Shake Hands Forever:

Shake hands forever Ruth Rendell,1986 Shake Hands Forever Ruth Rendell,2008-12-30 The bed was neatly made and the woman on top neatly strangled According to all accounts Angela Hathall was deeply in love with her husband and far too paranoid to invite an unknown person into their home So who managed to gain entry and strangle her without a struggle That is the problem facing Inspector Wexford in *Shake Hands Forever* Perhaps it was the mystery woman who left her fingerprints on the Hathall s bathtub Perhaps it was Angela s husband who lied about a stolen library book And why was the Hathall home usually so unkempt exquisitely clean the day of Angela s death Then a neighbor friendly knowing disarmingly beautiful offers Wexford her assistance And what begins as a rather tricky case turns into an obsession that threatens to destroy the Inspector s career as well as his marriage Maddeningly addictive smart and surprising *Shake Hands Forever* showcases Ruth Rendell at the height of her storytelling powers Shake Hands For Ever Ruth Rendell,2009-02 *Shake Hands For Ever* Ruth Rendell,2010-01-26 From multi million copy and SUNDAY TIMES bestselling author Ruth Rendell *Shake Hands For Ever* is a taut and tense story of obsession love and greed Perfect for fans of PD James Ann Cleeves and Donna Leon this is a page turner you won t be able to put down The most brilliant mystery novelist of our time Patricia Cornwell Wexford has become an old friend who gets better with age Herald A real who dunnit Real people and real situations and a REAL twist at the end Reader review Brilliant Reader review Kept me guessing right to the end Reader review First class writing Reader review Angela Hathall is found strangled in her bed but shockingly the murder of this meek and solitary woman sparks little emotion from her husband Called in to investigate Wexford s curiosity only deepens when he discovers that the Hathall household has been meticulously cleaned but for a single distinctive palm print As the case develops Wexford is increasingly frustrated by the seemingly pointless nature of the murder There is no motive no weapon and no suspect Nothing except the unidentified print But despite the sparse evidence Wexford is convinced Hathall is hiding something So when Wexford is taken off the case he decides to take matters into his own hands Murder Being Once Done Ruth Rendell,2009-09-30 A young girl is murdered in a cemetery And Wexford s doctor has prescribed no alcohol no rich food and above all no police work When a young girl s body is found in a London cemetery and the local police under the command of Wexford s nephew are baffled Wexford decides to brave his doctor s wrath and the condescension of the London police by doing a little investigating of his own A compelling story of mysterious identity and untimely death *Murder Being Once Done* is Rendell at her most sublime With her Inspector Wexford novels Ruth Rendell winner of the Mystery Writers of America Grand Master Award has added layers of depth realism and unease to the classic English mystery For the canny tireless and unflappable policeman is an unblinking observer of human nature whose study has taught him that under certain circumstances the most unlikely people are capable of the most appalling crimes How to Act & Eat at the Same Time, the Sequel Tom Logan,2021-02-15 This essential update to the classic book from the ultimate insider Tom Logan contains

The Feast Margaret Kennedy,2022-05-18 The story is set in the frame of impending disaster the readers know that the cliff on which the Inn is set is cracking and that only sixteen will survive its collapse And against this time drama is played The family that run the Inn are ignorant of its probable fate it is only by chance that one of the staff happens on a letter negligently left unopened and containing a warning The guests are held together by hate by suspicion by greed by anger There is readily imagined symbolism here and more than a suggestion of comparison with *The Bridge of San Luis Rey* But there is a tenuous thread of good and now here now there a softening influence emerges ultimately to bring part of the group together for the feast which alone saves them from destruction A haunting sort of story *Kirkus Reviews* **Mystery Fanfare**

The award winning author of *The Babes in the Wood* and *The Rottweiler* brings us another terrifically paced richly drawn novel of suspense and psychological intrigue Weeks went by when Ismay never thought of it at all Then something would bring it back or it would return in a dream The dream always began in the same way She and her mother would be climbing the stairs following Heather's lead through the bedroom to what was on the other side not a bathroom in the dream but a chamber floored and walled in marble In the middle of it was a glassy lake The white thing in the water floated towards her its face submerged and her mother said absurdly Don't look The dead man was Ismay's stepfather Guy Now nine years on she and her sister Heather still live in the same house in Clapham But it has been divided into two self contained flats Their mother had lived upstairs with her sister Pamela And the bathroom where Guy had drowned had disappeared Ismay worked in public relations and Heather in catering They got on well They always had They never discussed the changes to the house still less what had happened that August day But even lives as private as these where secrets hang in the air like dust intertwine with other worlds and other individuals And with painful inevitability the truth will emerge
