Shadow Mothers Stories Of Adoption And Reunion:

Shadow Mothers Linda Back McKay,1999-03 *The Cruellest Con* Kelly Kiser-Mostrom,2005-04 The Cruellest Con is a unique book in many ways it is deeply personal emotionally powerful and contains important lessons for everyone in the adoption community We all should read it and learn from it so that adoption can truly be the rewarding ethical process that it should be Adam Pertman author of Adoption Nation and executive director of the Evan B Donaldson Adoption Institute For nearly three years author Kelly Kiser Mostrom endured the nightmare of an adoption scam Through her heart wrenching personal journey in The Cruellest Con Kiser Mostrom focuses on the changing and often frightening world of adoption She exposes the treachery behind adoption facilitator Sonya Furlow who exploited and defrauded forty four adoptive parents of over 215 000 shattering their most basic dream in life to have a family Kiser Mostrom points out the chilling truth about adoption laws in the United States Facilitators are unregulated and laws vary from state to state leaving the adoption world wide open for many kinds of criminal activities and baby buying Through Kiser Mostrom s personal testament you ll be able to form a foundation for a positive adoption journey Kiser Mostrom focuses on these key points Detect red flags when dealing with an intermediary Learn how to cope with grief as a victim of adoption fraud Learn how and when to report suspected fraud Follow guidelines to obtain an adoption professional Find adoption resources Gain a new perspective on the positives and negatives of adoption Don t let fraud and deception destroy your adoption dreams Let The Cruellest Con guide you through the adoption process **Out of the Shadows** Linda Back McKay,2012-09 Linda Back McKay shared the stories of women who gave up their babies for adoption during the 1960s and 1970s in her previous book Shadow Mothers 1998 Out of the Shadows chronicles these women fifteen years later having reconnected with the children they gave up long ago

Crossing the Blue Willow Bridge Nancy McCabe,2011-11-01 Even before Nancy McCabe and her daughter Sophie left for China it was clear that as the mother of an adopted child from China McCabe would be seeing the country as a tourist while her daughter who was seeing the place for the first time in her memory was going home Part travelogue part memoir Crossing the Blue Willow Bridge immerses readers in an absorbing and intimate exploration of place and its influence on the meaning of family A sequel to Meeting Sophie which tells McCabe s story of adopting Sophie as a single woman Crossing the Blue Willow Bridge picks up a decade later with a much different Sophie a ten year old with braces who wears black nail polish sneaks eyeliner wears clothing decorated with skulls and has mixed feelings about being one of the few non white children in the little Pennsylvania town where they live Since she was young Sophie had felt a closeness to the country of her birth and held it in an idealized light At ten she began referring to herself as Asian instead of Asian American It was McCabe s hope that visiting China would help her become comfortable with both sides of the hyphen figure out how to be both Chinese and American together As an adoptive parent of a foreign born child McCabe knows that homeland visits are an important rite of passage to help children make sense of the multiple strands of their heritage create their own hybrid

traditions and find their particular place in the world Yet McCabe still reeling from her mother's recent death wonders how she can give any part of Sophie back to her homeland She hopes that Sophie will find affirmation and connection in China even as she sees firsthand some of the realities of China overpopulation pollution and an oppressive government but also worries about what that will mean for their relationship Throughout their journey on a tour for adopted children mother and daughter experience China very differently New tensions and challenges emerge illuminating how closely intertwined place is with sense of self As the pair learn to understand each other they lay the groundwork for visiting Sophie's orphanage and birth village life changing experiences for them both

Adoption Reunion Stories, 2005 Collection of stories about the reunions of adopted children and their birth parents with sections from the point of view of the children and their adoptive and birth parents Provided by publisher

The Political Geographies of Pregnancy Laura R. Woliver, 2010-10-01 A searing study of how modern reproductive politics shapes women's bodily agency Pregnancy indisputably takes place within a woman's body But as reproductive power finds its way into the hands of medical professionals lobbyists and policymakers the geographies of pregnancy are shifting and the boundaries need to be redrawn argues Laura R Woliver The Political Geographies of Pregnancy is a vigorous analysis of the ways modern reproductive politics are shaped by long standing debates on abortion and adoption surrogacy arrangements new reproductive technologies medical surveillance and the mapping of the human genome Across a politically charged backdrop of reproductive issues Woliver exposes strategies that claim to uphold the best interests of children families and women but in reality complicate women's struggles to have control over their own bodies Utilizing feminist standpoint theory and promoting a feminist ethic of care Woliver looks at abortion politics modern adoption laws that cater to male headed families regulations that allow the state to monitor pregnant women but not always provide care for them and the power structures behind the seemingly benign world of egg selling and surrogate parenting She also considers the potentially staggering political implications of mapping the human genome and the exclusion of women's perspectives in discussions about legislation and advancements in reproductive technologies

adopted women as well as the partly fictionalised story of the author and examines their experiences of birth father reunion in an attempt to dissect the ways in which we understand adoptive female subjectivity through a psychosocial lens Opening a space for thinking about the role of the discursively neglected biological father this book exposes the enigmatic dimensions of this figure and how telling the relational story of reconciliation might be used to complicate wider categories of subjective completeness belonging and truth This book attempts to subvert the culturally normative unifying system of the mother child bond and prompts the reader to think about what the biological father might represent and how his role in relation to adoptive female subjects may be understood This book will be essential reading for those in critical psychology gender studies narrative work sociology and psychosocial studies as well as appealing to anyone interested in adoption issues and female subjectivity
