Susan Hillock

Sexuality And People With Intellectual Disability:

Sexuality and People with Intellectual Disability Lydia Fegan, Anne Rauch, 1993 A guide for parents teachers social workers and others working with either children or adults Presents practical suggestions for dealing with such issues as masturbation sexual intercourse sexual health fertility homosexuality HIV AIDS and sexual exploitation Annotation copyright by Book News Inc Portland OR

Already Doing It Michael Gill, 2015-03-27 Why is the sexuality of people with intellectual disabilities often deemed risky or inappropriate by teachers parents support staff medical professionals judges and the media Should sexual citizenship depend on IQ Confronting such questions head on Already Doing It exposes the sexual ableism that denies the reality of individuals who despite the restrictions they face actively make decisions about their sexual lives Tracing the history of efforts in the United States to limit the sexual freedoms of such persons using methods such as forced sterilization invasive birth control and gender segregated living arrangements Michael Gill demonstrates that these widespread practices stemmed from dominant views of disabled sexuality not least the notion that intellectually disabled women are excessively sexual and fertile while their male counterparts are sexually predatory Analyzing legal discourses sex education materials and news stories going back to the 1970s he shows for example that the intense focus on stranger danger in sex education for intellectually disabled individuals disregards their ability to independently choose activities and sexual partners including nonheterosexual ones who are frequently treated with heightened suspicion He also examines ethical issues surrounding masturbation training that aims to regulate individuals sexual lives challenges the perception that those whose sexuality is controlled or rejected should not reproduce and proposes recognition of the right to become parents for adults with intellectual disabilities A powerfully argued call for sexual and reproductive justice for people with intellectual disabilities Already Doing It urges a shift away from the compulsion to manage deviance better known today as harm reduction because the right to pleasure and intellectual disability are not mutually exclusive In so doing it represents a vital new contribution to the ongoing debate over who in the United States should be allowed to have sex reproduce marry and raise children

Four Stories Family Planning Association Resource Unit (NZ Family Planning Association Resource Unit), Judy Duncan, John McRae, New Zealand Family Planning Association, 1997-10-01 A video about personal relationships for people with intellectual disabilities

Sexuality and Relationships in the Lives of People with Intellectual Disabilities Daniel Docherty, Sue Ledger, Louise Townson, Rohhss Chapman, 2014-10-28 Wide ranging authoritative and grounded in the expertise of people with intellectual disabilities this book offers an authentic account of the challenges those with intellectual disabilities face in their relationships and sex lives across the globe and explores what society needs to do to respect their rights

Handbook of Sexuality-Related Measures Clive M. Davis, 1998 Fundamental to understanding human sexual expression is reliable and valid measurement and assessment Many instruments have been developed to measure a myriad of sexuality related states traits behaviours and outcomes Few are easily accessible and the information is

often limited concerning appropriate use and psychometric properties To counter these problems the Handbook of Sexuality Related Measures reproduces more than 200 instruments accompanied by essential information for their use in research educational and clinical settings Each chapter describes the development and appropriate use of each instrument Reliability and validity data are summarized and referenced **Sexuality and Intellectual Disabilities** Andrew Maxwell

Triska,2018-04-17 This book provides a concise overview of sexuality and gender identity in clients with intellectual disabilities for therapists social workers educators and healthcare providers It captures the social political and legal environment of the late 2010s and bridges the gap between research and practice with engaging case examples drawn from the author s own practice Guidance on everyday issues like dating and sex education is juxtaposed with material on complex current issues in topics like LGBTQ inclusion and sexual offending User friendly toolboxes provide brief guides to practical issues like using trans friendly language and providing family interventions Accessible enough for students and trainees but thorough enough for veteran clinicians this book explores issues that professionals face in providing competent care through the lens of justice and inclusion *The Routledge Handbook of Disability and Sexuality* Russell Shuttleworth,Linda

Mona,2020-12-29 This handbook provides a much needed holistic overview of disability and sexuality research and scholarship With authors from a wide range of disciplines and representing a diversity of nationalities it provides a multi perspectival view that fully captures the diversity of issues and outlooks Organised into six parts the contributors explore long standing issues such as the psychological interpersonal social political and cultural barriers to sexual access that disabled people face and their struggle for sexual rights and participation The volume also engages issues that have been on the periphery of the discourse such as sexual accommodations and support aimed at facilitating disabled people s sexual well being the socio sexual tensions confronting disabled people with intersecting stigmatised identities such as LGBTBI or asexual and the sexual concerns of disabled people in the Global South It interrogates disability and sexuality from diverse perspectives from more traditional psychological and sociological models to various subversive and post theoretical perspectives and queer theory This handbook examines the cutting edge and sometimes ethically contentious concerns that have been repressed in the field With current international and comprehensive content this book is essential reading for students academics and researchers in the areas of disability gender and sexuality as well as applied disciplines such as healthcare practitioners counsellors psychology trainees and social workers *The Handbook of Intellectual Disability and Clinical Psychology Practice* Alan Carr,Christine Linehan,Gary O'Reilly,Patricia Noonan Walsh,John McEvoy,2016-04-12

The Handbook of Intellectual Disability and Clinical Psychology Practice will equip clinical psychologists in training with the skills necessary to complete a clinical placement in the field of intellectual disability Building on the success of the previous edition this handbook has been extensively revised Throughout the text references and website addresses and have been updated to reflect important developments since the publication the first edition Recent research findings on the epidemiology aetiology

course outcome assessment and treatment of all psychological problems considered in the book have been incorporated into the text Account has been taken of changes in the diagnosis and classification of intellectual disability and psychological problems reflected in the AAIDD 11 and the DSM 5 New chapters on the assessment of adaptive behaviour and support needs person centred active support and the assessment of dementia in people with intellectual disability have been added The book is divided into eight sections Section 1 Covers general conceptual frameworks for practice diagnosis classification epidemiology and lifespan development Section 2 Focuses on assessment of intelligence adaptive behaviour support needs quality of life and the processes of interviewing and report writing Section 3 Covers intervention frameworks specifically active support applied behavioural analysis and cognitive behaviour therapy Section 4 Deals with supporting families of children with intellectual disability genetic syndromes and autism spectrum disorders Section 5 Covers issues associated with intellectual disability first evident or prevalent in middle childhood Section 6 Deals with adolescent concerns including life skills training relationships and sexuality Section 7 Focuses on residential vocational and family related challenges of adulthood and aging Section 8 Deals with professional issues and risk assessment Chapters cover theoretical and empirical issues on the one hand and practice issues on the other They close with summaries and suggestions for further reading for practitioners and families containing a member with an intellectual disability Where appropriate in many chapters practice exercises to aid skills development have been included The second edition of the Handbook of Intellectual Disability and Clinical Psychology Practice is one of a set of three volumes which cover the lion s share of the curriculum for clinical psychologists in training in the UK and Ireland The other two volumes are the Handbook of Child and Adolescent Clinical Psychology Third Edition by Alan Carr and the Handbook of Adult Clinical Psychology Practice Second Edition edited by Alan Carr Muireann McNulty *The Psychiatry of Intellectual Disability* Ashok Roy, Meera Roy, David Clarke, 2016-07-12 Comprehensive concise and easily accessible this is the first health economics dictionary of its kind and is an essential reference tool for everyone involved or interested in healthcare The modern terminology of health economics and relevant terms used by economists working in the fields of epidemiology public health decision management and policy studies are all clearly explained Combined with hundreds of key terms the skilful use of examples figures tables and a simple cross referencing system between definitions allows the often complex language of health economics to be demystified

Tabbner's Nursing Care Gabby Koutoukidis, Rita Funnell, Karen Lawrence, Jodie Hughson, Kate Stainton, 2009 Tabbner s Nursing Care Theory and Practice is the only Australian and New Zealand textbook written specifically for the enrolled nurse student The new 5th edition of this best selling text has been fully revised and updated throughout to reflect the content of the new National Curriculum Unit 1 The evolution of nursing Unit 2 The health care environment Unit 3 Cultural diversity and nursing practice Unit 4 Promoting psychosocial health in nursing practice Unit 5 Nursing individuals throughout the lifespan Unit 6 The nursing process Unit 7 Assessing health Unit 8 Important component of nursing care Unit 9 Health

promotion and nursing care of the individual Appendices Provided by publisher Handbook of Intellectual Disabilities Johnny L. Matson, 2019-09-03 This handbook offers a comprehensive review of intellectual disabilities ID It examines historical perspectives and foundational principles in the field The handbook addresses philosophy of care for individuals with ID as well as parent and professional issues and organizations staffing and working on multidisciplinary teams Chapters explore issues of client protection risk factors of ID basic research issues and legal concerns In addition chapters include information on evidence based assessments and innovative treatments to address a variety of behaviors associated with ID The handbook provides an in depth analysis of comorbid physical disorders such as cerebral palsy epilepsy and seizures and developmental coordination disorders DCD in relation to ID Topics featured in this handbook include Informed consent and the enablement of persons with ID The responsible use of restraint and seclusion as a protective measure Vocational training and job preparation programs that assist individuals with ID Psychological and educational approaches to the treatment of aggression and tantrums Emerging technologies that support learning for students with ID Key sexuality and relationship issues that are faced by individuals with ID Effective approaches to weight management for individuals with intellectual and developmental disabilities The Handbook of Intellectual Disabilities is an essential reference for researchers graduate students clinicians and related therapists and professionals in clinical child and school psychology pediatrics social work developmental psychology behavioral therapy rehabilitation child and adolescent psychiatry and special education

Sexuality and Relationships in the Lives of People with Intellectual Disabilities Rohss Chapman, 2015 Wide ranging authoritative and grounded in the expertise of people with intellectual disabilities this book offers an authentic account of the challenges those with intellectual disabilities face in their relationships and sex lives across the globe and explores what society needs to do to respect their rights *Exploring Sexuality and Disability* Shanna Katz Kattari, 2023-09-01 Offering a current comprehensive and intersectional guide for students practitioners and researchers this book synthesizes existing scholarship on culturally responsive practices that assist in exploring understanding and affirming the sexuality of disabled chronically ill neurodivergent and Mad individuals Drawing on an intersectional framework it integrates insights drawn from an interdisciplinary body of scholarship including psychology social work sociology history political science women and gender studies cultural studies and education along with perspectives from the practitioners who are actively defining the next generation of best practices By highlighting the incredible resilience and resistance of disabled individuals and communities sexuality and sexual well being this book challenges narratives that rely primarily on a one dimensional view derived from the medical model and the view of disability as something to be fixed or at least tolerated rather than celebrated In a world that pathologizes and devalues the sexual existence of disabled individuals it illustrates how to create thriving communities and relationships and how they can organize to find their voice providing a counter narrative of empowerment that fosters hopefulness power and health It will be of interest to all scholars students and professionals

across a variety of professions including social work psychology counseling policy healthcare education community organizing and multiple social service settings

Intellectual Disability and the Right to a Sexual Life Simon Foley, 2017-09-11 One of the perennial political philosophical questions concerns whether it is ever justifiable for a third party to paternalistically restrict an adult's freedom to ensure their own or society's best interests are protected. Wherever one stands on this debate it remains the case that unlike their non-impaired contemporaries many intellectually disabled adults are subjected to a paternalistic regime of care. This is particularly the case regarding members of this population exercising more control of their sexuality. Utilizing rare empirical data Foucault's theory of power and Kristeva's concept of abjection this work shows that many non-disabled people including family members hold ambivalent attitudes towards people with visible disabilities expressing their sexuality. Through a careful examination of the autonomy paternalism debate this is the first book to provide an original provocative and philosophically compelling analysis to argue that where necessary facilitated sex with prostitutes should be included as part of a new regime of care to ensure that sexual needs are met. *Intellectual Disability and the Right to a Sexual Life* is essential reading for scholars students and policy makers with an interest in philosophy sociology political theory social work disability studies and sex studies. It will also be of interest to anybody who is a parent or a sibling of an adult with an intellectual disability and those with an interest in human rights and disability more generally.

International Handbook of Applied Research in Intellectual Disabilities Eric Emerson, Chris Hatton, Travis Thompson, Trevor Parmenter, 2004-08-13 The landmark *International Handbook of Applied Research in Intellectual Disabilities* presents explains and illustrates key methods of research and evaluation of proven relevance and value to the field of intellectual disabilities. It features sections on the concepts and theoretical models underlying research and evaluation the methods and techniques themselves and the key application areas where the methods are demonstrated in action. Coverage includes applications in educational social family health and employment aspects of care and provision for those with intellectual disabilities.

Handbook of Sexuality-Related Measures Terri D. Fisher, Clive M. Davis, William L. Yarber, 2013-09-13 This classic and invaluable reference Handbook written for sex researchers and their students has now been completely revised in a new edition complete with its own companion website. It remains the only easy and efficient way for researchers to learn about evaluate and compare instruments that have previously been used in sex research. In this third edition of the Handbook 218 scales complete with full descriptions and psychometric data are made available with additional information provided at the companion website for this volume.

When Young People with Intellectual Disabilities and Autism Hit Puberty Freddy Jackson Brown, Sarah Brown, 2016-06-21 Written for parents and carers of young people with an intellectual disability or autism this guide provides answers to the questions that you may have felt too uncomfortable to ask before. Supported by case studies the authors offer professional guidance on supporting and responding to your child's emerging sexuality.

Sexuality and Women with Learning Disabilities Michelle McCarthy, 1999 *Sexuality and Women with*

Learning Disabilities makes a significant contribution to both feminist and disability literature because it challenges common assumptions about the sexuality of people with learning disabilities forces a reconsideration of how this group of people are viewed by those around them and links gender and disability in its analysis Tizard Learning Disability Review By tackling issues that have received little meaningful attention McCarthy both makes a valuable contribution to the literature and provides a useful practical guide to those wishing to support their clients more effectively Mental Health and Learning Disabilities Care The thoroughness and attention to detail with which McCarthy has investigated and written about the sexual lives of a small number of women with mild to moderate learning difficulties is to be commended Drawing upon interviews with the women who participated in this study there is explicit detail about the reality of their sexual lives that overall comes across as sad poignant and often shocking with a high level of sexual abuse revealed however McCarthy has a strong code of ethics and sensitivity and a reflexive honesty about her role and stance as a feminist researcher that removes any possibility or suggestion of prurient voyeurism or exploitation being a part of this research McCarthy writes as a woman with and about women allowing their voices about their sexual experiences to be heard through the medium of in depth interviews Within the book the sexual experiences of women with learning disabilities are set in a wider policy and practice framework and discussed in relation to ideologies surrounding learning disability gender and sexuality in a cultural context The book ends with a chapter discussing and listing policy and practice recommendations including suggestions about changes to the law Overall this was a convincing and compelling book that deserves serious attention and I would strongly recommend it to anyone with an interest in learning disability issues including practitioners carers relatives advocates and counsellors CSPRD Newsletter In this study of women with mild and moderate learning disabilities Michelle McCarthy investigates how these women experience their sexual lives basing her research on interviews with the women themselves She argues the importance of informing the work of those responsible at research practice and policy levels with the voices of people with learning disabilities In the interviews women talk openly about what form their sexual activity takes and what it means for them the circumstances in which it occurs and the pleasures or lack thereof associated with it These interviews directly shape the policy and practice recommendations the author makes Michelle McCarthy's findings suggest that women with learning disabilities commonly find themselves engaged in sexual activity which is not to their liking and not of their choosing A high level of sexual abuse was also reported The author discusses this in relation to the cultural forces which have influenced Western perceptions of sexuality feminism and theories and prejudices about learning disabilities She also studied the impact of institutional and community settings on the sexuality of women with learning disabilities In *Sexuality and Women with Learning Disabilities* McCarthy makes recommendations for policy and practice which will protect this vulnerable group and advises on education support and seeking justice for abused women *Teaching about Sex and Sexualities in Higher Education* Susan Hillock, 2021-08-20 Informed by a social justice lens and featuring Canadian content

and context this edited multi disciplinary book looks at current trends in the teaching of sexuality in higher education including sexual well being positivity diversity mutual consent focuses on the teaching of sexuality in higher education

The Wiley Handbook of Sex Therapy Zoë D. Peterson, 2017-03-13 The Wiley Handbook of Sex Therapy ist ein umfassendes und auf empirischer Basis bearbeitetes Werk zur jüngsten Theorie und Praxis in der psychotherapeutischen Behandlung sexueller Probleme quer durch alle Klientengruppen In vier Abschnitten werden spezifische sexuelle Fehlfunktionen theoretische Ansätze der Sexualtherapie die Arbeit mit der Diversität der Klienten und zukünftige Richtungen in der Sexualtherapie dargestellt Vertritt einen ganzheitlichen Ansatz in der Sexualtherapie fokussiert auf die Anwendung einer Bandbreite psychotherapeutischer Theorien und Techniken mehr als nur auf die gängigen Verhaltensstrategien Fallstudien dokumentieren das breite Spektrum an Zuständen die Klienten erleben können und die Sexualtherapeuten daher im Beratungsraum antreffen Enthält Beiträge von mehr als 60 Experten verschiedenster Fachrichtungen

As recognized, adventure as capably as experience just about lesson, amusement, as without difficulty as settlement can be gotten by just checking out a books **Sexuality And People With Intellectual Disability** moreover it is not directly done, you could allow even more more or less this life, vis--vis the world.

Sexuality And People With Intellectual Disability Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexuality And People With Intellectual Disability has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexuality And People With Intellectual Disability has opened up a world of possibilities. Downloading Sexuality And People With Intellectual Disability provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexuality And People With Intellectual Disability has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexuality And People With Intellectual Disability. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexuality And People With Intellectual Disability. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexuality And People With Intellectual Disability, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexuality And People With Intellectual

Disability has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sexuality And People With Intellectual Disability Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sexuality And People With Intellectual Disability is one of the best book in our library for free trial. We provide copy of Sexuality And People With Intellectual Disability in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sexuality And People With Intellectual Disability. Where to download Sexuality And People With Intellectual Disability online for free? Are you looking for Sexuality And People With Intellectual Disability PDF? This is definitely going to save you time and cash in something you should think about.
