

THE
LONG TRIP
A PREHISTORY OF PSYCHEDELIA

PAUL DEVEREUX

Long Trip The Prehistory Of Psychedelia

Christopher Partridge

Long Trip The Prehistory Of Psychedelia:

The Long Trip Paul Devereux, 1997 A wide variety of psychedelics primarily plants and mushrooms have been used consistently by human societies for ritual purposes for centuries This illuminating book presents a pioneering study of the uses of psychedelic drugs from ancient times to the present Illustrations Deeper Learning with Psychedelics David J. Blacker, 2024-06-01 In both clinical and informal settings psychedelics users often report they have undergone something profound and even life altering Yet there persists a confounding inability to articulate just what has been imparted Informed by multidisciplinary emerging research this book provides an account of the specifically educational aspects of psychedelics and how they can render us ready to learn Drawing from indigenous peoples worldwide who typically revere these substances as plant teachers and from canonical thinkers in the western tradition such as Plato Spinoza Kant and Heidegger the author proposes an original set of categories through which to understand the educational capabilities of entheogens psychedelics with visionary qualities It emerges that entheogens real power lies not in destabilizing and decentering turning on and dropping out but as powerful aids in restoring and reenchanting our shared worlds Tripping Charles Hayes, 2000-11-01 Provides the much needed coming out of the closet that the psychedelic movement has lacked These stories will captivate inspire caution and educate This courageous book exceeds expectations Rich Doblin President Multidisciplinary Association for Psychedelic Studies MAPS A collection of transformational psychedelic experiences and a guidebook for how to understand them Flash back to a generation ago when the world of psychedelics still coasted in the gritty adventurous do it yourself ethos of Sixties counterculture Hang on for the bumpy thrill ride of the psychedelic experience before it was traded in for the white lab coat of pharmaceutical medicine Read up on the early anecdotes and field reports that have made ketamine and MDMA the newest drugs in mental health treatment In Tripping journalist Charles Hayes compiles fifty narratives of psychedelic odysseys from respectable Baby Boomers and young ravers to renowned Beat poet Anne Waldman and preeminent spokesperson Terence McKenna to give readers a glimpse into this transgressive experimental world of self discovery As he liberates psychedelics from their social stigma Hayes explores ancient Greek rites and ecstasy fueled raves sacred indigenous plants and synthetic smart drugs alien encounters and connections with nature the terrifying and the sublime A history cultural timepiece and resource guide all in one Tripping is a compendium of forbidden memories whose otherworldly tales and expository advice will provide insight and inspiration to readers even and especially now twenty years after its original publication Otherworlds David Luke, 2019-05-24 Scientist and psychonaut David Luke weaves personal experience and scientific research in this comprehensive exploration of chemically mediated extra ordinary human experiences Emphasizing parapsychological aspects of the psychedelic experience Luke s new book fills in a fascinating and previously neglected lacuna in the burgeoning field of human studies with these compounds Rick Strassman PhD A psychedelic Indiana Jones Matt Colborn PhD David Luke s delightful one liner about his book is that it s

about weird people in weird places taking weird substances doing weird things and importantly having weird experiences On reflection it's much more profound than that So weird reader forge ahead without fear Dean Radin PhD In his fascinating book David plunges into this controversial topic and gives the backstory the front story and possible ways forward to bring paranormal and psychedelic research together and further our understanding of both Dennis J McKenna PhD A remarkable collection and a necessary one This body of research illuminates aspects of psychedelic experiences usually obscured or denied in the medical and clinical research and sensationalized in the popular press James Fadiman PhD A real Dr Gonzo Will Self *The Acid Queen* Susannah Cahalan, 2025-04-22 Shines a light on one of the twentieth century's most amazing untold life stories An essential read and an unforgettable trip Robert Kolker author of Hidden Valley Road Cahalan details a piece of lost but fascinating history the story of a woman who embodied an era of freedom experimentation and psychedelic adventure Meticulously reported and beautifully crafted Susan Orlean The untold story of the woman who played a critical role in bringing psychedelics into the mainstream until her audacious exploits forced her into the shadows from the 1 New York Times bestselling author of Brain on Fire Rosemary Woodruff Leary has been known only as the wife of Timothy Leary the Harvard professor turned psychedelic high priest whose jailbreak captivated the counterculture and whose life on the run with Rosemary inflamed the government But Rosemary was more than a mere accessory She was a beatnik a psychonaut and a true believer who tested the limits of her mind and the expectations for women of her time Long overlooked by those who have venerated her husband Rosemary spent her life on the forefront of the counterculture working with Leary on his books and speeches sewing his clothing and shaping for better and for worse the media's narrative about LSD Ultimately Rosemary sacrificed everything for the safety of her fellow psychedelic pioneers and the preservation of her husband's legacy Drawing from a wealth of interviews diaries archives and unpublished sources Susannah Cahalan writes the definitive portrait of Rosemary Woodruff Leary reclaiming her narrative and her voice from those who dismissed her Page turning revelatory and utterly compelling *The Acid Queen* shines an overdue spotlight on a pioneering psychedelic seeker **Failed God** John A. Rush, 2019-04-16 On a 2001 trip to the cathedrals of Europe anthropologist John Rush and his wife entered St Mark's Basilica in Venice and encountered a mosaic depicting Jesus surrounded by mushrooms with an Amanita muscaria cap in his hand Examining the space with new eyes they discovered images of mushrooms and mind altering plants all over the Basilica Intrigued Dr Rush spent seven years researching and reflecting on the profound effects hallucinogens had on the founding of all three major Western religions He concluded that Judaism Christianity and Islam are political constructions evolving out of the use of not only Amanita muscaria but a plethora of mind altering substances *Failed God* Fractured Myth in a Fragile World re-examines the scriptural stories of Judaism Christianity and Islam as told in the Bible and Qur'an and reveals them as concocted mythical charters stemming from drug induced romps with the supernatural Rush shows how mind altering substances played an instrumental role in the birth and development of Western religions and explains how they contributed

to reports of prophetic experiences including angry and disturbing messages from the divine With chapters on Judaism Christianity and Islam Rush fully addresses the effects of mind altering substances on each tradition convincingly discrediting the idea that they stem from actual human interaction with the divine He also shows how an intoxicated and over zealous Apostle Paul corrupted Jesus s simple message of human decency forming an oppressive religious system based on fear In a thought provoking conclusion Rush asks how we can continue to attribute authority to traditions that were so clearly irrationally founded and incompatible with today s world *Cognitive Models and Spiritual Maps* Jensine

Andresen, Robert K. C. Forman, 2000 This book throws down a challenge to religious studies offering a multidisciplinary approach including developmental psychology neuropsychology philosophy of mind and anthropology **Ploughing the Clouds** Peter Lamborn Wilson, 2021-10-20 The Rig Veda written in India about 1500BC praises a holy plant called Soma which is sacrificed and consumed granting the drinker an experience of enlightenment and ecstasy The late Gordon Wasson identified Soma as a magic mushroom *Amanita muscaria* and he and his followers discovered that such Indo Europeans as the ancient Greeks Iranians and Norse had also used a Soma type plant In *Ploughing the Clouds* Peter Lamborn Wilson investigates the probability of a Soma cult in ancient Ireland tracing clues in Irish and other Celtic lore By comparing Celtic folktales romances epics and topographic lore with the Rig Veda he uncovers the Irish branch of the great Indo European tradition of psychedelic or entheogenic shamanism and even reconstructs some of its secret rituals He uses this comparative material to illuminate the deep meaning of the Soma function in all cultures the entheogenic origin of poetic frenzy the link between intoxication and inspiration **Marijuana Medicine** Christian Rätsch, 2001-03-01 A comprehensive survey of the

therapeutic historical and cultural uses of cannabis in traditions around the world The most complete visual record of cannabis culture ever published Christian Ratsch is one of the world s foremost ethnopharmacologists and is the current president of the German Society for Ethnomedicine *Marijuana Medicine* explores the role of hemp in medicinal systems spanning the globe Cannabis has accompanied the development of human culture from its very beginnings and can be found in the healing traditions of cultures throughout Africa Asia Europe and the Americas Even today it is an important part of many Asian healing traditions in Ayurveda cannabis is praised for its tonic and aphrodisiac qualities and in traditional Chinese medicine it is cited as a superb antidepressant It also remains a significant part of the healing and visionary traditions of Latin American curanderos and Brazilian Nepalese and Indian folk medicine Modern research has confirmed the effectiveness of marijuana s application in treating such diseases as asthma and glaucoma Christian Ratsch profiles the medicinal historical and cultural uses of cannabis in each of these societies and medical systems providing remedies and recipes for those interested in how cannabis can be used to treat specific conditions **The Re-Enchantment of the West, Vol 2** Christopher Partridge, 2006-06-20 Challenging some assessments of religion in the West this study argues that although much organized religion particularly Christianity is in numerical decline in actual fact we are witnessing an

alternative spiritual re enchantment of society and culture

Long Trip The Prehistory Of Psychedelia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Long Trip The Prehistory Of Psychedelia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Long Trip The Prehistory Of Psychedelia has opened up a world of possibilities. Downloading Long Trip The Prehistory Of Psychedelia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Long Trip The Prehistory Of Psychedelia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Long Trip The Prehistory Of Psychedelia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Long Trip The Prehistory Of Psychedelia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Long Trip The Prehistory Of Psychedelia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Long Trip The Prehistory Of Psychedelia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Long Trip The Prehistory Of Psychedelia Books

1. Where can I buy Long Trip The Prehistory Of Psychedelia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
