

The book cover features a portrait of Jesse Jackson, an African American man with glasses and a mustache, wearing a dark suit and tie. He is smiling slightly. The title 'SHAKEDOWN' is printed in large, bold, white capital letters across the middle of the portrait. Below the title, the subtitle 'exposing the real Jesse Jackson' is written in a smaller, white, serif font. The author's name, 'Kenneth R. Timmerman', is at the bottom in a white, serif font. The background of the portrait is a plain, light color.

Shakedown Exposing The Real Jesse Jackson:

Shakedown Kenneth R. Timmerman, 2013-01-01 Jesse Jackson is a modern day highway robber says veteran investigative reporter Kenneth R Timmerman who uses cries of racism to steal from individuals corporations and government to give to himself Until now however no one has been brave enough to say it and diligent enough to prove it But Ken Timmerman has cracked Jackson s machine found Jackson cronies willing to break ranks and uncovered a sordid tale of greed ambition and corruption from a self proclaimed minister who has no qualms about poisoning American race relations for personal gain

Jesse Jackson Robert E. Jakoubek, Gloria Blakely, 2009 Critically acclaimed biographies of history s most notable African Americans Straightforward and objective writing Lavishly illustrated with photographs and memorabilia Essential for multicultural studies

Black Power and Palestine Michael R Fischbach, 2023-05-25 A study of how the Arab Israeli conflict affected the American civil rights movement The 1967 Arab Israeli War rocketed the question of Israel and Palestine onto the front pages of American newspapers Black Power activists saw Palestinians as a kindred people of color waging the same struggle for freedom and justice as themselves Soon concerns over the Arab Israeli conflict spread across mainstream black politics and into the heart of the civil rights movement itself Black Power and Palestine uncovers why so many African Americans notably Martin Luther King Jr Malcolm X and Muhammad Ali among others came to support the Palestinians or felt the need to respond to those who did Americans first heard pro Palestinian sentiments in public through the black freedom struggle of the 1960s and 1970s Michael R Fischbach uncovers this hidden history of the Arab Israeli conflict s role in African American activism and the ways that distant struggle shaped the domestic fight for racial equality Black Power s transnational connections between African Americans and Palestinians deeply affected US black politics animating black visions of identity well into the late 1970s Black Power and Palestine allows those black voices to be heard again today In chronicling this story Fischbach reveals much about how American peoples of color create political strategies a sense of self and a place within US and global communities The shadow cast by events of the 1960s and 1970s continues to affect the United States in deep structural ways This is the first book to explore how conflict in the Middle East shaped the American civil rights movement Praise for Black Power and Palestine An indispensable read on the civil rights and Black Power era shedding new light on just how deeply the Arab Israeli conflict has shaped black domestic politics Anyone interested in why conflict in the Middle East continues to cast its long shadow over U S foreign and domestic policy should read this book Cynthia A Young The Pennsylvania State University author of Soul Power Culture Radicalism and the Making of a U S Third World Left Michael R Fischbach explores one of the most important international ramifications of the political awakening of African Americans in the 20th century how movements ranging from the Black Muslims and Black Panthers to SNCC and the NAACP related to the Palestinian struggle Original and timely Black Power and Palestine offers fascinating insight into a vital issue in the self definition of the African American community one that continues to have great relevance

today in the growing linkages between the Black Lives Matter movement and Palestinian activism Rashid Khalidi Columbia University author of *Brokers of Deceit How the U S Has Undermined Peace in the Middle East* **Operation Breadbasket** Martin L. Deppe, 2017-02 This is the first full history of Operation Breadbasket the interfaith economic justice program that transformed into Jesse Jackson's Operation PUSH now the Rainbow PUSH Coalition Begun by Martin Luther King Jr during the 1966 Chicago Freedom Movement Breadbasket was directed by Jackson Author Martin L Deppe was one of Breadbasket's founding pastors He digs deeply into the program's past to update the meager narrative about Breadbasket add details to King's and Jackson's roles and tell Breadbasket's little known story Under the motto Your Ministers Fight for Jobs and Rights the program put bread on the tables of the city's African American families in the form of steady jobs Deppe details how Breadbasket used the power of the pulpit to persuade businesses that sought black dollars to also employ a fair share of blacks Though they favored negotiations Breadbasket pastors also organized effective boycotts as they did after one manager declared that he was not about to let Negro preachers tell him what to do Over six years Breadbasket's efforts netted forty five hundred jobs and sharply increased commerce involving black owned businesses Economic gains on Chicago's South Side amounted to 57.5 million annually by 1971 Deppe traces Breadbasket's history from its early Don't Buy campaigns through a string of achievements related to black employment and black owned products services and businesses To the emerging call for black power Breadbasket offered a program that actually empowered the black community helping it engage the mainstream economic powers on an equal footing Deppe recounts plans for Breadbasket's national expansion its sponsored business expos and the Saturday Breadbasket gatherings a hugely popular black pride forum Deppe shows how the program evolved in response to growing pains changing alliances and the King assassination Breadbasket's rich history as told here offers a still viable model for attaining economic justice today *Pastoral Misconduct* Janelle M. Eliasson-Nannini, 2017-09-08 In the past clergy malfeasance was mentioned only in passing by group members or adherents The subject was invisible and those who studied it were often stigmatized as hostile to religion itself Today clergy misconduct is acknowledged as a social problem with growing conceptual and theoretical implications In *Pastoral Misconduct* Anson Shupe and Janelle M Eliasson Nannini argue that the history and traditions of black pastoral leadership coupled with the close identity of many black congregants with their pastor congregation and racial subculture creates opportunity structures that facilitate predatory behavior Familiarity and mutual identity frequently leads victims to drop their normal levels of wariness Major denominations and minor sects have been studied but this unique study by Shupe and Eliasson Nannini pursues nuances of pastoral bad behavior in a new context This book is not a tabloid treatment of the American black church In fact the black church becomes the vehicle for a major new sociological development a theory of clergy misconduct in any minority religion Warmonger Jeremy Kuzmarov, 2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband's support for mass incarceration banking deregulation and free trade

agreements that led many U S jobs to be shipped overseas Warmonger How Clinton s Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton s foreign policy was just as bad as his domestic policy Cultivating an image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U S troops to 25 separate military operations compared to 17 in Ronald Reagan s two terms Clinton further expanded America s covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U S failed to pay attention to the gathering storm of terrorism as New York Times columnist David Brooks frames it the Clinton presidency saw rising tensions among the U S China and Russia because of Clinton s malign foreign policies and U S complicity in terrorist acts In so many ways Clinton s presidency set the groundwork for the disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton s administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new military technologies and private military contractors to distance US shady military interventions from the public to limit dissent

Dangerous Thoughts Gary Jason,2011-11-16 Dangerous Thoughts is a collection of Gary Jason s most popular and provocative articles from newspapers and political magazines nearly three hundred in all A few of these were published as far back as the later 1970s but most of them are of recent vintage There are eight broad topics the articles cover and are gathered together in chapters accordingly The first is school reform and the critical need for school choice The second is environmentalism and its negative impact on rational energy policy The third is demographic change the continuing need for immigrants legal and within reasonable limits The fourth centers around the continuing need for free trade The fifth is the need for entitlement program reform The sixth is the need for various political reforms and the seventh various economic ones The eighth is the divide between intellectual elites and ordinary citizens A final chapter includes various miscellaneous pieces

The Planet Of Comet Sense Carol Ann Lindsay,2011-11 This satirical view about the destruction of American culture should hit the hired Wall Street marchers as hard as it hits followers of the Al Gore Global Warming Church It s a full fledged stinging denunciation of politicians in the 21st century Through dialogue and quips by Ratoncito the mascot for a group of San Diego County artists and writers this book offers humorous

bureaucratic stories as well as Geek Poetry by an unemployed cyber security engineer **Bamboozled** Angela McGlowan, 2009-08-17 Which political party gave rise to the Ku Klux Klan Which political party opposed extending the vote to women Which political party attempted to filibuster and kill the Civil Rights Act of 1964 Which political party in 2007 tapped as President Pro Tempore of the Senate a former Klansman Hint It wasn't the Republicans Bamboozled demolishes once and for all the lies Liberals use to manipulate and exploit Latinos women and blacks Based on a mountain of research and personal interviews with top leaders and insiders McGlowan dismantles Democrat deceptions and exposes Liberal lies including How the Democratic Party erased its racist past and created an illusion of inclusion on Civil Rights The scheme Liberals ran to con minorities into loyally supporting a political party that despises their most deeply felt values Why what's bad for families is great for Liberals How Liberals love affair with criminal leniency destroys the very communities Liberals claim to protect How Liberal economic policies bankrupt blacks loot Latinos and wreck women's wallets Unveiling the Left's racist past and exploitative present McGlowan points all Americans toward a bamboozle free future *The Economic Civil Rights Movement* Michael Ezra, 2013-04-17 Economic inequalities have been perhaps the most enduring problem facing African Americans since the civil rights movement despite the attention they have received from activists Although the civil rights movement dealt successfully with injustices like disenfranchisement and segregated public accommodations economic disparities between blacks and whites remain sharp and the wealth gap between the two groups has widened in the twenty first century The Economic Civil Rights Movement is a collection of thirteen original essays that analyze the significance of economic power to the black freedom struggle by exploring how African Americans fought for increased economic autonomy in an attempt to improve the quality of their lives It covers a wide range of campaigns ranging from the World War II era through the civil rights and black power movements and beyond The unfinished business of the civil rights movement primarily is economic This book turns backward toward history to examine the ways African Americans have engaged this continuing challenge Clerical Failure Donald D. Hook, 2004 Hook's third book on American churches since 1991 Many of today's clergy exemplify clerical failure They fail to promote the Christian faith attend parishioners personal needs lead exemplary lives or uphold denominational principles Target audience 48 million disillusioned Christians *Straightforward* Ian Ayres, Jennifer Gerarda Brown, 2011-06-27 What can straight people do to support gay rights How much work or sacrifice must allies take on to do their share Ian Ayres and Jennifer Brown law professors activists husband and wife propose practical strategies for helping straight men and women advocate for and with the gay community Straightforward advances a thesis that is at once simple and groundbreaking to make real progress at the central flashpoints of controversy marriage rights employment discrimination gays in the military exclusion from the Boy Scouts and religious controversies over homosexuality straight as well as gay people need to speak up and act for equality Ayres and Brown take aim at both the hearts and minds of the general public focusing on strategies that can change the incentives and therefore the behavior of

the recalcitrant The book is peppered with stories about real people and the decisions they have faced at home in church at work in school and in politics It is also filled with creative legal and economic strategies for influencing public and corporate decision making For example Ayres and Brown propose the development of a fair employment mark to help companies advertise inclusive employment policies They also show how a simple pledge to vacation in states that legalize gay marriage can create powerful incentives for legislatures to amend their marriage laws Engagingly written and sure to spark debate Straightforward promises to change the way America thinks about and participates in the gay rights movement **In the Name of Education** Jonas E. Alexis, 2007 Alexis convincingly examines the crisis in education from a Christian perspective Social Issues **The Republican Treason** Joseph Burrell, 2008 This book is a polemic directed against the Republican Party and the conservative movement in mostly their own words It alleges that the Republican Party is fascist and treasonous defines those terms and offers quoted testimony in support of that claim It describes the US policy of political warfare across the world that was originated by the Eisenhower administration and is still continuing Democratic movements have been attacked then on the false claim that they were communistic and on the false claim now that they are terroristic and a threat to US security Highlighting similarities *Awaiting the City* Chad Brand, Tom Pratt, 2012-11-13 People of faith have always been on search for the homeland first promised to Abraham in light of the Babylonian civilization he left That future hope was reinterpreted by Jesus and taken up by St Augustine in The City of God reinterpreted again by John Calvin in Geneva and given a final form by the Puritan pilgrims who came to America to establish the City upon a Hill Fundamental to this quest for a just holy civilization has been the progress of humankind on the earth in light of the mandate to fill and rule over it Authors Chad Brand and Tom Pratt discuss that progress as they answer the vital questions for praxis How should biblically oriented Christians think of and work toward God's justice along the way How can we steer between a utopian vision and a limited vision to a new rational compassion *Hellhound On His Trail* Hampton Sides, 2010-04-27 NATIONAL BESTSELLER On April 4 1968 James Earl Ray shot Martin Luther King Jr at the Lorraine Motel The nation was shocked enraged and saddened As chaos erupted across the country and mourners gathered at King's funeral investigators launched a sixty five day search for King's assassin that would lead them across two continents from the author of Blood and Thunder and Ghost Soldiers With a blistering cross cutting narrative that draws on a wealth of dramatic unpublished documents Hampton Sides bestselling author of Ghost Soldiers delivers a non fiction thriller in the tradition of William Manchester's The Death of a President and Truman Capote's In Cold Blood With Hellhound On His Trail Sides shines a light on the largest manhunt in American history and brings it to life for all to see With a New Afterword *Scam* Jesse Lee Peterson, 2005-10-02 In this provocative book Rev Jesse Lee Peterson the most outspoken critic of the civil rights establishment in America today lays bare its corrupt leadership courageously taking aim at the biggest names Jesse Jackson Louis Farrakhan Al Sharpton Maxine Waters among others claiming they are nothing more than scam artists profiting off the hatred and disorder they foster in the

black community Peterson insists it s time to throw off the oppression of the established black leadership and stand for the American ideals of freedom personal responsibility free enterprise and moral principle **Merchants and Ministers** Kevin Schmiesing,2016-12-14 Two of the most influential forces in American history are business and religion Merchants and Ministers weaves the two together in a history of the relationship between businesspeople and Christian clergy From fur traders and missionaries who explored the interior of the continent to Gilded Age corporate titans and their clerical confidants to black businessmen and their ministerial collaborators in the Civil Rights movement Merchants and Ministers tells stories of interactions between businesspeople and clergy from the colonial period to the present It presents a complex picture of this relationship highlighting both conflict and cooperation between the two groups By placing anecdotal detail in the context of general developments in commerce and Christianity Merchants and Ministers traces the contours of American history and illuminates those contours with the personal stories of businesspeople and clergy Culture Wars Roger Chapman,2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today **Bill Clinton** Nigel Hamilton,2007-07-10 A decade and a half after President William Jefferson Clinton first took the oath of office biographer Nigel Hamilton tells the riveting story of what was possibly the greatest self reinvention of a president in office in modern times The Clinton presidency began disastrously kicking off with the worst transition in living memory and deteriorating through a series of fiascos from gays in the military to Hillary Clinton s failed health care reform How Bill Clinton faced up to his failures and refashioned himself in the White House thereafter is an epic hitherto unwritten story a story that climaxes with the trouncing of Bob Dole in the landslide presidential election in 1996 Clinton began his second term as the undisputed and tremendously popular leader of the Western world In vivid prose Hamilton charts Clinton s dramatic reversal of fortune and his ultimate triumph over himself and his foes Bill Clinton Mastering the Presidency is a riveting narrative of American politics an incisive character portrait and powerful reminder of what a great president can accomplish
