The Shakespearean International Yearbook Graham Bradshaw, Tom Bishop, Clara Calvo, 2017-05-15 This eighth volume of *The Shakespearean International Yearbook* presents a special section on European Shakespeares proceeding from the claim that Shakespeare's literary craft was not just native English or British but was filtered and fashioned through a Renaissance awareness that needs to be recognized as European and that has had effects and afterlives across the Continent Guest

editors Ton Hoenselaars and Clara Calvo have constructed this section to highlight both how the spread of Shakespeare throughout Europe has brought together the energies of a wide variety of European cultures across several centuries and how the inclusion of Shakespeare in European culture has been not only a European but also a world affair The Shakespearean International Yearbook continues to provide an annual survey of important issues and developments in contemporary Shakespeare studies Contributors to this issue come from the US and the UK Spain Switzerland and South Africa Canada The Netherlands India Portugal Greece France and Hungary In addition to the section on European Shakespeares this volume includes essays on the genre of romance issues of character and other topics The Shakespearean World Jill L Levenson, Robert Ormsby, 2017-03-27 The Shakespearean World takes a global view of Shakespeare and his works especially their afterlives Constantly changing the Shakespeare central to this volume has acquired an array of meanings over the past four centuries Shakespeare signifies the historical person as well as the plays and verse attributed to him It also signifies the attitudes towards both author and works determined by their receptions Throughout the book specialists aim to situate Shakespeare's world and what the world is because of him In adopting a global perspective the volume arranges thirty six chapters in five parts Shakespeare on stage internationally since the late seventeenth century Shakespeare on film throughout the world Shakespeare in the arts beyond drama and performance Shakespeare in everyday life Shakespeare and critical practice Through its coverage The Shakespearean World offers a comprehensive transhistorical and international view of the ways this Shakespeare has not only influenced but has also been influenced by diverse cultures during 400 years of performance adaptation criticism and citation While each chapter is a freshly conceived introduction to a significant topic all of the chapters move beyond the level of survey suggesting new directions in Shakespeare studies such as ecology tourism and new media and making substantial contributions to the field This volume is an essential resource for all those studying Shakespeare from beginners to advanced specialists South African Essays on 'Universal' Shakespeare Chris Thurman, 2016-04-01 South African Essays on Universal Shakespeare collects new scholarship and extant but previously unpublished material reflecting the changing nature of Shakespeare studies across various generation gaps Each essay in exploring the nuances of Shakespearean production and reception across time and space is inflected by a South African connection In some cases this is simply because of the author's nationality or institutional affiliation in others there is a direct engagement with what Shakespeare means or has meant in South Africa By investigating the universality of Shakespeare from both implicitly and explicitly southern perspectives the book presents new possibilities for considering and reassessing shifting manifestations of Shakespeare's work in major Shakespearean centres such as Britain and the United States as well as across the global North and South **Shakespeare in South Africa** Rohan Quince, 2000 In 1946 Prime Minister Jan Smuts was impressed by a Coloured production of The Tempest In 1971 President C R Swart nearly walked out of an Africanized Afrikaans version of King Lear In 1975 Kwazulu
