**Chinese Family and Marriage in Singapore** Maurice Freedman,1970      **The Contemporary Family in Singapore** Eddie C. Y. Kuo,Aline K. Wong,1979 Twelve essays on the sociology of the family in Singapore in the modern period

**Issues of Law and Justice in Singapore** Daniel Koh,Kiem-Kiok Kwa,2009      Family and Population Changes in Singapore Wei-Jun Jean Yeung,Shu Hu,2018-04-17 This book depicts the evolution of Singapore s family and population landscape in the last half a century the related public policies and future challenges Since the country gained independence in 1965 family and population policies have been integral to her nation building strategies The chapters discuss the changes in population compositions family structures relations and values among major ethnic groups They also discuss policies for vulnerable populations such as female headed households cross cultural families same sex partnering the elderly and low income families

**Marriage Dissolution in Singapore** Paulin Straughan,2009-01-31 The meanings of marriage and divorce have shifted significantly in the past few decades particularly in economies in Asia where rapid economic growth has transformed the social fabric This book arises from possibly the most comprehensive study of divorce done in Singapore The study highlights the root causes of divorce and focuses on the impact of changing ideologies on marital stability Themes that surfaced in the appreciation of why some marriages fail include women s changing expectations and their roles in the family courtship expectations and the role of romantic love parenthood demands and work stressors The discussions are drawn from data collected from a large scale representative survey of a study group comprising dissolved marriages as well as a control group of intact marriages Scholars investigating marriage and family in Asia will find the rich data content useful The sociological insight makes the book a relevant read for all interested in family dynamics

**Singapore's Multiculturalism** Chan Heng Chee,Sharon Siddique,2019-03-15 Since independence in 1965 Singapore has developed its own unique approach to managing the diversity of Race Religion Culture Language Nationality and Age among its citizens This approach is a consequence of many factors including its very distinct ethnic makeup compared with its neighbours its ambitions as a globally oriented city state and its small physical size Each of these factors and many others have presented Singapore society with a range of challenges and opportunities and will in all likelihood continue to do so for the foreseeable future In the writing of this book the author team set themselves the task of projecting the impact of current domestic and international social trends into the future to anticipate what Singapore society might look like by around 2040 In doing so they analyse the particular path that Singapore has taken since independence in comparison with other multicultural societies and with regard to the balance between the necessity of forging a new national identity after British rule and departure from Malaysia and the need to ensure that Singapore s ethnic minority populations remain socially enfranchised They further consider how current trends may develop over the next couple of decades what new challenges this may present to Singapore society and what might be the likely responses to such challenges In this book Singapore is a case study of a

global city facing the challenges of developed world modernity in frequently acute ways      *Families in Asia* Stella Quah, 2008-09-15 This fully updated second edition provides a unique and comparative analysis of family trends in Asia by focusing on the most relevant and significant aspects of family from the process of dating to the impact of economic development on homes and family life as they are experienced across Asia      **Migration and Marriage in Asian Contexts** Zheng Mu, Wei-Jun Jean Yeung, 2021-11-29 This book analyses how Asian migrants adapt and assimilate into their host societies and how this assimilation differs across their sociodemographic backgrounds ethnic profiles and political contexts The diversities in Asian migrants assimilation trajectories challenge the assumption that given time migrants will eventually integrate holistically into their host societies This book captures the diverse patterns and trajectories of assimilation by going beyond marriage migration to look at how family formation processes are shaped by migration driven by reasons other than marriage Using quantitative qualitative and mixed method analyses not only does this book uncover the nuances of the link between marriage and migration but it also widens methodological repertoires in research on marriage and migration It also captures various social outcomes that may have been influenced by migration including migrants economic well being cultural assimilation subjective well being and gender inequality vis vis marriages This book further embeds the studies in the Asian contexts by drawing on individual countries unique policies relevant to cross cultural marriages the persistent impacts of extended families the patriarchal traditions and systems of religion and caste The chapters in this book were originally published as a special issue of the Journal of Ethnic and Migration Studies      **Singapore Eurasians: Memories, Hopes And Dreams** Alexius A Pereira, Myrna Braga-blake, Ann Ebert-oehlers, 2016-12-21 Singapore Eurasians Memories Hopes and Dreams offers insight into the Singapore Eurasian community one of Singapore s minority communities Though small the Eurasian community has undoubtedly played a big part in Singapore s nation building This book is the definitive record of Eurasian history and heritage in Singapore and serves to educate the younger generation of Eurasians about their roots the community s achievements and its collective hopes and dreams for the future as well as provide a useful resource for others to learn more about the Eurasian community In addition Singapore Eurasians Memories Hopes and Dreams also covers the growth and developments of the Eurasian community within the last 25 years and how the Eurasian Association EA as a Self Help Group since 1994 has been helping the less fortunate through its programmes as well as being the main force in driving the preservation and sharing of the Eurasian culture for its future generations In preserving the history and heritage as well as expressing the hopes and dreams of the Singapore Eurasian community this book is an effort in contributing to the country s continued multiracial harmony and appreciation of the many elements that make up Singapore s story      *Bangladeshi Migration to Singapore* Md Mizanur Rahman, 2017-03-07 This book examines international labour migrants in the context of South South migration with a focus on Bangladeshi migration to Singapore Two principal questions in the South South migration are addressed Why and how individuals migrate for work and what impact this

temporary form of migration has for migrants and their families The book adopts a relatively new methodological approach to labour migration by linking different phases that migrants undergo in the migration process and by combining migrants in the host country with their families in the origin country This is achieved through identifying and addressing six key areas i migration policy ii social imperatives of migration iii recruitment iv social worlds of the migrants v remittance process and finally vi family development dynamics This book introduces the bari to migration research as a unit of analysis over and above individual and family units The book reveals how social and cultural forces both initiate and perpetuate migration and later on influence bari dynamics

Routledge Handbook of Families in Asia Stella R. Quah, 2015-03-24 Research on the family has expanded considerably across Asia but studies tend to be fragmented focusing on narrow issues within limited areas cities towns small communities and may not be accessible to international readers These limitations make it difficult for researchers students policy makers and practitioners to obtain the information they need The Routledge Handbook of Families in Asia fills that gap by providing a current and comprehensive analysis of Asian families by a wide range of experts in a single publication The thirty two chapters of this comparative and multi disciplinary volume are organized into nine major themes conceptual approaches methodological issues family life in the context of culture family relationships across the family life cycle issues of work and income stress and conflict family diversity family policy and laws and environmental setting of homes Each chapter examines family life across Asian countries studying cultural similarities and differences and exploring how families are changing and what trends are likely to develop in the future To provide a fruitful learning experience for the reader each chapter offers examples relevant data and a comprehensive list of references Offering a complete interdisciplinary overview of families in Asia the Handbook will be of interest to students academics policy makers and practitioners across the disciplines of Asian Studies Sociology Demography Social Work Law Social Policy Anthropology Geography Public Health and Architecture

**Marriage Migration, Family and Citizenship in Asia** Tuen Yi Chiu, Brenda S.A. Yeoh, 2023-06-06 Amidst the increasing global trend of cross border marriage migration this book offers timely theoretical and empirical insights into contemporary debates about migration and citizenship Extant scholarship on marriage migration and citizenship have concentrated on East West inter cultural marriages and tended to approach citizenship as an individual centred concept linked to the nation state thus fading the family into the background Focusing on cross border marriages within Asia a region where collectivist and familistic values are still prevalent this book points to the importance of going beyond the state individual nexus to conceptualise and foreground the family as a strategic site where citizenship is mediated negotiated and

experienced Through six critical and in depth case studies on cross border marriages between East Southeast and South Asia this book reveals how nation states mobilize patriarchal notions of the family for its citizenship project how formal frameworks of citizenship structure the trajectory and circumstances of cross border families how the repercussions of marriage migrants citizenship are experienced and negotiated across generations and how the tensions between the individual the family and the state are produced along gender class race ethnic religious cultural geographical and generational boundaries Collectively this book calls for a rethinking of citizenship from an individual centred proposition to a family level concept Its wealth of case studies and examples make it an essential resource for students academics and researchers of Sociology Geography Anthropology Politics International Development Studies and Asian Studies The chapters in this book were originally published as a special issue of Citizenship Studies

**Choice of Law and Recognition in Asian Family Law** Anselmo Reyes, Wilson Lui, Kazuaki Nishioka, 2023-10-05 This thematic volume in the series Studies in Private International Law Asia outlines the general choice of law and recognition rules relating to family matters of 15 Asian jurisdictions Mainland China Hong Kong Taiwan Japan South Korea Singapore Malaysia Vietnam Cambodia Myanmar the Philippines Indonesia Thailand Sri Lanka and India The book examines pressing questions and proposes ways in which their systems may be reformed A concluding chapter considers the extent to which Asian cross border family law systems can and should be harmonised The book provides a comprehensive analysis of cross border family law challenges including child surrogacy child abduction the recognition of same sex unions the recovery of maintenance and the regulation of intercountry adoption These are among the matters now testing Asian institutions of private international law and acting as forces for their modernisation With contributions by leading Asian private international law experts the book proposes necessary reforms for each of the jurisdictions analysed as well as for Asia as a whole

**Remaking Families in Contemporary China** Xiaoying Qi, 2021-05-03 In Remaking Families in Contemporary China Xiaoying Qi explores a number of emerging family practices in China Drawing upon 178 in depth interviews with both men and women of all ages she examines novel aspects of family life including surnaming practices the migration of elderly parents from rural areas to urban environments spousal intimacy divorce and remarriage and co habitation in later life

**Southeast Asian Kinship, Marriage, and Family Systems** Anthony R. Walker, 1991

**Singapore Women's Charter** Leong Wai Kum, 2011 Prof Leong Wai Kum not only demystifies the provisions of the Women s Charter she also situates the Charter in Singapore s political context at the time The author gives a balanced view of the Charter by highlighting the progressive provisions as well as its shortcomings Outstanding is her personal view that the Charter provides a moral view of marriage as being an equal cooperative partnership of different efforts She also holds the view that the Charter elevates the status of women as it gives equal importance to women s unpaid work and men s paid work The Charter enshrines and elevates the institution of marriage At the same time it also gives the reader an impression of the state s approach to familial relationships This is a must read book

for those who are interested in gender issues Cheng U Wen Lena Founder Member and 1st President of AWARE The author affirms the primacy of the Women s Charter as a radically progressive legislation ahead of its time in the ideals that guided the drafters and in regulating family law in Singapore It provides thoughtful practical suggestions invaluable insights rationalises the provisions of the Charter comments on its many strengths and some of its shortcomings Perhaps the most valuable and appealing insight that the author highlights is that the Charter offers a moral message that calls on men and women to treat each other as equal partners discharge their obligation jointly and generally behave with consideration towards one another I would encourage all those planning to get married to study The Singapore Women s Charter 50 Questions Constance Singam Writer Social Activist Past President of AWARE The Women s Charter is arguably one of Singapore s most important pieces of legislation as it fundamentally altered the social fabric of the country It also has a very real and direct impact on the lives of many Singaporeans today This book is therefore to be warmly welcomed as it deals with 50 questions that are commonly asked about the Women s Charter Written in a clear succinct and yet scholarly manner by Singapore s leading family law academic the book will be helpful to Singaporeans who either need to understand the Charter better or who have an interest in how the law seeks to regulate the institution of marriage in Singapore Prof Tan Cheng Han Dean of Law Faculty National University of Singapore This book is a clear and concise guide to how the Women s Charter protects women and families in Singapore It looks behind and beyond the word of the law to consider the effect and effectiveness of the statute Undoubtedly the book is a useful tool for understanding how this legislation helps strengthen and preserve the Singapore family Laura Hwang President Singapore Council of Women s Organisations [Encyclopedia of Diasporas](#) Melvin Ember,Carol R. Ember,Ian Skoggard,2004-11-30 Immigration is a topic that is as important among anthropologists as it is the general public Almost every culture has experienced adaptation and assimilation when immigrating to a new country and culture usually leaving for what is perceived as a better life Not only does this diaspora change the country of adoption but also the country of origin Many large nations in the world have absorbed and continue to absorb large numbers of immigrants The foreseeable future will see a continuation of large scale immigration as many countries experience civil war and secessionist pressures Currently there is no reference work that describes the impact upon the immigrants and the immigrant societies relevant to the world s cultures and provides an overview of important topics in the world s diasporas The encyclopedia consists of two volumes covering three main sections Diaspora Overviews covers over 20 ethnic groups that have experienced voluntary or forced immigration These essays discuss the history behind the social economic and political reasons for leaving the original countries and the cultures in the new places Topics discusses the impact and assimilation that the immigrant cultures experience in their adopted cultures including the arts they bring the struggles they face and some of the cities that are in the forefront of receiving immigrant cultures Diaspora Communities include over 60 portraits of specific diaspora communities Each portrait follows a standard outline to facilitate

comparisons The Encyclopedia of Diasporas can be used both to gain a general understanding of immigration and immigrants and to find out about particular cultures topics and communities It will prove of great value to researchers and students curriculum developers teachers and government officials It brings together the disciplines of anthropology social studies political studies international studies and immigrant and immigration studies

**Social Change and Educational Problems in Japan, Singapore and Hong Kong** W. Lee, 1991-05-24 The spectacular economic and technological achievements of certain Far Eastern countries have attracted world wide attention The markets of the West are dominated by the products of countries with no traditions of industrialisation and few natural resources The reaction to this phenomenon has been a mixture of amazement admiration envy and curiosity to know how it was done This book addresses these questions through a study of the modernisation of three of the most successful Asian societies Japan Singapore and Hong Kong

The Making of Singapore Sociology Tong Chee-Kiong, Lian Kwen-Fee, 2021-11-08 This book presents a collection of essays of how the city state of Singapore's societal dynamics have evolved from the time of its birth as a nation in 1965 to the present Key areas of Singapore society are explored contributing to the understanding of the social organisation of the city This study reveals a shift from the modernisation studies in the 1970s to a more political economic turn as a consequence of the influence of dependency and world systems theories Topics covered include urban studies family education medical care class and social stratification work language ethnic groups religion and crime and deviance
