disability Introduction

In today's digital age, the availability of Sexuality And Disability books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexuality And Disability books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexuality And Disability books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexuality And Disability versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexuality And Disability books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexuality And Disability books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexuality And Disability books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexuality And Disability books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexuality And Disability books and manuals for download and embark on your journey of knowledge?

FAQs About Sexuality And Disability Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sexuality And Disability is one of the best book in our library for free trial. We provide copy of Sexuality And Disability in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sexuality And Disability. Where to download Sexuality And Disability online for free? Are you looking for Sexuality And Disability PDF? This is definitely going to save you time and cash in something you should think about.
