Shakespeare Psychognostic:

Shakespeare Psychognostic: Character Evolution and Transformation W. John Weilgart, 1972 *Shakespeare Survey* Allardyce Nicoll, 1955-01-02 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback Shakespeare's Psychognostic W. John Weilgart, 1974-08-01 *Shakespeare Psychognostic* Wolfgang J. Weilgart, Ilse Löffler, 1972 *The Critical Reception of Shakespeare's Antony and Cleopatra from 1607 to 1905* Michael Steppat, 1980-01-01 Domination And Defiance Diane Elizabeth Dreher, 2014-10-17 Shakespeare was clearly fascinated by the relationship between fathers and daughters for this primal bond of domination and defiance structures twenty one of his comedies tragedies and romances In a conflict that is at once social and interpersonal Shakespeare's fathers demand hierarchical obedience while their daughters affirm the new more personal values upheld by Renaissance humanists and Puritans In her penetrating analysis of this compelling relationship Diane Dreher examines the underlying psychological tensions as well as the changing concepts of marriage and the family during Shakespeare's time She points to the pain and conflict caused by sex role polarization Shakespeare's possessive fathers tyrannize over their daughters unwilling to relinquish their masculine power and control and leaving these young women with only two alternatives paternal domination or defiance and loss of love The logic of Shakespeare's plays repudiates traditional stereotypes showing how women like Ophelia and Desdemona are destroyed by conforming to the passive Renaissance ideal The book concludes with a consideration of Shakespeare's androgynous characters dynamic women in doublet and hose and fathers who become sensitive caring and empathetic Shakespeare's balanced characters thus reconcile the polarities within themselves and bring greater harmony to their world *Domination and Defiance* is the first book on this most provocative relationship in Shakespeare Shedding new light on the complex father daughter bond character and motivation it makes a major contribution to literary studies **A Selective Bibliography of Shakespeare** James G. McManaway, Jeanne Addison Roberts, 1978-07 This bibliography provides easy access to the most important Shakespeare studies in the past four decades Brief annotations a detailed table of contents cross references and a complete index make this bibliography especially useful

Shakespeare Survey With Index 1-10: Volume 11, The Last Plays Allardyce Nicoll, 1958-01-02 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback Magic in the Web Robert B. Heilman, 2014-07-15 In his earlier work on King Lear Mr Heilman combined a number of critical procedures to form a new and important approach to Shakespearian criticism His study of Othello displays the maturity of insight and skill in analysis the years have brought him in developing his critical method Mr Heilman takes account of stage effects he traces out literal and symbolic meanings he analyzes plot relationships he examines characters in terms of both their psychological and their moral situations and style in relation to both character and meaning He traces some effects due to historical meanings which have now been lost by certain words and he tries to measure the impact of the drama upon and its significance for the modern

consciousness Mr Heilman argues that Othello is at once a play about love and a poem about love and endeavors to find out how the poetry modifies and even helps determine the nature of the whole He looks at numerous aspects of action physical activity psychological movement intellectual operations and language speech habits image types recurrency in both literal and figurative language and examines the essentially dramatic function of all of these He finds the dramatis personae interwoven in relationships which may be seen from one point of view as plot and from another as the embodiment of complex themes He treats Othello and Iago as figures that are not only fitted to a given stage but also represent permanent aspects of humanity Iago with his strategies against the spiritual order and Othello with his readiness in the victim

 Shakespeare Survey **Revelation** Brad Steiger,2006 Revelation The Divine Fire A Biblical prediction says that In the latter
 days your sons and daughters shall prophesy Brad Steiger has communicated with literally hundreds of individuals who claim
 to have received messages directly from God or from spacemen angels spirit guides or other superhuman entities It would be
 easy to dismiss these latter day prophets as deluded but amazingly their revelations all have an internal consistency a
 common theme a time of judgment is at hand and humankind must change its ways to avert disaster Moreover contemporary
 housewives business executives and Jesus people are experiencing the same symptoms of revelation a blinding light a voice
 out of nowhere an impulse to take on a new name and a new life On the track of the elusive source of these messages Steiger
 examines the spread of glossolalia and faith healing the folklore of elves and leprechauns the awesome cases where a
 revelator's body is briefly occupied by an outside personality the mysterious Elijah tradition of the Bible that suggests that
 the great prophets perhaps even Jesus were possessed by a single entity and the latest laboratory research into
 consciousness expansion Revelation The Divine Fire presents actual warnings predictions and messages from a wide
 spectrum of contemporary revelators In addition there are interviews and evaluations from a number of clergymen scientists
 and psychics who have met the Divine Fire Steiger's divine fire is something which from the beginning of recorded history
 down to the present has communicated a revelation to man Steiger is properly objective in his evaluation of the significance
 of such phenomena setting forth the opinions of various scientific or at least thoughtful observers on the subject and where
 necessary synthesizing such opinions Kirkus Reviews In the tradition of William James Varieties of Religious Experiences we
 have an important collection of valuable data that should be read and considered by any one interested in the pursuit of man
 his meaning and destiny For me this book was an exciting adventure Paul Severson Fate magazine Steiger enormously
 expands the definition of revelation What emerges is an engrossing compilation of esoteric events reported by those
 experiencing them Library Journal Brad Steiger has written a shelf full of books on psychic phenomena Many people
