Shakespeare, Authority and Hauntology: Postdramatic Performance in Walny Theatre's *Hamlet*

Abstract: The aim of this article is to explore the potential of hauntological theories to explain and problematise selected aspects of authority and performance in the context of Shakespeare's drama. Referring primarily to Derrida's and Abraham's concepts of the ghost and the phantom and their connection to Shakespeare's *Hamlet*, the article discusses hauntological perspectives on performance, both deconstructing and reaffirming authority. The paper comments on the relation between text and performance (Brook, Lehmann), memory and repetition (Carlson), disappearance and perpetual present (Phelan), as well as archive and repertoire (Taylor) in order to highlight the contradictory yet productive ways of understanding performance. The final part of the article, focusing on the significance of the ghost figure, examines experimental appropriations of Shakespeare's play in Walny Theatre's *Hamlet* (2015) in the light of postdramatic aesthetics.

Keywords: authority, hauntology, Shakespeare, Hamlet, postdramatic performance, Walny Theatre

The main objective of this article is to look at cultural presences of Shakespeare and the notion of the authority of performance from the perspective of hauntological theories and the concept of the spectrality of performance.¹ Shakespeare's drama in general—and *Hamlet* in particular—has been instrumental both in inspiring the theory of hauntology by Jacques Derrida and the earlier psychoanalytic discussion on phantoms by Maria Torok and Nicolas Abraham and in supplying the material for the analysis of performance spectrality. I intend to examine the ways in which the hauntological aspects of

* Nicolaus Copernicus University in Toruń, Poland.

¹ This article was originally based on my paper presented during the symposium on "Shakespeare and the Idea of the Authority of Performance in Polish Theatre" in Łódź in March 2016. The starting point for the debate was the concept of the authority of performance and its multiple aspects discussed by William Worthen in his 1997 book. My aim was to place the concept of authority in the context of hauntological approaches to Shakespeare, Hamlet and the ghost figure.

Shakespeare And The Authority Of Performance

Shakespeare And The Authority Of Performance:

Shakespeare and the Authority of Performance William B. Worthen, 1997-09-25 How the idea of Shakespearean authority is still invested in the activities of directing acting and scholarship

Shakespeare and the Cultures of Performance Paul Yachnin, Patricia Badir, 2017-05-15 Theatrical performance suggest the contributors to this volume can be an unpredictable individual experience as well as a communal institutional or cultural event The essays collected here use the tools of theatre history in their investigation into the phenomenology of the performance experience yet they are also careful to consider the social ideological and institutional contingencies that determine the production and reception of the living spectacle Thus contributors combine a formalist interest in the affective and aesthetic dimensions of language and spectacle with an investment in the material cultures that both produced and received Shakespeare's plays Six of the chapters focus on early modern cultures of performance looking specifically at such topics as the performance of rusticity the culture of credit contract and performance the cultivation of Englishness religious ritual and mourning and memory Building upon and interrelating with the preceding essays the last three chapters deal with Shakespeare and performance culture in modernity They focus on themes including literary and theatrical performance anxiety cultural iconicity and the performance of Shakespearean lateness This collection strives to bring better understanding to Shakespeare's imaginative investment in the relationship between theatrical production and the emotional intellectual and cultural effects of performance broadly defined in social terms

Shakespeare and the Materiality of Performance E. Lin, 2012-09-14 Winner of the MRDS 2013 David Bevington Award for Best New Book in Early Drama Studies Drawing on a wide variety of primary sources Lin reconstructs playgoers typical ways of thinking and feeling and demonstrates how these culturally trained habits of mind shaped dramatic narratives and the presentational dynamics of onstage action

The Arden Research Handbook of Shakespeare and Contemporary Performance Peter Kirwan, Kathryn Prince, 2021-03-25 The Arden Research Handbook of Shakespeare and Contemporary Performance is a wide ranging authoritative guide to research on Shakespeare and performance studies by an international team of leading scholars It contains chapters on the key methods and questions surrounding the performance event the audience and the archive the primary sources on which performance studies draws It identifies the recurring trends and fruitful lines of inquiry that are generating the most urgent work in the field but also contextualises these within the histories and methods on which researchers build A central section of research focused essays offers case studies of present areas of enquiry from new approaches to space bodies and language to work on the technologies of remediation and original practices from consideration of fandoms and the cultural capital invested in Shakespeare and his contemporaries to political and ethical interventions in performance practice A distinctive feature of the volume is a curated section focusing on practitioners in which leading directors writers actors producers and other theatre professionals comment on Shakespeare in performance and what they see as the key areas challenges and provocations for

researchers to explore In addition the Handbook contains various sections that provide non specialists with practical help an A Z of key terms and concepts a guide to research methods and problems a chronology of major publications and events an introduction to resources for study of the field and a substantial annotated bibliography The Arden Research Handbook of Shakespeare and Contemporary Performance is a reference work aimed at advanced undergraduate and graduate students as well as scholars and libraries a guide to beginning or developing research in the field and an essential companion for all those interested in Shakespeare and performance

Shakespeare and the Force of Modern Performance William B. Worthen, 2003-01-30 This book analyses how Shakespeare is recreated in historical performance

Shakespeare's Culture in Modern Performance M. Jones, 2003-10-23 Shakespeare's Culture in Modern Performance is an original study at the interface of a historicizing literary criticism and the study of modern performance In a critical climate that views the cultural object of performance as authentic in itself is there any point in exploring a script's original history The writer argues for a dialogic understanding of Shakespeare's plays in performance relative to unresolved issues of modernity in a study of modern productions on stage and screen

The Oxford Handbook of Shakespeare and Performance James C. Bulman, 2017-11-16 The Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespeareans together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences understanding of how Shakespeare speaks to them so performance criticism is continually shifting the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare's contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both through the mediums of film and sound recording and through digitalization Part IV grapples with global Shakespeare considering matters of cultural appropriation in productions played for international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today

Shakespeare Performance Studies W. B. Worthen, 2014-06-26 Taking a performance studies perspective on Shakespearean theatre W B Worthen argues that the theatrical event represents less an inquiry into the presumed meanings of the text than an effort to frame performance as a vehicle of cultural critique Using contemporary performances as test cases Worthen explores the interfaces between the origins of Shakespeare's writing as literature and as theatre the modes of engagement with Shakespeare's plays for readers and spectators and the function of changing performance technologies on our knowledge of Shakespeare This book not only provides the material for performance analysis but places important

contemporary Shakespeare productions in dialogue with three influential areas of critical discourse texts and authorship the function of character in cognitive theatre studies and the representation of theatre and performing in the digital humanities This book will be vital reading for scholars and advanced students of Shakespeare and of performance studies **Speech and Performance in Shakespeare's Sonnets and Plays** David Schalkwyk, 2002-10-17 David Schalkwyk offers a sustained reading of Shakespeare's sonnets in relation to his plays He argues that the language of the sonnets is primarily performative rather than descriptive and bases this distinction on the philosophy of Ludwig Wittgenstein and J L Austin In a wide ranging analysis of both the 1609 Quarto of Shakespeare's sonnets and the Petrarchan discourses in a selection of plays Schalkwyk addresses such issues as embodiment and silencing interiority and theatricality inequalities of power status gender and desire both in the published poems and on the stage and in the context of the early modern period In a provocative discussion of the question of proper names and naming events in the sonnets and plays the book seeks to reopen the question of the autobiographical nature of Shakespeare's sonnets ***Shakespeare, Theory and Performance*** James C. Bulman, 2003-09-02 Shakespeare Theory and Performance is a groundbreaking collection of seminal essays which apply the abstract theory of Shakespearean criticism to the practicalities of performance Bringing together the key names from both realms the collection reflects a wide range of sources and influences from traditional literary performance and historical criticism to modern cultural theory Together they raise questions about the place of performance criticism in modern and often competing debates of cultural materialism new historicism feminism and deconstruction An exciting and fascinating volume it will be important reading for students and scholars of literary and theatre studies alike ***Ethical Implications of Shakespeare in Performance and Appropriation*** Geoffrey Way, Kathryn Vomero Santos, Louise Geddes, 2024-04-30 Bringing together the discrete fields of appropriation and performance studies this collection explores pivotal intersections between the two approaches to consider the ethical implications of decisions made when artists and scholars appropriate Shakespeare The essays in this book written by established and emerging scholars in subfields such as premodern critical race studies gender and sexuality studies queer theory performance studies adaptation appropriation studies and fan studies demonstrate how remaking the plays across time cultures or media changes the nature both of what Shakespeare promises and the expectations of those promised Shakespeare Using examples such as rap music popular television theatre history and twentieth century poetry this collection argues that understanding Shakespeare at different intersections between performance and appropriation requires continuously negotiating what is signified through Shakespeare to the communities that use and consume him ***Shakespeare and the Challenge of the Contemporary*** Francesca Clare Rayner, 2021-09-23 Contemporary performance is a particularly stimulating area for the study of how Shakespeare is produced and received in different cultural contexts Francesca Clare Rayner's original and thought provoking book highlights the diversity and experimentalism of contemporary performance practices through a focus on unexplored performances in Portugal This book

references key debates within contemporary performance studies on intermediality globalization and political participation and analyses their particular configurations within the Portuguese context These case studies represent clear alternatives to the market driven view of the contemporary as the continual reproduction of the new and the topical for global consumers Instead they recast the contemporary as a site of disempowerment crisis and erasure in a Europe fragmented by economic austerity political divisions around Brexit ecological vacillation and an anxious refashioning of global relations between North and South

The Routledge Guide to William Shakespeare Robert Shaughnessy, 2013-05-13 Demystifying and contextualising Shakespeare for the twenty first century this book offers both an introduction to the subject for beginners as well as an invaluable resource for more experienced Shakespeareans In this friendly structured guide Robert Shaughnessy introduces Shakespeare's life and works in context providing crucial historical background looks at each of Shakespeare's plays in turn considering issues of historical context contemporary criticism and performance history provides detailed discussion of twentieth century Shakespearean criticism exploring the theories debates and discoveries that shape our understanding of Shakespeare today looks at contemporary performances of Shakespeare on stage and screen provides further critical reading by play outlines detailed chronologies of Shakespeare's life and works and also of twentieth century criticism The companion website at www.routledge.com/textbooks/shaughnessy contains student focused materials and resources including an interactive timeline and annotated weblinks

Shakespeare and Community Performance Katherine Steele Brokaw, 2023-08-08 This book explores how productions of Shakespearean plays create meaning in specific communities with special attention to issues of access adaptation and activism Instead of focusing on large professional companies it analyzes performances put on by community theatres and grassroots companies and in applied drama projects It looks at Shakespearean productions created by marginalized populations in Greater London Harlem and Los Angeles a Hamlet staged in the remote Faroe Islands and eco theatre made in California's Yosemite National Park The book investigates why different communities perform Shakespeare and what challenges opportunities and triumphs accompany the processes of theatrical production for both the artists and the communities in which they are embedded

A Concise Companion to Contemporary British and Irish Drama Nadine Holdsworth, Mary Luckhurst, 2013-05-28 Focusing on major and emerging playwrights institutions and various theatre practices this Concise Companion examines the key issues in British and Irish theatre since 1979 Written by leading international scholars in the field this collection offers new ways of thinking about the social political and cultural contexts within which specific aspects of British and Irish theatre have emerged and explores the relationship between these contexts and the works produced It investigates why particular issues and practices have emerged as significant in the theatre of this period

Shakespeare Studies, Vol. XLIV (44) James R. Siemon, Diana E. Henderson, 2016-09-30 Shakespeare Studies is an annual volume containing essays and studies by critics and cultural historians from around the world This issue features a forum on the work of Terence Hawkes In addition there are papers by

five young scholars five new articles and reviews of ten books *A Companion to Shakespeare and Performance* Barbara Hodgdon, W. B. Worthen, 2008-04-15 *A Companion to Shakespeare and Performance* provides a state of the art engagement with the rapidly developing field of Shakespeare performance studies Redraws the boundaries of Shakespeare performance studies Considers performance in a range of media including in print in the classroom in the theatre in film on television and video in multimedia and digital forms Introduces important terms and contemporary areas of enquiry in Shakespeare and performance Raises questions about the dynamic interplay between Shakespearean writing and the practices of contemporary performance and performance studies Written by an international group of major scholars teachers and professional theatre makers *Shakespeare's Contested Nations* L. Monique Pittman, 2022-04-28 *Shakespeare's Contested Nations* argues that performances of Shakespearean history at British institutional venues between 2000 and 2016 manifest a post imperial nostalgia that fails to tell the nation's story in ways that account for the agential impact of women and people of color thus foreclosing promising opportunities to re-examine the nation's multicultural past present and future in more intentional self-critical and truly progressive ways A cluster of interconnected stage and televisual performances and adaptations of the history play canon illustrate the function that Shakespeare's narratives of incipient British identities fulfill for the postcolonial United Kingdom The book analyzes treatments of the plays in a range of styles staged performances directed by Michael Boyd with the Royal Shakespeare Company 2000 2001 and Nicholas Hytner at the National Theatre 2003 2005 the BBC's *Hollow Crown* series 2012 2016 the RSC and BBC adaptations of *Wolf Hall* and *Bring Up the Bodies* 2013 2015 and a contemporary reinterpretation of the canon Mike Bartlett's *King Charles III* 2014 2017 This book will be of great interest to scholars and students of Shakespeare theatre and politics *Still Shakespeare and the Photography of Performance* Sally Barnden, 2020 Examines both theatrical and staged art photographs demonstrating their role in fixing and unfixing Shakespearean authority ***Shakespeare's Authentic Performance Texts*** Graham Watts, 2015-01-24 When we pick up a copy of a Shakespeare play we assume that we hold in our hands an original record of his writing We don't Present day printings are an editor's often subjective version of the script Around 25 percent of any Shakespeare play will have been altered and this creates an enormous amount of confusion The only authentic edition of Shakespeare's works is the First Folio published by his friends and colleagues in 1623 This volume makes the case for printing and staging the plays as set in the First Folio which preserved actor cues that helped players understand and perform their roles The practices of modern editors are critiqued Also included are sections on analyzing and acting the text how a complex character can be created using the First Folio and a director's approach to rehearsing Shakespeare with various exercises for both professional and student actors In conclusion all of the findings are applied to Measure for Measure
