Shadow Women:

Shadow Women Marjorie Bard, 1990-12-01 Since 1975 Dr Marjorie Bard has listened to the homeless especially homeless women. They have told her their stories despite threats of retaliation and begged her to bring their problems and the social injustice that underlies these problems to the attention of all those who would listen and those who deny any problem exists. Out of these encounters as well as Dr Bard's own experience with homelessness emerges *Shadow Women (Routledge Revivals)* Marjorie Bard, 2016-06-10. First published in 1990, this book emerged from the author's experiences talking to homeless women and her desire to bring these problems to light along with the social injustice that often underlies them. The book also describes being at risk, a paycheck widowhood or unfair divorce settlement away from sleeping in a car, living in malls and parks, dining in grocery stores. The author intends to raise awareness, participation and proposes solutions that do not simply beg for more government-funded shelters but rather foster self-sufficient living and working by raising self-esteem and community spirit. This book will be of interest to students of sociology. *Shadow Woman* Grant Hayter-Menzies, 2013-10-01. Kansas-born Pauline Benton (1898-1974) was encouraged by her father, one of America's earliest feminist male educators, to reach for the stars. Instead, she reached for shadows. In 1920s Beijing, she discovered shadow theatre, *piyingxi*, a performance art where translucent painted puppets are manipulated by highly trained masters to cast coloured shadows against an illuminated screen. Finding that this thousand-year-old forerunner of motion pictures was declining in China, Benton believed she could save the tradition by taking it to America. Mastering the male-dominated art form in China, Benton enchanted audiences eager for the exotic in Depression-era America. Her touring company, Red Gate Shadow Theatre, was lauded by theatre and art critics and even performed at Franklin Roosevelt's White House. Grant Hayter-Menzies traces Benton's performance history and her efforts to preserve shadow theatre as a global cultural treasure by drawing on her unpublished writings, the recollections of her colleagues, the testimonies of shadow masters who survived China's Cultural Revolution, as well as young innovators who have carried on Benton's pioneering work. *Shadow Woman* Thomas Perry, 1998-04. In her latest adventure, Jane Whitefield, who helps people in trouble disappear from one life and establish a new identity, is hired by a Las Vegas gambling casino executive running from contract killers. But the killers are on the trail of the shadow woman, and soon Jane becomes the principal target of their rage and revenge. From the Hardcover edition. *Friendship's Shadows: Women's Friendship and the Politics of Betrayal in England, 1640-1705* Penelope Anderson, 2012-08-31. Penelope Anderson's original study changes our understanding both of the masculine Renaissance friendship tradition and of the private forms of women's friendship of the eighteenth century and after. It uncovers the latent threat of betrayal lurking within politicized classical and humanist friendship, showing its surprising resilience as a model for political obligation, undone and remade. Incorporating authors from Cicero to Abraham Cowley and Margaret Cavendish to Mary Astell, the book focuses on two extraordinary women writers: the royalist Katherine Philips and the republican Lucy

Hutchinson And it explores the ways in which they appropriate the friendship tradition in order to address problems of conflicting allegiances in the English Civil Wars and Restoration As Penelope Anderson suggests their writings on friendship provide a new account of women's relation to public life organized through textual exchange rather than bodily reproduction

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

The African-American Woman's Guide to Successful Make-up and Skin Care Alfred Fornay, 1998 PERSONAL GROOMING Fornay former creative director for Revlon Cosmetics presents a how to handbook for all women of color He covers the health and beauty of the skin its maintenance and treatment and applying make up *The Palgrave Encyclopedia of Victorian Women's Writing* Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement

Women's Human Rights Anne Hellum, Henriette Sinding Aasen, 2013-07-11 As an instrument which addresses the circumstances which affect women's lives and enjoyment of rights in a diverse world the CEDAW is slowly but surely making its mark on the development of international and national law Using national case studies from South Asia Southern Africa Australia Canada and Northern Europe *Women's Human Rights* examines the potential and actual added value of the Convention on the Elimination of All Forms of Discrimination against Women in comparison and interaction with other

equality and anti discrimination mechanisms The studies demonstrate how state and non state actors have invoked adopted or resisted the CEDAW and related instruments in different legal political economic and socio cultural contexts and how the various international regional and national regimes have drawn inspiration and learned from each other

Dreams, Illusion, and Other Realities Wendy Doniger O'Flaherty, 2015-05-14 Wendy Doniger O'Flaherty weaves a brilliant analysis of the complex role of dreams and dreaming in Indian religion philosophy literature and art In her creative hands enchanting Indian myths and stories illuminate and are illuminated by authors as different as Aeschylus Plato Freud Jung Kurl G del Thomas Kuhn Borges Picasso Sir Ernst Gombrich and many others This richly suggestive book challenges many of our fundamental assumptions about ourselves and our world Mark C Taylor New York Times Book Review Dazzling analysis The book is firm and convincing once you appreciate its central point which is that in traditional Hindu thought the dream isn't an accident or byway of experience but rather the locus of epistemology In its willful confusion of categories its teasing readiness to blur the line between the imagined and the real the dream actually embodies the whole problem of knowledge O'Flaherty wants to make your mental flesh creep and she succeeds Mark Caldwell Village Voice

Global Intersectionality and Contemporary Human Rights Johanna Bond, 2021-07-22 Global Intersectionality and Contemporary Human Rights argues for an expansive definition of human rights one that encompasses the harm caused by multiple intersecting forms of subordination Intersectionality theory posits that aspects of identity such as race and gender are mutually constitutive and intersect to create unique experiences of discrimination and subordination Perpetrators of sexual violence in armed conflict of example often target women based on both gender and ethnicity Human rights remedies that fail to capture the intersectional nature of human rights violations do not offer comprehensive redress to victims This title explores the influence of intersectionality theory on human rights in the modern era and traces the evolution of intersectionality as a theoretical framework in the United States and around the world It draws upon feminist theory and human rights jurisprudence to argue that scholars and activists have under utilized intersectionality theory in the global discourse of human rights As the central intergovernmental organization charged with the protection of human rights the United Nations has been slow to embrace the insights gained from intersectionality theory This work argues that the United Nations and other human rights organizations must more actively embrace intersectionality as an analytical framework in order to fully address the complexity of human rights violations around the world

Women's Rights in the Middle East and North Africa Sanja Kelly, Julia Breslin, 2010-07-16 Freedom House's innovative publication Women's Rights in the Middle East and North Africa Progress Amid Resistance analyzes the status of women in the region with a special focus on the gains and setbacks for women's rights since the first edition was released in 2005 The study presents a comparative evaluation of conditions for women in 17 countries and one territory Algeria Bahrain Egypt Iran Iraq Jordan Kuwait Lebanon Libya Morocco Oman Palestine Palestinian Authority and Israeli Occupied Territories Qatar Saudi Arabia Syria Tunisia United Arab
