Shakespeare On The German Stage Volume 1 1586 1914:

Shakespeare on the German Stage, 1586-1914 Simon Williams, 1990 **Shakespeare on the German Stage: Volume 2, The Twentieth Century** Wilhelm Hortmann, Michael Hamburger, 1998-05-28 Shakespeare has been a central figure in German literature and theatre This book tells the story of Shakespeare in the German speaking theatre against the background of German culture and politics in the twentieth century It follows the earlier volume by Simon Williams on the reception of Shakespeare during the previous 300 years Shakespeare on the German Stage 1586 1914 Hortmann concentrates on the two most important and fruitful periods the years of the Weimar Republic 1919 1933 and the turbulent decades of the sixties and seventies when the German theatre was revitalised by a stormy marriage of avant garde art and revolutionary politics A section by Maik Hamburger covers developments in the theatres of the German Democratic Republic Hortmann focuses on the most representative and colourful directors and actors describing and illustrating individual productions as examples of particular trends or movements *Shakespeare on the American Yiddish Stage* Joel Berkowitz, 2002 The professional Yiddish theatre started in 1876 in Eastern Europe with the assassination of Tsar Alexander II in 1881 masses of Eastern European Jews began moving westward and New York Manhattan s Bowery and Second Avenue soon became the world s center of Yiddish theatre At first the Yiddish repertoire revolved around comedies operettas and melodramas but by the early 1890s America s Yiddish actors were wild about Shakespeare In Shakespeare on the American Yiddish Stage Joel Berkowitz knowledgeably and intelligently constructs the history of this unique theatrical culture The Jewish King Lear of 1892 was a sensation The year 1893 saw the beginning of a bevy of Yiddish versions of Hamlet that year also saw the first Yiddish production of Othello Romeo and Juliet inspired a wide variety of treatments The Merchant of Venice was the first Shakespeare play published in Yiddish and Jacob Adler received rave reviews as Shylock on Broadway in both 1903 and 1905 Berkowitz focuses on these five plays in his five chapters His introduction provides an orientation to the Yiddish theatre district in New York as well as the larger picture of Shakespearean production and the American theatre scene and his conclusion summarizes the significance of Shakespeare s plays in Yiddish culture **Shakespeare** Stanley Wells, 2003 From the entry of Shakespeare s birth in the Stratford church register to a Norwegian production of Macbeth in which the hero was represented by a tomato this enthralling and splendidly illustrated book tells the story of Shakespeare s life his writings and his afterlife Drawing on a lifetime s experience of studying teaching editing and writing about Shakespeare Stanley Wells combines scholarly authority with authorial flair in a book that will appeal equally to the specialist and the untutored enthusiast Chapters on Shakespeare s life in Stratford and in London offer a fresh view of the development of the writer s career and personality At the core of the book lies a magisterial study of the writings themselves how Shakespeare set about writing a play his relationships with the company of actors with whom he worked his developing mastery of the literary and rhetorical skills that he learned at the Stratford grammar school the essentially theatrical quality

of the structure and language of his plays Subsequent chapters trace the fluctuating fortunes of his reputation and influence Here are accounts of adaptations productions and individual performances in England and increasingly overseas of great occasions such as the Garrick Jubilee and the tercentenary celebrations of 1864 of the spread of Shakespeare's reputation in France and Germany Russia and America and more recently the Far East of Shakespearian discoveries and forgeries of critical reactions favorable and otherwise and of scholarly activity of paintings music films and other works of art inspired by the plays of the plays use in education and the political arena and of the pleasure and intellectual stimulus that they have given to an increasingly international public Shakespeare said Ben Jonson was not of an age but for all time This is a book about him for our time *Shakespeare's Errant Texts* Lene B. Petersen, 2010-06-24 Using case studies of Hamlet Romeo and Juliet and Titus Andronicus this book examines what constitutes a Shakespearean text **Romeo and Juliet in European Culture** Juan F. Cerdá, Dirk Delabastita, Keith Gregor, 2017-12-15 With its roots deep in ancient narrative and in various reworkings from the late medieval and early modern period Shakespeare's Romeo and Juliet has left a lasting trace on modern European culture This volume aims to chart the main outlines of this reception process in the broadest sense by considering not only critical scholarly responses but also translations adaptations performances and various material and digital interventions which have from the standpoint of their specific local contexts contributed significantly to the consolidation of Romeo and Juliet as an integral part of Europe's cultural heritage Moving freely across Europe's geography and history and reflecting an awareness of political and cultural backgrounds the volume suggests that Shakespeare's tragedy of youthful love has never ceased to impose itself on us as a way of articulating connections between the local and the European and the global in cases where love and hatred get in each other's way The book is concluded by a selective timeline of the play's different materialisations *The Merchant of Venice* William Baker, Brian Vickers, 2005-03-01 The Merchant of Venice has always been regarded as one of Shakespeare's most interesting plays Before the nineteenth century critical reaction is relatively fragmentary However between then and the late twentieth century the critical tradition reveals the tremendous vitality of the play to evoke emotion in the theatre and in the study Since the middle of the twentieth century reactions to the drama have been influenced by the Nazi destruction of European Jewry The first volume to document the full tradition of criticism of The Merchant of Venice includes an extensive introduction which charts the reactions to the play up to the beginning of the twenty first century and reflects changing reactions to prejudice in this period Material by a variety of critics appears here for the first time since initial publication Reactions are included from Malone Hazlitt Jameson Heine Knight Lewes Halliwell Phillips Furnivall Irving Ruskin Swinburne Masfield Gollancz and Quiller Couch *Literature of the Sturm und Drang* David Hill, 2003 Carefully focused essays on major aspects of one of the most significant German literary movements the Storm and Stress Sturm und Drang refers to a set of values and a style of writing that arose in Germany in the second half of the eighteenth century a particularly intense kind of pre Romanticism that has often been represented as

marking the beginning of an independent modern German culture The circle of writers around the young Goethe including Herder Lenz Klinger and later Schiller felt frustrated by the Enlightenment world of reason balance and control and turned instead to nature as the source of authentic experience Inspired by Rousseau and Herder by Shakespeare and by folk culture they rebelled against propriety and experimented with new literary forms their creative energy bursting through conventions that seemed staid and artificial The Sturm und Drang has often been cited by those attempting to legitimate nationalism and irrationalism but scholars have more recently emphasized the diversity of the movement and the links between it and the Enlightenment This volume of essays by leading scholars from the UK the US and Germany illuminates the guiding ideas of the movement discussing its most important authors texts and ideas and taking account of the variety and complexity of the movement placing it more securely within late eighteenth century European history The main focus is on literature and in particular on the drama which was of special importance to the Sturm und Drang However the essays also outline the social conditions that gave rise to the movement and consideration is given to different currents of ideas that underlie the movement including areas of thought and bodies of work that traditional approaches have tended to marginalize Contributors Bruce Duncan Howard Gaskill Wulf Koepke Susanne Kord Frank Lamport Alan Leidner Matthias Luserke Michael Patterson Gerhard Sauder Margaret Stolar Daniel Wilson Karin Wurst David Hill is a Senior Lecturer in the Department of German Studies at the University of Birmingham UK

Volume 16, Tome II: Kierkegaard's Literary Figures and Motifs Ms Katalin Nun, Dr Jon Stewart, 2015-01-28 While Kierkegaard is perhaps known best as a religious thinker and philosopher there is an unmistakable literary element in his writings He often explains complex concepts and ideas by using literary figures and motifs that he could assume his readers would have some familiarity with This dimension of his thought has served to make his writings far more popular than those of other philosophers and theologians but at the same time it has made their interpretation more complex The present volume is dedicated to the treatment of the variety of literary figures and motifs he used

Volume 16, Tome II: Kierkegaard's Literary Figures and Motifs Katalin Nun, Jon Stewart, 2016-12-05 While Kierkegaard is perhaps known best as a religious thinker and philosopher there is an unmistakable literary element in his writings He often explains complex concepts and ideas by using literary figures and motifs that he could assume his readers would have some familiarity with This dimension of his thought has served to make his writings far more popular than those of other philosophers and theologians but at the same time it has made their interpretation more complex Kierkegaard readers are generally aware of his interest in figures such as Faust or the Wandering Jew but they rarely have a full appreciation of the vast extent of his use of characters from different literary periods and traditions The present volume is dedicated to the treatment of the variety of literary figures and motifs used by Kierkegaard The volume is arranged alphabetically by name with Tome II covering figures and motifs from Gulliver to Zerlina

A Cultural History of Theatre in the Early Modern Age Robert Henke, 2019-08-08 For both producers and consumers of theatre in the early modern era

art was viewed as a social rather than an individual activity Emerging in the context of new capitalistic modes of production the birth of the nation state and the rise of absolute monarchies theatre also proved a highly mobile medium across geolinguistic boundaries This volume provides a comprehensive and interdisciplinary overview of the cultural history of theatre from 1400 to 1650 and examines the socioeconomically heterodox nature of theatre and performance during this period Highly illustrated with 48 images the ten chapters each take a different theme as their focus institutional frameworks social functions sexuality and gender the environment of theatre circulation interpretations communities of production repertoire and genres technologies of performance and knowledge transmission

Liszt and the Symphonic Poem

Joanne Cormac, 2017-10-26 Franz Liszt was preoccupied with a fundamental but difficult question what is the content of music His answer lay in his symphonic poems a group of orchestral pieces intended to depict a variety of subjects drawn from literature visual art and drama Today the symphonic poems are usually seen as alternatives to the symphony post Beethoven Analysts stress their symphonic logic thereby neglecting their extramusical subject matter This book takes a different approach it returns these influential pieces to their original performance context in the theatre arguing that the symphonic poem is as much a dramatic as a symphonic genre This is evidenced in new analyses of the music that examines the theatricality of these pieces and their depiction of voices mise en scene gesture and action Simultaneously the book repositions Liszt's legacy within theatre history arguing that his contributions should be placed alongside those of Mendelssohn Berlioz and Wagner

Great Shakespeareans Set I Peter Holland, Adrian Poole, 2014-09-29

Great Shakespeareans offers a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally This major project offers an unprecedented scholarly analysis of the contribution made by the most important Shakespearean critics editors actors and directors as well as novelists poets composers and thinkers from the seventeenth to the twentieth century Great Shakespeareans will be an essential resource for students and scholars in Shakespeare studies

Russia's Theatrical Past

Claudia R. Jensen, Ingrid Maier, Stepan Shamin, Daniel C. Waugh, 2021-06-01 In the 17th century only Moscow's elite had access to the magical vibrant world of the theater In *Russia's Theatrical Past* Claudia Jensen Ingrid Maier Stepan Shamin and Daniel C Waugh mine Russian and Western archival sources to document the history of these productions as they developed at the court of the Russian tsar Using such sources as European newspapers diplomats reports foreign travel accounts witness accounts and payment records they also uncover unique aspects of local culture and politics of the time Focusing on Northern European theatrical traditions the authors explore the concept of intertheater which describes transmissions between performing traditions and reveal how the Muscovite court's interest in theater and other musical entertainment was strongly influenced by diplomatic contacts *Russia's Theatrical Past* made possible by an international research collaborative offers fresh insight into how and why Russians went to such great efforts to rapidly develop court theater in the 17th century

Othello in European Culture Elena Bandín Fuertes, Francesca Rayner, Laura Campillo Arnaiz, 2022-05-15 This volume argues that a focus on the European reception of Othello represents an important contribution to critical work on the play. The chapters in this volume examine non anglophone translations and performances alternative ways of distinguishing between texts adaptations and versions as well as differing perspectives on questions of gender and race. Additionally a European perspective raises key political questions about power and representation in terms of who speaks for and about Othello within a European context profoundly divided over questions of immigration religious ethnic gender and sexual difference. The volume illustrates the ways in which Othello has been not only a stimulus but also a challenge for European Shakespeares. It makes clear that the history of the play is inseparable from histories of race religion and gender and that many engagements with the play have reinforced rather than challenged the social and political prejudices of the period.

Ira Aldridge Bernth Lindfors, 2011 This book describes the glory years of Ira Aldridge's first Continental tour during which he won more awards and honors often conferred by royalty than any other actor of his day. Ira Aldridge Performing Shakespeare in Europe 1852-1855 the third volume of Bernth Lindfors's award winning biography traces the American born black classical actor's itinerary on his first Continental tour. Starting in Brussels and following Aldridge up the Rhine to Basel on to Berlin and Vienna and cities in Prussia and Hungary Lindfors recounts the major performances and analyzes audience responses to them. Because European audiences wanted to see this African actor in Shakespearean roles rather than in the melodramas and farces that were popular in Britain Aldridge concentrated almost exclusively on performing as Othello Shylock Macbeth and Richard III. He performed the roles in English even when acting with local companies who spoke in German Hungarian or another European language. Aldridge's impressive manner of interpreting these characters won him many honors awards and medals some bestowed by heads of state or by national academies. Drawing on myriad reviews playbills and letters many of them penned by Aldridge himself Lindfors examines in detail Aldridge's interpretations of these timeless characters and shows why these were Aldridge's glory years. Bernth Lindfors professor emeritus of English and African Literatures University of Texas at Austin is the author of *Ira Aldridge The Early Years 1807-1833* and *Ira Aldridge The Vagabond Years 1833-1852* both published by the University of Rochester Press in 2011. *Shakespeare's Others in 21st-century European Performance* Boika Sokolova, Janice Valls-Russell, 2021-08-26 The Merchant of Venice and Othello are the two Shakespeare plays which serve as touchstones for contemporary understandings and responses to notions of the stranger and the other. This groundbreaking collection explores the dissemination of the two plays through Europe in the first two decades of the 21st century tracing how productions and interpretations have reflected the changing conditions and attitudes locally and nationally. Packed with case studies of productions of each play in different countries the volume opens vistas on the continent's turbulent history marked by the instability of allegiances and boundaries and shifting senses of identity in a context of war decolonization and migration. Chapters examine productions in Bulgaria Hungary Poland Romania

Serbia Italy France Portugal and Germany to shed light on wide scale European developments for the first time in English In a final section performance insights are offered by interviews with three directors Karin Coonrod on directing *The Merchant in Venice* at the Venetian Ghetto in 2016 Plamen Markov on his 2020 *Othello* for the Varna Theatre Bulgaria and Arnaud Churin whose *Othello* toured France in 2019 In drawing attention to the ways in which historical circumstances and collective memory shape and refashion performance Shakespeare's *Others* in 21st century European Performance offers a rich review of European theatrical engagements with Otherness in the productions of these two plays

World-Wide Shakespeares Sonia Massai, 2007-05-07 Drawing on debates around the global local dimensions of cultural production an international team of contributors explore the appropriation of Shakespeare's plays in film and performance around the world In particular the book examines the ways in which adapters and directors have put Shakespeare into dialogue with local traditions and contexts The contributors look in turn at local Shakespeares for local national and international audiences covering a range of English and foreign appropriations that challenge geographical and cultural oppositions between centre and periphery and big time and small time Shakespeares Responding to a surge of critical interest in the poetics and politics of appropriation *World Wide Shakespeares* is a valuable resource for those interested in the afterlife of Shakespeare in film and performance globally

Brecht and Tragedy Martin Revermann, 2021-12-16 Explores Brecht's complex relationship with Greek tragedy and the tragic tradition including significant archival material not seen before

Shakespeare's History Plays A. J. Hoenselaars, 2004-09-23 This volume with a foreword by Dennis Kennedy addresses a range of attitudes to Shakespeare's English history plays in Britain and abroad from the early seventeenth century to the present day It concentrates on the play texts as well as productions translations and adaptations of them The essays explore the multiple points of intersection between the English history they recount and the experience of British and other national cultures establishing the plays as genres not only relevant to the political and cultural history of Britain but also to the history of nearly every nation worldwide The plays have had a rich international reception tradition but critics and theatre historians abroad those practising foreign Shakespeare have tended to ignore these plays in favour of the comedies and tragedies By presenting the British and foreign Shakespeare traditions side by side this volume seeks to promote a more finely integrated world Shakespeare

Shakespeare On The German Stage Volume 1 1586 1914 Introduction

In today's digital age, the availability of Shakespeare On The German Stage Volume 1 1586 1914 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shakespeare On The German Stage Volume 1 1586 1914 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shakespeare On The German Stage Volume 1 1586 1914 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shakespeare On The German Stage Volume 1 1586 1914 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shakespeare On The German Stage Volume 1 1586 1914 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shakespeare On The German Stage Volume 1 1586 1914 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shakespeare On The German Stage Volume 1 1586 1914 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shakespeare On The German Stage Volume 1 1586 1914 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shakespeare On The German Stage Volume 1 1586 1914 books and manuals for download and embark on your journey of knowledge?

FAQs About Shakespeare On The German Stage Volume 1 1586 1914 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
