Shack Out On 101:

The Red and the Black Robert Miklitsch, 2016-12-07 Critical wisdom has it that we said a long goodbye to film noir in the 1950s Robert Miklitsch begs to differ Pursuing leads down the back streets and alleyways of cultural history The Red and the Black proposes that the received rise and fall narrative about the genre radically undervalues the formal and thematic complexity of 50s noir and the dynamic segue it effected between the spectacular expressionism of 40s noir and early modernist neo noir Mixing scholarship with a fan s devotion to the crooked roads of critique Miklitsch autopsies marquee films like D O A Niagara and Kiss Me Deadly plus a number of lesser known classics Throughout he addresses the social and technological factors that dealt deuce after deuce to the genre its celebrated style threatened by new media and technologies such as TV and 3 D color and widescreen its born losers replaced like zombies by All American heroes the nation rocked by the red menace and nightmares of nuclear annihilation But against all odds the author argues inventive filmmakers continued to make formally daring and socially compelling pictures that remain surprisingly startlingly alive Cutting edge and entertaining The Red and the Black reconsiders a lost period in the history of American movies *TCM Underground* Millie De Chirico, Quatoyiah Murry, 2022-10-25 Based on the Turner Classic Movies series TCM Underground is the movie lover s guide to 50 of the most campy kitschy shocking and weirdly wonderful cult films you need to see In the pages of this book you ll explore this unique order of films primarily from the 1960s 70s and 80s with insightful reviews behind the scenes stories subgenre sidebars and full color and black and white photography throughout Go along for the ride with new takes on crime films including The Honeymoon Killers and The Harder They Come Witness one of a kind horror in Bill Gunn s landmark vampire film Ganja and Hess and Nobuhiko Obayashi s infamous and indescribable Hausu Absorb the boundary pushing documentary style trilogy The Decline of Western Civilization which throws you into indelible moments in the punk and metal music scenes And marvel at pure 80s oddities like Mac and Me and The Garbage Pail Kids From Possession to Polyester and Beyond the Valley of the Dolls to Xanadu no two films are alike in this compendium Just sit back and prepare to be surprised amused and entertained by this celebration of the stars filmmakers and stories behind fifty of the most beguiling and unforgettable movies ever to hit the screen *Film Noir* William Luhr, 2012-03-05 Film Noir offers new perspectives on this highly popular and influential film genre providing a useful overview of its historical evolution and the many critical debates over its stylistic elements Brings together a range of perspectives on a topic that has been much discussed but remains notoriously ill defined Traces the historical development of the genre usefully exploring the relations between the films of the 1940s and 1950s that established the noir universe and the more recent films in which it has been frequently revived Employs a clear and intelligent writing style that makes this the perfect introduction to the genre Offers a thorough and engaging analysis of this popular area of film studies for students and scholars Presents an in depth analysis of six key films each exemplifying important trends of film noir Murder My Sweet Out of the Past Kiss Me Deadly The Long Goodbye

Of Treason, God and Testicles Kathleen Starck,2016-05-11 Gender in general and masculinity in particular might not be the first associations the mind produces when presented with the subject matter of the Cold War More likely contenders would be the arms race or the ideological dichotomy of Communism versus Capitalism However recent research has established beyond a doubt that the politics and diplomacy of the superpower conflict were not only strongly influenced by beliefs about gender but simultaneously also generated them In fact in a social climate where gender conformity was considered as crucial as ideological conformity the conflict gave rise to what might be called distinctive Cold War masculinities At the same time the socio historical context of the Cold War markedly shaped the cinemas of one of the main Cold War players the United States and of its close ally Great Britain Both film industries produced films overtly or covertly depicting the Cold War characterised by propaganda coercion and resistance to varying degrees Integrating these findings from the fields of masculinity studies and cultural Cold War studies this book analyses in what shape the interplay between widespread political and ideological Cold War convictions and Cold War notions of masculinity found its way onto British and American cinema screens of the early Cold War **Hollywood's Cold War** Tony Shaw,2007 Published at a time when

American filmmakers are deeply involved in the War on Terror this authoritative and timely book offers the first comprehensive account of Hollywood's propaganda role during the defining ideological conflict of the 20th century the Cold War

The Columbia Companion to American History on Film Peter C. Rollins, 2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as *The Birth of a Nation* 1915 *Roots* 1977 *Apocalypse Now* 1979 and *Saving Private Ryan* 1998 how much is entertainment and how much is rooted in historical fact In *The Columbia Companion to American History on Film* more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject *The Columbia Companion to American History on Film* is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message

Lee Marvin Robert J. Lentz, 2015-09-15 Lee Marvin did not receive his first starring film role until he was 40 but in three short years following the successes of *Cat Ballou* for which he won the Academy Award as Best Actor *The Professionals* and especially *The Dirty Dozen* he was the most popular film actor in America Marvin was a fascinating man a loving husband and father and one of the most natural effective actors of his time This is a comprehensive reference of the Oscar winning actor's work It includes biographical information on Marvin an analysis of each of his 64 movies chapters on his two television shows *M Squad* and *Lawbreaker* a listing of his television appearances and a complete filmography which includes video availability The work is supplemented with dozens of photographs and film stills

Lovers of Cinema Jan-Christopher Horak, 1995 Marshaling his broad cinematic and cultural knowledge editor Jan Christopher Horak has compiled in *Lovers of Cinema* a groundbreaking group of articles on this neglected film period With one exception all are original to this volume and many are the first to treat comprehensively such early filmmakers as Mary Ellen Bute Theodore Huff and Douglass Crockwell Also included in the book is a listing of all American avant garde films produced in the years before World War II as well as a bibliography of the most relevant criticism
