Canadian Multiculturalism and the Far Right Bàrbara Molas,2022-08-22 Canadian Multiculturalism and the Far Right examines a neglected aspect of the history of 20th century Canadian multiculturalism and the far right to illuminate the ideological foundations of the concept of third force Focusing on the particular thought of ultra conservative Ukrainian Canadian Walter J Bossy during his time in Montreal 1931 1970s this book demonstrates that the idea that Canada was composed of three equally important groups emerged from a context defined by reactionary ideas on ethnic diversity and integration Two broad questions shape this research first what the meaning originally attached to the idea of a third force was and what the intentions behind the conceptualization of a trichotomic Canada were and second whether Bossy s understanding of the third force precedes or is related in any way to postwar debates on liberal multiculturalism at the core of which was the existence of a third force This book will be of interest to students and researchers of multiculturalism radical right ideology and the far right and Canadian history and politics Shades of Right Martin Robin,1992
