Dulmus**

Sexuality And The Elderly A Research Guide:

Sexuality and the Elderly Bonnie L. Walker,1997-05-12 This literature review was undertaken in order to determine what caregivers needed to know about elderly sexuality to determine the needs of elderly people related to their sexuality and to determine how caregivers could best assist them in meeting those needs In selecting materials to be annotated for this book the first priority was given to empirical studies Also included were articles by prominent practitioners and researchers interested in elderly sexuality literature reviews and books written for the lay population which are often cited in the professional literature In addition to seeking knowledge about elderly sexuality and understanding attitudes about sexuality this literature review sought information about measurement issues and measurement instruments frequently used in research within elderly populations Also of interest were investigations of educational and training programs involving caregivers

Clinical Perspectives on Elderly Sexuality Jennifer L. Hillman,2013-03-14 Throughout my clinical training and practice I have been surprised by the number of times that sexual issues have emerged as an unexpectedly central feature in my work with older adults I can vividly remember my own internal reaction on hearing one of my elderly female patients tell me that she was date raped a few years after the death of her elderly husband when she was 68 years old I can see in my mind s eye the blood splattered on the floor of an inpatient unit from an elderly man who smashed his arm through a window furious that his antidepressant medication made it impossible to climax through masturbation On a much less dramatic but equally important note I think about the elderly amputee who told me softly about his fears of resuming sexual activity with his wife of 25 years I also think about the elderly woman whose inability to take herself shopping to find fashionable comfortable clothes to fit over her hunched shoulders and large breasts helped precipitate a serious depression In sum I learned early on that elderly sexuality is not just about how many times a week someone makes love It is my hope that sharing these experiences and introducing the related theories research and interventions will assist other clinicians in dealing with these often challenging and clinically demanding situations Without my patients this text would not have been possible

Gender, Social Inequalities, and Aging Toni M. Calasanti,Kathleen F. Slevin,2001 The experience of men and women in later life varies enormously not only along lines of gender but also due to ethnicity class sexual orientation and race In this text on gender issues among the aging Calasanti and Slevin explore these differences their genesis their meaning to men and women and their treatment in the policy arena The authors also take to task traditional research on aging and how it ignores these issues The authors cover topics of work and retirement body image sexuality health family relationships and informal care among many others The current research and nuanced theoretical approach presented in this brief book makes it the ideal text to correct the stereotypic and monolithic views of the elderly for courses in gender or aging

Marital and Sexual Lifestyles in the United States Linda P Rouse,2013-12-16 Learn the changing role of sexuality in American life This helpful book offers a solid background in the sociology of family life and personal sexuality Marital and

Sexual Lifestyles in the United States Attitudes Behaviors and Relationships in Social Context is designed to give readers a broad view of the diversity of contemporary U S attitudes behaviors and relationships It also covers basic sociological concepts and research methods Most human sexuality texts focus on the individual whereas texts designed for sociology courses on the family downplay individual sexual expression Marital and Sexual Lifestyles in the United States integrates the two approaches The choices of the individual take on additional meaning when seen within a unified historical statistical and conceptual framework Marital and Sexual Lifestyles in the United States gives readers the tools to consider such pressing issues as Does the divorce rate mean that the institution of marriage is in trouble Are children s futures impaired if they come from single parent households Should same sex couples be allowed to marry How does marriage differ from cohabitation What are the real sexual differences between the genders What is sexual morality How much confidence can we place in studies of human sexuality by such social scientists as Alfred Kinsey and Masters and Johnson These questions and others like them are placed in the context of U S social trends beginning with the 1950s and moving toward today Plentifully illustrated with tables charts and figures that show where we are going as well as where we have been Marital and Sexual Lifestyles in the United States gives a clear perspective on relationships in social context

Sexuality and Aging Jennifer Hillman, 2012-03-27 Despite continuing ageist beliefs that sexuality is a privilege designed only for the young and physically healthy research continues to indicate that the majority of older adults maintain interest in sexuality and may engage in fulfilling sexual behavior well into their last decade of life Unfortunately many professionals remain unaware of general knowledge of elderly sexuality including the expected and normal physiological changes that can occur within the context of both male and female aging The presence of chronic illness and other medical problems certainly can influence the expression of an aging adult s sexuality and emergent research suggests that there are effective ways to cope with menopause heart disease arthritis incontinence diabetes sleep disorders breast cancer prostate cancer and erectile dysfunction ED among others Dramatic changes have taken place within the last decade alone in terms of non surgical treatment for incontinence and ED with forms of sex therapy biofeedback and PDE 5 inhibitors Regrettably many aging adults and their care providers remain unaware of their increased risk factors for STDs including HIV infection via lack of knowledge changes in the vaginal lining and typical declines in immune function Estimates suggest that by the year 2020 more than half of all individuals living with HIV will be over the age of 50 Although some high quality professional books are available for clinicians they tend to be disjointed research bibliographies edited volumes on a narrowly focused aspect of elderly sexuality or texts that are more than 10 years old With the extent of new information available regarding sexuality and aging an up to date empirically based text is necessary

Agewise Margaret Morganroth Gullette, 2013-10-21 Let s face it almost everyone fears growing older We worry about losing our looks our health our jobs our self esteem and being supplanted in work and love by younger people It feels like the natural inevitable consequence of the passing years But what

if it is not What if nearly everything that we think of as the natural process of aging is anything but In Agewise renowned cultural critic Margaret Morganroth Gullette reveals that much of what we dread about aging is actually the result of ageism which we can and should battle as strongly as we do racism sexism and other forms of bigotry Drawing on provocative and under reported evidence from biomedicine literature economics and personal stories Gullette probes the ageism that drives discontent with our bodies our selves and our accomplishments and makes us easy prey for marketers who want to sell us an illusory vision of youthful perfection Even worse rampant ageism causes society to discount and at times completely discard the wisdom and experience acquired by people over the course of adulthood The costs both collective and personal of this culture of decline are almost incalculable diminishing our workforce robbing younger people of hope for a decent later life and eroding the satisfactions and sense of productivity that should animate our later years Once we open our eyes to the pervasiveness of ageism however we can begin to fight it and Gullette lays out ambitious plans for the whole life course from teaching children anti ageism to fortifying the social safety nets and thus finally making possible the real pleasures and opportunities promised by the new longevity A bracing controversial call to arms Agewise will surprise enlighten and perhaps most important bring hope to readers of all ages Handbook of Clinical Behavior Therapy with the Elderly Client Patricia A. Wisocki, 2013-11-21 Although we speak of the elderly as if there were one body of people with common characteristics older adults are more heterogeneous than any other population People over the age of 65 are also the fastest growing segment of the population in the United States currently numbering 25 million The majority of older adults reside in their communities a small fraction of them are cared for in institutions Most may expect to experience some kind of physical impairment Approximately a quarter of the population may expect to suffer a mental health impairment While traditional therapies have not been especially effective for older adults behavior therapy has shown exceptional promise as a treatment modality This book presents a comprehensive explication of the relatively new field of behavioral gerontology It was written for the clinician interested in the interaction of medical environmental and psychological variables and their effects on treatment of elderly clients and for the researcher who will be looking to extend knowledge about interventions with this population It will be useful for the graduate student in clinical psychology as well as the experienced clinician who will want to include the elderly in his or her therapeutic population Handbook of Gender and Sexuality in Psychological Assessment Virginia Brabender, Joni L Mihura, 2016-02-05 Handbook of Gender and Sexuality in Psychological Assessment brings together two interrelated realms psychological assessment with gender and sexuality This handbook aids in expanding the psychological assessors knowledge and skill when considering how gender and sexuality shapes the clients and the assessors experiences Throughout the six sections gender and sexuality are discussed in their relation to different psychological methods of assessment various psychological disorders special considerations for children adolescents and older adults important training and ethical considerations as well as several in depth case discussions **Adult-Gerontology Practice**

Guidelines, Second Edition Jill C. Cash, Cheryl A. Glass, 2019-02-05 Praise for the First Edition Because of the way it is organized this book meets the needs of both novice and experienced advance practice nurses Each chapter defines the problem how often it occurs and what leads to the problem To aid in assessment the book includes the physical examination landmarks as well as diagnostic tests that might be needed A plan of care is offered with several different alternatives for treatment and then notes what type of follow up is needed This would be a great resource for anyone working in the field of geriatrics Score 92 4 Stars Doody's Reviews The first book to encompass adult gerontology practice guidelines for primary care this comprehensive resource is useful as both a clinical reference and as a text for health care practitioners working with this population Concise and up to date the book is distinguished by its easy to read outline format that enables readers to quickly access the information they need The second edition features 27 completely new entries associated with the aging population an entirely new section on geriatric syndromes and multiple updates to guideline changes for screenings Polypharmacy issues are incorporated throughout and the BEERS list of medications is highlighted to guide prescribers in safely tapering or adding medications to a patient's drug regimen For quick and easy access to information practice guidelines are organized primarily by body system disorders are listed alphabetically within each body system and all disorders are presented in a consistent format With an emphasis on history taking the physical exam and key features of the aging population each of the more than 240 disorder guidelines include definition incidence pathogenesis predisposing factors common complaints other signs and symptoms subjective data physical exam diagnostic tests differential diagnoses plan of care health promotion follow up guidelines and tips for consultation referral Particularly helpful features include Practice Pointers highlighting crucial information for a disorder and bold faced Alerts Key patient teaching points are presented at the end of each guideline Also included are 18 procedures commonly used within office or clinic settings and 140 Patient Teaching Guides that are available digitally New to the Second Edition 27 completely new entries New section on geriatric syndromes Polypharmacy alerts are incorporated throughout BEERS list of medications is highlighted for each disorder Updated guidelines for various screenings Medicare Coverage and Eligibility Screening U S Preventative Services Task Force recommendations on colonoscopy screening mammogram guidelines pap smears and pelvic examinations Deprescribing Algorithms ASCCP Algorithms Key Features Focuses specifically on adult and older adult populations Presented in easy to read outline format for quick access to information Delivers consistent presentation of more than 240 disorders by body system Reviews 17 commonly used procedures step by step Provides Practice Pointers to indicate important care points Offers digital access to more than 140 extensive Patient Teaching Guides to customize and print

Comprehensive Handbook of Psychopathology Henry E. Adams, 2013-12-18 The major purpose of this handbook is to provide a comprehensive review of current clinical descriptions research and theories of psychopathology Descriptive psychopathology is a field that is the foundation of clinical practice and research in clinical psychology psychiatry psychiatric social work psychiatric nursing and allied professions in mental health Psychopathology is often perceived as a stepchild of the more glamorous areas of diagnosis or assessment and therapy or behavioral change Nevertheless it is doubtful that any meaningful advancements in these areas will occur until there is a thorough understanding of the behavioral disorders The purpose of the present project was to devise a handbook that covered both general and specific topics in psychopathology and that would be useful to researchers practitioners and graduate or other advanced students in the mental health professions In order to implement this plan we selected very carefully colleagues whom we respect for their expertise in particular fields These include both clinicians and researchers with outstanding national reputations as well as more junior behavioral scientists and clinicians who in our opinion will achieve similar recognition in the future The chapters in this book lead us to believe that we have chosen wisely We would like to express our appreciation to these authors for their outstanding contributions and cooperation

Sexuality Education Elizabeth Schroeder, Judy Kuriansky, 2009-04-30 An exemplary team of professionals provides a comprehensive look at sex education the heated debate over federal controls current research and practice programs politics legislation and cultural and religious issues related to sex and sexuality education In the groundbreaking Sexuality Education Past Present and Future the history practices and politics of sexuality education are explained Respected educators counselors and therapists marshal both research and educated opinion to offer insights into exactly what is meant by sex education what the various approaches are what age appropriate lessons are supported by most professionals and the impact of government policies Noting that the need for sexuality education has expanded to adults from new parents to senior citizens this unique work also takes readers into classrooms and makes them privy to conversations representing everyone from elementary school students to nursing home residents These comments reveal the range of unanswered questions about sex questions that are important for psychological as well as physical health In addition the contributors explore ongoing issues in sexuality education such as how to present culturally competent lessons that include consideration of race ethnicity gender religion and sexual orientation The experts also examine sexuality education in other countries the challenges those countries face and their victories over unplanned pregnancy and STDs in the global effort to preserve sexual health

Sexuality And The Elderly A Research Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexuality And The Elderly A Research Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexuality And The Elderly A Research Guide has opened up a world of possibilities. Downloading Sexuality And The Elderly A Research Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexuality And The Elderly A Research Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexuality And The Elderly A Research Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexuality And The Elderly A Research Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexuality And The Elderly A Research Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexuality And The Elderly A Research Guide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sexuality And The Elderly A Research Guide Books

What is a Sexuality And The Elderly A Research Guide PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sexuality And The Elderly A Research Guide PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sexuality And The Elderly A Research Guide PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sexuality And The Elderly A Research Guide PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sexuality And The Elderly A Research Guide PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
