Long Stays In Spain:

Buying a Property in Spain For Dummies Colin Barrow, 2010-06-21 Buying a property abroad is one of the biggest decisions you'll ever make. But don't worry, your Spanish dream needn't become a nightmare. From finding an estate agent and arranging a mortgage to negotiating the best price and moving in, this book is packed with practical advice on every aspect of the Spanish property market. It leads you safely and simply through the legal, logistical and financial minefields, helping you maximise your time and your money to enjoy a hassle-free property purchase. **France * Spain: Basque Country and Navarre** Murray Stewart, 2024-12-06 This new thoroughly updated third edition of *The Basque Country and Navarre*, Bradt's award-winning guidebook, remains the most in-depth guide to a multi-lingual, multi-cultural borderland that is neither Spain nor France but straddles the Pyrenees mountains that divide the two countries. Bradt's guide offers real insights into a profound regional identity, uncovering the peculiarities which imbue the area with intrigue and takes you way beyond the delightful well-known cities into the heart of the beautiful Basque countryside. Deep-seated Basque traditions, singular cuisine, world-class wine, strange sports, unique language, bold art and architecture all converge to showcase a land that continues to mystify and reveal itself the more you visit. Secluded valleys and rugged mountains, wild coastlines and the vestiges of industry long gone provide a strange mix that pays homage to a troubled past, a lively present and a constant reinvention that promises an exciting future for the Basques. Large and sparsely populated, little-known and little-visited, neighbouring Navarre offers natural attractions ranging from high Pyrenees to arid semi-desert. This former kingdom's troublesome history is waymarked by lonely hilltop castles but only in the frenetic bull-running days of Pamplona's San Fermín festival does it announce itself noisily on the world stage, welcoming hundreds of thousands of visitors to Ernest Hemingway's favourite party town. With advice on where to walk, cycle, horseride, surf and birdwatch, accompanying traditional listings of where to stay and eat, author Murray Stewart guides travellers through this increasingly popular area. Find the best pintxos, tapas and txakoli wine, the finest chuletín (beef chop) and the freshest fish. From elegant Biarritz via the French Basque Pyrénées to the Navarran badlands of Bardenas Reales, travel to fascinating, less-visited places that host thrilling local festivals. New elements in this edition include a host of elegant hotels in San Sebastián, the city on the beach; transport improvements; new restaurants serving culinary specialities; a major reconfiguration of Bilbao's Bellas Artes museum; and constantly evolving wine tourism opportunities. Whether you are a hiker or surfer, foodie or cyclist, spiritualist or golfer, let Bradt's *The Basque Country and Navarre* help you enjoy a fascinating, rewarding holiday. **The Rough Guide to Spain**, 2012-05-04 The new full-colour *Rough Guide to Spain* is the ultimate guide to one of Europe's most vibrant and exciting countries. Wernham, 2020-11-25 Actions against the Spanish Armada and campaigns in the Netherlands left the Queen's coffers empty For this reason proposals to capture the Spanish treasure fleet were given royal support The treasure fleet homeward bound from the Americas would be intercepted in the Azores A diversion at Santander to damage the Spanish fleet would prevent protection of the treasure fleet and more importantly prevent further actions against England or Ireland However the project was diverted further with backers

wanting to re instate Don Antonio as King of Portugal with ideas of gaining lucrative Portuguese trade rights At sea a further diversion was taken with news of shipping at Corunna and the prospect of capturing merchantmen Profit was already challenging strategy This diversion gave their enemies more time to prepare The failure at Lisbon was partly from a lack of co ordination between the navy and army but also from the lack of promised support from Don Antonio s supporters The decision to sail for the Azores to intercept the Spanish treasure fleet was at last made only for Drake to be driven back to England by a storm Short of supplies and with sick crews the ships were in no condition to continue with the Queen s demands so there was no great treasure and the Spanish fleet was still in being The sale of prizes and their contents failed to cover the cost of the expedition and so the expedition was considered a financial and strategic failure
