The Diffusion of E-commerce in Developing Economies Zeinab Karake-Shalhoub, Lubna Al Qasimi, 2007-01-01 Business managers in developing countries would find in this volume a solid background to e commerce at large and to its significance within a wider framework of a resource based view of their business and of the national economic settings within which they operate The book is of special importance to the academic community of Internet students as well as for those interested in economic development by providing a pioneering insight into the issue of e commerce in developing countries which may emerge strongly in the upcoming years Aharon Kellerman Growth and Change Undoubtedly an important contribution E commerce is a technology which holds the possibility of levelling the global trading playing field This book provides a necessary review of current issues in e commerce in developing economies and a useful collection of good practice and solid theory for scholars policymakers and professionals John Peters Emerald Group Publishing Limited UK This is a road map of some of the challenges governments and companies face in terms of physical and human infrastructure as countries wrestle with a rapidly changing commercial environment As the virtual world conquers ever more of the material world countries that adapt and adopt to a cyber reality will likely do better If you are doing business or setting policy in a developing country you want to understand and address the issues raised in this book Juan Enriquez CEO Biotechnomy US and author of The Untied States of America and As the Future Catches You The authors of this unique volume provide a timely and valuable perspective on how technology and the Internet revolution are changing business and spurring development across the world especially in emerging countries Utilizing a framework grounded in rigorous theory they provide a fine grained understanding of electronic commerce adoption processes by public and private sector entities in developing countries In so doing they consider how each exchange encounter is shaped by and in turn shapes relational characteristics that form the basis for growth and development Using a resource based view of economies the authors hypothesize that differences in the adoption of electronic commerce technologies in developing economies can be attributed to a sense and respond capability of governments with respect to new technologies which they term technological opportunism One of their main objectives is to establish the distinctiveness of technology opportunities from related constructs such as innovativeness and show that it offers a significantly better explanation of technology adoption and diffusion than do existing constructs The book examines a number of developing countries experiences with electronic government bringing real life experience to the adoption of an e government model by looking at the issue from strategic as well as operational perspectives The volume s ground breaking research and conclusions will be of great interest to professionals researchers and students in the areas of e commerce and economic development government officials of developing and newly industrialized countries contemplating e government initiatives and information technology managers

Information Technology in Asia Chia Siow Yue, Jamus Jerome Lim, 2002

The information and communications technology ICT revolution that swept the world through the 1990s has impacted the economic political and social structures of countries throughout Asia These have presented themselves both as digital opportunities as well as challenges This volume presents a collection of papers by scholars on the new development paradigms afforded by this new technology from the experience of the software capital of Bangalore to the policy dilemmas faced by transition economies such as Vietnam *Emerging Markets and E-Commerce in Developing Economies* Rouibah, Kamel, Khalil, Omar E. M., Hassanien, Aboul Ella, 2008-10-31 This book provides researchers readers with a synthesis of current research on developing countries experience with e commerce Provided by publisher **Trade in services and e-commerce** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Commerce, Trade, and Consumer Protection, 2003 **Judiciary-led Reforms in Singapore** Waleed Haider Malik, 2007-01-01 While each countrys judiciary is unique in its individual needs capabilities and contexts the lessons learned from Singapores success can help guide judicial reform initiatives regionally as well as globally No one would suggest that Singapores strategy is a magic formula that if followed can erase the inefficiencies of all judiciaries But it would be wise to examine the strategies used and lessons learned from Singapores experience as a potential guide towards successful and sustainable judicial reform

Consumer Protection in Asia Geraint Howells, Hans-W. Micklitz, Mateja Durovic, André Janssen, 2022-08-25 This book looks at the consumer protection offered in a range of Asian countries for example China Japan and South Korea in key areas such as consumer sales law unfair terms product liability and unfair commercial practices However it is interesting to note that consumer protection is on the rise everywhere and to compare how this differs depending upon the legal cultures It is also fascinating to reflect on the influence of models for law reform such as the EU laws ASEAN has also affected the development of consumer policy for its member states The book takes the form of national reports which explain the development of the law and also shed light on how the law works in practice The book also contains thematic reports which look at each area of the law from a comparative perspective Commentators from around the globe reflect on their impression of Asian consumer law based on their own differing legal systems and benchmarks A must read for anyone with an interest in consumer law in Asia and beyond this book will form the basis of further research and discussion internationally
