Ekkehard Wolff, Pamela Maseko, Russell H Kaschula, Christine Anthonissen, Bassey E Antia, 2017-05-01 An in depth look at the changing sociolinguistic dynamics that have influenced South African society To date there has been no published textbook which takes into account changing sociolinguistic dynamics that have influenced South African society Multilingualism and Intercultural Communication breaks new ground in this arena The scope of this book ranges from macro sociolinguistic questions pertaining to language policies and their implementation or non implementation to micro sociolinguistic observations of actual language use in verbal interaction mainly in multilingual contexts of Higher Education HE There is a gradual move for the study of language and culture to be taught in the context of professional disciplines in which they would be used for example Journalism and African languages Education and African languages etc The book caters for this growing market Because of its multilingual nature it caters to English and Afrikaans language speakers as well as the Sotho and Nguni language groups _ the largest languages in South Africa and also increasingly used in the context of South African Higher Education It brings together various inter linked disciplines such as Sociolinguistics and Applied Language Studies Media Studies and Journalism History and Education Social and Natural Sciences Law Human Language Technology Music Intercultural Communication and Literary Studies The unique cross cutting disciplinary features of the book will make it a must have for twenty first century South African students and scholars and those interested in applied language issues

The Perfect Learners' Dictionary (?) Thomas Herbst, Kerstin Popp, 2011-08-25 This volume undertakes a detailed analysis of the latest generation of learners dictionaries of English It assembles the papers delivered at the eponymous symposium held at the University of Erlangen N rnberg in April 1997

There are a number of reasons why these dictionaries are of special lexicographic interest 1 the type of learners dictionary associated notably with the name of Hornby can look back on a long tradition in British lexicography 2 competition between various publishers since the late 70s has given crucial impetus to the development of these dictionaries 3 these new dictionaries are decisively marked by the evaluation of large scale computer corpora Central to the volume is the in depth comparison of four dictionaries published in 1995 OALD5 LDOCE3 COBUILD2 CIDE The aim is to exemplify specific differences of approach in the four dictionaries from a wide range of viewpoints definitions information on valency and collocations policy on usage examples political correctness etc A number of articles also enlarge on the history of learners dictionaries of English the significance of corpus linguistics for lexicography and perspectives for the future notably in connection with the electronic media *New Technologies for the Humanities* Christine Mullings, Stephanie Kenna, Marilyn Deegan, Seamus Ross, 2019-05-20 No detailed description available for *New Technologies for the Humanities* Практика усного та писемного англійського мовлення: фразові дієслова та синоніми.
