Dutton, Jean E. Howard, 2008-04-15 This four volume Companion to Shakespeare's Works compiled as a single entity offers a uniquely comprehensive snapshot of current Shakespeare criticism Brings together new essays from a mixture of younger and more established scholars from around the world Australia Canada France New Zealand the United Kingdom and the United States Examines each of Shakespeare's plays and major poems using all the resources of contemporary criticism from performance studies to feminist historicist and textual analysis Volumes are organized in relation to generic categories namely the histories the tragedies the romantic comedies and the late plays problem plays and poems Each volume contains individual essays on all texts in the relevant category as well as more general essays looking at critical issues and approaches more widely relevant to the genre Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty first century This companion to Shakespeare's poems problem comedies and late plays contains original essays on Troilus and Cressida Measure for Measure All's Well That Ends Well Venus and Adonis The Rape of Lucrece and The Sonnets as well as Pericles The Winter's Tale Cymbeline The Tempest and The Two Noble Kinsmen

A Shakespeare Companion Frank Ernest Halliday, 1955

The Definitive Shakespeare Companion Joseph Rosenblum, 2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare's plays and poems and also covers his age life theater texts and language Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception Shakespeare's works often served to convey simple truths but they are also complex multilayered masterpieces Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the Elizabethan age they nonetheless parallel and comment on situations in his own era Written with the needs of students in mind this four volume set demystifies Shakespeare for today's readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work This indispensable ready reference examines Shakespeare's plots language and themes his use of sources and exploration of issues important to his age the interpretation of his works through productions from the Renaissance to the present and the critical reaction to key questions concerning his writings The book provides coverage of each key play and poems in discrete sections with each section presenting summaries discussions of themes characters language and imagery and clear explications of key passages Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare's sources as well as reviews of major productions The work also provides a comprehensive list of print and electronic resources suitable for student research

A Shakespeare Companion, 1964

A Shakespeare Companion, 1564-1964 Frank Ernest Halliday, 1968

The Shakespeare Companion William Shakespeare, 1947

A Shakespeare Companion Frank E. Halliday, 1964

The Cambridge Companion to Shakespeare Margreta de Grazia, Stanley Wells, 2001-04-05 This book offers a comprehensive readable and authoritative introduction to the study of Shakespeare by means of nineteen newly commissioned essays An international team of prominent scholars provide a

broadly cultural approach to the chief literary performative and historical aspects of Shakespeare's work. They bring the latest scholarship to bear on traditional subjects of Shakespeare study such as biography, the transmission of the texts, the main dramatic and poetic genres, the stage in Shakespeare's time, and the history of criticism and performance. In addition, authors engage with more recently defined topics: gender and sexuality, Shakespeare on film, the presence of foreigners in Shakespeare's England, and his impact on other cultures. Helpful reference features include chronologies of the life and works, illustrations, detailed reading lists, and a bibliographical essay.

Critical Companion to William Shakespeare Charles Boyce, 2005-01. More than three thousand entries provide information on Shakespeare's life and works.

A Companion to Shakespeare's Works, Volume I Richard Dutton, Jean E. Howard, 2008-04-15. This four-volume Companion to Shakespeare's Works, compiled as a single entity, offers a uniquely comprehensive snapshot of current Shakespeare criticism. It brings together new essays from a mixture of younger and more established scholars from around the world: Australia, Canada, France, New Zealand, the United Kingdom, and the United States. It examines each of Shakespeare's plays and major poems using all the resources of contemporary criticism, from performance studies to feminist historicist and textual analysis. Volumes are organized in relation to generic categories: namely, the histories, the tragedies, the romantic comedies, and the late plays, problem plays, and poems. Each volume contains individual essays on all texts in the relevant category, as well as more general essays looking at critical issues and approaches more widely relevant to the genre. It offers a provocative roadmap to Shakespeare studies at the dawning of the twenty-first century. This companion to Shakespeare's tragedies contains original essays on every tragedy from *Titus Andronicus* to *Coriolanus*, as well as thirteen additional essays on such topics as Shakespeare's Roman tragedies, Shakespeare's tragedies on film, Shakespeare's tragedies of love, *Hamlet* in performance, and tragic emotion in Shakespeare.

The Definitive Shakespeare Companion Joseph Rosenblum, 2017-06-22. This expansive four-volume work gives students detailed explanations of Shakespeare's plays and poems and also covers his age, life, theater, texts, and language. Numerous excerpts from primary source historical documents contextualize his works, while reviews of productions chronicle his performance history and reception. Shakespeare's works often served to convey simple truths, but they are also complex, multilayered masterpieces. Shakespeare drew on varied sources to create his plays, and while the plays are sometimes set in worlds before the Elizabethan age, they nonetheless parallel and comment on situations in his own era. Written with the needs of students in mind, this four-volume set demystifies Shakespeare for today's readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work. This indispensable ready reference examines Shakespeare's plots, language, and themes; his use of sources; and exploration of issues important to his age: the interpretation of his works through productions from the Renaissance to the present, and the critical reaction to key questions concerning his writings. The book provides coverage of each key play and poem in discrete sections, with each section presenting summaries, discussions of themes, characters, language, and imagery, and clear explications of key passages.

Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare's sources as well as reviews of major productions. The work also provides a comprehensive list of print and electronic resources suitable for student research.

The Definitive Shakespeare Companion: Overviews and the history plays Joseph Rosenblum, 2017

The Shakespeare Companion Emma Jones, Rhiannon Guy, 2005-09-29 From Bardolotry to sniggering at Shakespeare this book unearths all the oddities, quirks and stories behind Shakespeare's world. It looks at the man behind the moustache and his works and at the effect he's had on the English language as we know it.

A Feminist Companion to Shakespeare Dymphna Callaghan, 2016-03-23 The question is not whether Shakespeare studies needs feminism but whether feminism needs Shakespeare. This is the explicitly political approach taken in the dynamic and newly updated edition of *A Feminist Companion to Shakespeare*. Provides the definitive feminist statement on Shakespeare for the 21st century. Updates address some of the newest theatrical and creative engagements with Shakespeare offering fresh insights into Shakespeare's plays and poems and gender dynamics in early modern England. Contributors come from across the feminist generations and from various stages in their careers to address what is new in the field in terms of historical and textual discovery. Explores issues vital to feminist inquiry including race, sexuality, the body, queer politics, social economies, religion and capitalism. In addition to highlighting changes it draws attention to the strong continuities of scholarship in this field over the course of the history of feminist criticism of Shakespeare. The previous edition was a recipient of a Choice Outstanding Academic Title award; this second edition maintains its coverage and range and brings the scholarship right up to the present day.

Fuel your quest for knowledge with Learn from is thought-provoking masterpiece, Explore **Shakespeare Companion I** . This educational ebook, conveniently sized in PDF (*), is a gateway to personal growth and intellectual stimulation. Immerse yourself in the enriching content curated to cater to every eager mind.
