Shadow Over Flodden:

Shadow Over Flodden Mary Cummins,1997-11 Sarah returns home from the court of king James iv of Scotland to find her father has arranged a marriage for her with a neighbor s son Though her heart is at court she is reminded of where her duty and perhaps her heart truly lies **Henry VIII, the Duke of Albany and the Anglo-Scottish War of 1522-1524** Neil Murphy,2023 The first comprehensive study of this war helps us understand how England and Scotland defended their frontier and how political issues drove the wars *Blood on the Wave* John Sadler,2012-11-05 A history of combat in Scottish waters from the Iron Age to the Cold War and the changes in the technology and tactics of naval warfare Scotland s long coastline runs from the waters of Galloway and the Solway through the Irish Sea to the long sea lochs and myriad islands of the Celtic west around grim Cape Wrath the coast of Caithness Pentland Firth and the Orkneys eastward down to the Moray Firth the eastern seaboard to the Forth and the sentinel of the Bass Rock It is an ancient strand redolent with history Sea battles have been fought in its lee from the time of Agricola to the Atlantic convoys In *Blood on the Wave* John Sadler embarks on a pilgrimage around Scotland s rugged and stunning coastline to explore the fascinating history that has occurred in its waters Beautifully illustrated throughout with photographs and line drawings the narrative also describes developments in ship building technique and design developments in naval gunnery with a look at coastal defenses From the long oared Norse galleys that swept down through the isles and the sea lochs to Somerled s birlinns and nyvaigs contesting with those of Godred of Man in a moonlit clash of spears many of the fiercest battles in Scottish history have been fought at sea Examining an array of skirmishes from the Wars of Independence to the Napoleonic Wars the scuttling of the Imperial German Navy at Scapa Flow to the lurking threat of Second World War U boats and nuclear submarines hunting for Soviet spy ships John Sadler has created a brilliant insightful and unique portrait of the Scottish war at sea **The Battle of Pinkie, 1547** David Caldwell,Vicky Oleksy,Bess Rhodes,2023-07-27 The Battle of Pinkie fought between the English and the Scots in 1547 was the last great clash between the two as independent nations It is a well documented battle with several eyewitness accounts and contemporary illustrations There is also archaeological evidence of military activities The maneuvers of the two armies can be placed in the landscape near Edinburgh despite considerable developments since the sixteenth century Nevertheless the battle and its significance has not been well understood From a military point of view there is much of interest The commanders were experienced and had already had battlefield successes There was an awareness on both sides of contemporary best practice and use of up to date weapons and equipment The Scots and the English armies however were markedly different in their composition and in the strategy and tactics they employed There is the added ingredient that the fire from English ships positioned just off the coast helped decide the course of events Using contemporary records and archaeological evidence David Caldwell Victoria Oleksy and Bess Rhodes reconsider the events of September 1547 They explore the location of the fighting the varied forces involved the aims of the commanders and the

close run nature of the battle Pinkie resulted in a resounding victory for the English but that was by no means an inevitable outcome After Pinkie it briefly seemed as if the future of Britain had been redefined The reality proved rather different and the battle has largely slipped from popular consciousness This book provides a reminder of the uncertainty and high stakes both Scots and English faced in the autumn of 1547 *The Christian observer [afterw.] The Christian observer and advocate*, 1857 **Roderick Dhu, Clan-Alpine's Chief; Or, The Scottish Outlaw. Littell, 1847 *Written in the Language of the Scottish Nation* John Corbett, 1999 This text is a survey of Scots literary translations from the 15th to the 20th century It argues that translation has played a central role in the development of literature in Scots lending authority to the vernacular and extending the stylistic range open to writers in Scots *The Home Life of Sir David Brewster* Margaret Maria Gordon, 1881 **A Popular History of the Highlands and Gaelic Scotland** Dugald Mitchell, 1900 **Transactions of the Royal Scottish Arboricultural Society** Royal Scottish Arboricultural Society, 1884 **The Grange of St. Giles, the Bass** Jane Stewart Smith, 1898
