Shaker Boy:

Shaker Boy Mary Lyn Ray,1994 An inspired vision of the work devotion and song that shaped the great Shaker experiment Mary Lyn Ray s lyrical text Jeanette Winter s inspired illustrations and seven songs from Shaker collections combine to provide an enchanting book Full color *The Shakeress* Kimberley Burton Heuston,2008 While searching for her true self and for the way to meet the needs of her personal sense of spirituality an orphaned teenaged girl joins a Shaker community in mid nineteenth century New England and learns about a new religion called Mormonism *The Shaker's Guide to Good Manners* Flo Morse,Vincent Newton,2017-02-14 The intimate guide to life as a Shaker in 19th century America Never make more free with your inferiors than you are willing they should make with you it learns them to be saucy Such sage words of advice come from Mother Ann Lee s Society of the Shakers who in 1844 published A Juvenile Guide or Manual of Good Manners Consisting of Counsels Instructions Rules of Deportment for the Young Known for their piety their economy and perhaps most famously their celibacy the Shakers knew a thing or two about etiquette and proper decorum With this incredible artifact of a bygone era you can experience what it was like to live in a rural 19th century religious community where children were taught to be careful not to talk too loud nor too much and to always have a place for every thing and keep every thing in its place *The Granite Monthly* Henry Harrison Metcalf,John Norris McClintock,1920

Writings of Shaker Apostates and Anti-Shakers, 1782-1850 Vol 2 Christian Goodwillie,2017-07-05 The Shakers are perhaps the best known of American religious communities Their ethos and organization had a practical influence on many other communities and on society as a whole This three volume collection presents writings from a broad cross section of those who opposed the Shakers and their way of life **Faraway** Edmund Ironside,2013-02-05 Earth Empire has developed incredible technology and it has taken humans half way across the galaxy Entire sentient species have been conquered their worlds and inhabitants exploited brutally Human technology and social structure has been used efficiently but not wisely A sense of malaise has gripped nearly all of the people and they yearn for something better Lost in a fog of bizarre state imposed controls supported by endless propaganda they don t know how to escape their meaningless existence They don t even know what they want At the outermost base called Faraway a small group of humans learn of some ancient writings although incomplete suggesting there is more to life Immersing themselves in the new way they start discovering thoughts like respect compassion community beauty purpose and especially love It s a tenuous beginning and there are those who will suppress the adherents of the new way A struggle begins between the two opposing ways The struggle spreads across the galaxy and even beyond from Faraway *Granite State Monthly* ,1921 *Journal* California. Sixteenth Census of the United States United States. Bureau of the Census, 1940 *The Real Hotel* Mike Addison, 2014-06-24 Once upon a time a noted author wrote a fairy tale about hotels that became a bestselling novel It continued on as a movie and finally a successful television series I would be the last to question Alex Haleys research but he simply did not live the life This book is no fairy tale It is written by a bartender that lived the life and knew the people The managers were not all brilliant or considerate In fact many could be referred to as downright rude and not all that bright I hope you have as much fun reading this as I did writing it and living it to get the material I would not trade anything on earth for the experience Mike Addison *The Real Hotel* tells you the behind the scene stories of the small army of employees that take care of the guests in the historic old hotels that lie just off the Quarter in New Orleans The author Mike Addison spent almost two decades working in the old hotels beside the numerous Cajun and Cuban workers sharing their lives and stories Combining humor and pathos he tells their poignant stories in an earthy narrative that is very realistic and a pleasure to read G R Williamson Texas historian and writer **Coal Age**, 1921 Vols for 1955 62 include Mining guidebook and buying directory **Investigations in Folksong**, 1915 **Wallace's Year Book of Trotting and Pacing** United States Trotting Association, 1922 **Wallace's Year-book of Trotting and Pacing in ...** John Hankins Wallace, 1900 **Families and Communes** William Smith, 1999-08-27 What is life like in contemporary American communes How do families fit into communal life What are communal families and what impact do families have on how communes are run and how they develop As the only contemporary exploration of communal families this book investigates the assumptions that scholars and others have made regarding the status of the family within communes and debunks current myths about communes and communal families While some groups are predisposed to families other communal groups become replacements or substitutes for the nuclear family William L Smith investigates a variety of practices including monogamy polygamy pantagamy and celibacy as implemented by intentional communities in dealing with family life Drawing on the history of communes in the United States Smith discusses various communal groups such as the Shakers the Mormons the Oneida Community the Amana Colonies as well as contemporary rural and urban communal groups such as Twin Oaks Jesus People
