

The book cover features a dark, moody background with a central, ornate, reddish-brown gothic archway. The archway is flanked by various autumnal flowers and foliage, including white hydrangeas, purple roses, and green leaves. The overall color palette is rich and dark, with deep reds, purples, and greens.

Shade Of The Moon Cross

Robin D. Gill

Shade Of The Moon Cross:

Cherry Blossom Epiphany -- The Poetry and Philosophy of a Flowering Tree Robin D. Gill, 2006-10 Cherry Blossom Epiphany the poetry and philosophy of a flowering tree a selection translation and lengthy explication of 3000 haiku waka senry and ky ka about a major theme from I P O O H In Praise Of Olde Haiku by robin d gill 1 Haiku Translation from Japanese to English 2 Japanese poetry 8c 20c waka haiku and senry 3 Natural History flowering cherries 4 Japan Culture Edo Era 5 Nonfiction Literature 6 Translation applied 7 You tell me If the solemn yet happy New Year s is the most important celebration of Japanese Yamato ethnic culture and the quiet aesthetic practice of Moon viewing in the fall the most elegant expression of Pan Asian Buddhism religion the subject of this book Blossom viewing which generally means sitting down together in vast crowds to drink dance sing and otherwise enjoy the flowering cherry in full bloom is less a rite than a riot a word originally meaning an uproar The major carnival of the year it is unusual for being held on a date that is not determined by astronomy astrology or the accidents of history as most such events are in literate cultures It takes place whenever the cherry trees are good and ready Enjoyed in the flesh the blossom viewing or hanami is also of the mind so much so in fact that poetry is often credited with the spread of the practice over the centuries from the Imperial courts to the maids of Edo Nobles enjoyed link verse contests presided over by famous poet judges Hermits hung poems feting this flower of flowers to say the generic flower hana in Japanese connotes cherry on strips of paper from the branches of lone trees where only the wind would read them In the Occident too flowers embody beauty and serve as reminders of mortality but there is no flower that like the cherry blossom stands for all flowers Even the rose by any name cannot compare with the sakura in depth and breadth of poetic trope or viewing practice In *Cherry Blossom Epiphany* Robin D Gill hopes to help readers experience metaphysically some of this alternative world Haiku is a hyper short 17 syllabet or 7 beat Japanese poem directly or indirectly touching upon seasonal phenomena natural or cultural Literally millions of these ku have been written some perhaps many times about the flowering cherry sakura and the human activity associated with it blossom viewing hanami As the most popular theme in traditional haiku haikai cherry blossom ku tend to be overlooked by modern critics more interested in creativity expressed with fresh subjects but this embarrassment of riches has much to offer the poet who is pushed to come up with something anything different from the rest and allows the editor to select from what is for all practical purposes an infinite number of ku Literary critics take note Like *Rise Ye Sea Slugs* 2003 and *Fly ku* 2004 this book not only explores new ways to anthologize poetry but demonstrates the practice of multiple readings an average of two per ku as part of a composite translation turned into an object of art by innovative clustering Book collectors might further note that while *Cherry Blossom Epiphany* may not be hardback it takes advantage of the many symbols included with Japanese font to introduce design ornamentation the circle within the circle the reverse Buddhist swastika etc hitherto not found in English language print It is a one of a kind work of design by the author [Wonders of the Night Sky You Must See Before](#)

You Die Bob King, 2018-04-24 Take your night watching to the next level with Bob King's bucket list collection of 57 remarkable night sky wonders and dark sky destinations Fill your nights with adventure and the ability to see some of the incredible phenomenon of the sky with this must have book Learn all about the brightest and best stars planets meteors comets and constellations using the naked eye binoculars telescopes and apps

The Complete Poetry of Percy Bysshe Shelley Percy Bysshe Shelley, 2021-05-04 This new volume of JHU Press's landmark Shelley edition contains posthumous poems edited from original manuscripts The world will surely one day feel what it has lost wrote Mary Shelley after Percy Bysshe Shelley's premature death in July 1822 Determined to hasten that day she recovered his unpublished and uncollected poems and sifted through his surviving notebooks and papers In Genoa during the winter of 1822-23 she painstakingly transcribed poetry interlined and broken into fragments so that the sense could only be deciphered and joined by guesses Blasphemy and sedition laws prevented her from including her husband's most outspoken radical works but the resulting volume *Posthumous Poems of Percy Bysshe Shelley* 1824 was a magnificent display of Shelley's versatility and craftsmanship between 1816 and 1822 Few such volumes have made more difference to an author's reputation The seventh volume of the acclaimed *Complete Poetry of Percy Bysshe Shelley* extracts from *Posthumous Poems* those original poems and fragments Mary Shelley edited The collection opens with Shelley's enigmatic dream vision *The Triumph of Life* the last major poem he began and in the opinion of T S Eliot the finest thing he ever wrote There follow some of the most famous and beautiful of Shelley's short lyrics narrative fragments two unfinished plays and other previously unreleased pieces Upholding the standards of accuracy and comprehensiveness set by previous volumes every item in Volume 7 has been newly edited from the original manuscripts in some cases superseding texts that have stood since 1870 Extensive appendixes contain Mary Shelley's preface to *Posthumous Poems* Shelley's source for *Ginevra* and preparatory material for his play *Charles the First* Wide ranging discussions of the poems composition influences publication circulation reception and critical history accompany detailed records of textual variants for each work The editorial overview and commentaries offer insights into Mary Shelley's editorial strategies while proposing surprising new contexts and redatings Volumes 4 to 6 are in preparation

Elements of Astronomy John Brocklesby, 1860 **A System of Modern Geography** John Smith (géographe), 1810

Under the Moon's Shadow WILSON RAMOS-CORTES, 2024-07-13 Under the Moon's Shadow Richard Wise's *Chronicles* recounts the life and adventures of Richard Wise from his early years until adulthood It all started during a family vacation when Richard Wise's life took an unexpected turn Orphaned by tragedy he contends with grief and the weight of newfound abilities gifts that defy the laws of nature Richard's intelligence physical strength and speed surpass human limits yet his temper remains a tempest he cannot control Expelled from school because of his aggressive behavior Richard's adoptive parents seek solace in a quiet Florida town hoping for a fresh start But fate has other plans When Richard crosses paths with Master Chan a mysterious Martial artist and philosopher his destiny shifts Under the old master's watchful eye Richard

immerses himself in a world of combat techniques the fluid grace of Kung Fu the precision of Karate and the stealth of Ninjutsu Yet it is not just physical prowess that Master Chan imparts he teaches Richard the delicate balance between strength and restraint the essence of true power However Master Chan has a dark secret of his own His life story is a recounting tale of bloodshed vengeance clandestine killings and savage murder Richard s desire to adventure into the world has him joining the Navy Richard s abilities propel him into the skies as a fighter pilot In a desperate dogfight he risks everything to save his best friend narrowly escaping death But the aftermath leaves him scarred both physically and emotionally Disobeying orders he faces expulsion from the military a path that leads him into the shadowy world of the Yakuza Within the criminal underworld Richard discovered that a killer assassin known only as The Dark Shadow killed a dear person in his life His journey becomes a high stakes game of survival where every move could be his last Richard s disagreement with the Yakuza s business causes him to fight for his life In the middle of the action and adventure temptation arrives as a beautiful woman enters his life Would he stay loyal to the love of his life or succumb to desire In the world Richard navigates tangling shadows bring about a constant blend of danger and trust making it difficult to distinguish between the two Will he have the skills to survive a duel to death with the Dark Shadow The answers to this and many others lie in the pages of *Under the Moon s Shadow* Richard Wise s **Chronicles**

The Moon: A Popular Treatise Garrett Putman Serviss,2022-01-17 In *The Moon* A Popular Treatise Garrett Putman Serviss presents an engaging exploration of Earth s lunar companion synthesizing scientific inquiry with a literary flair Written in the late 19th century this work reflects the burgeoning interest in astronomy and the public s fascination with space during a time when advancements in technology made celestial bodies more accessible to study Serviss employs a conversational tone deftly combining analysis with imaginative speculation making complex scientific concepts approachable for the general reader while delving into the moon s physical characteristics its potential for life and

the possibilities of lunar exploration Garrett Putman Serviss was an American astronomer and writer whose passion for the cosmos and science fiction profoundly influenced his literary endeavors His background in both scientific study and speculative fiction positioned him to pioneer the genre of popular science appealing to an audience eager for knowledge yet captivated by the mysteries of space His notable contributions to the field encapsulated not only the factual nature of astronomical discoveries but also the wonder that these discoveries inspired Readers interested in astronomy science fiction and relations between scientific fact and imaginative thought will find Serviss s *The Moon* a delightful and enlightening read This treatise is an essential addition for those who appreciate an accessible yet thorough examination of one of humanity s most enduring symbols of exploration
