Stanley Young: A Night Mission Over Berlin Robert Charles Young, 2024-01-23. If you believe in thoughts become things, well, this has happened for a lonely chap by the name of Stanley Charles Young. Great Uncle of the author of this short book, Stanley had always intended to write about his experiences whilst serving as a bombaimer on a Lancaster bomber for Bomber Command. He never got around to doing it, so armed with a manuscript typed out on an old typewriter, Robert decided to make an effort to share one of Stanley's stories to whoever may be interested. The book describes preflight, the flight out, the bombing of Hitler's Berlin at the time the scramble out and to the landing and checking for damage to the Lancaster bomber. Although brief, Stanley's thought has become a thing in the form of this book. Thank you for your service, Stanley Young.

Bomber Boys Kevin Wilson, 2012-04-09. A gripping account of the everyday heroism of British bomber crews in 1943, the year when Bomber Command believed it could win WWII by bombing alone. In 1943, the RAF began a bombing campaign against Germany, the like of which had never before been seen. Over the next twelve months, tens of thousands of aircrews flew across the North Sea to drop their bombs on German cities. They were opposed not only by the full force of the Luftwaffe but by a nightmare of flak, treacherously icy conditions, and constant mechanical malfunction. Most of these crews never finished their tour of operations but were either shot down and killed or taken prisoner by an increasingly hostile enemy. This is the story of the everyday heroism of British bomber crews in the days when it was widely believed that the Allies could win the Second World War by bombing alone. Kevin Wilson has interviewed hundreds of former airmen about what their lives were like in 1943: the stomach-churning tension of flying repeatedly over hostile territory, the terror at being shot down or captured, and the peculiar mixture of guilt and pride at unleashing such devastation on Germany.
