Look At It This Way Different Perspectives On Christian Living:

Look at It This Way Jack McArdle, 2005 A personal theological exploration of the afterlife **The Gift of Purpose** J. Alexander Rutherford, 2020-12-18 Many writers and commentators are convinced that Western culture and society are unravelling Who can blame them As I write this violent protests rage across the USA in response to senseless murders The political sphere has never seemed to virulent and a deadly epidemic has affected all our lives Many are agreed that there are serious problems working themselves out in Western society yet among Christians there is little agreement over the approach we should take to the West and its problems This issue how Christians should approach engagement with culture is not a new one nor is it a uniquely Western issue Christians in every age and in every culture are confronted with this question In response to many today who see it as the Christian responsibility to save the West to preserve its unique cultural heritage and achievements this author argues that our lives in this world need to be governed by three theological themes ecclesiology soteriology and eschatology That is we must prioritize the local church engage with society with the understanding that earthly kingdoms are manifestations of Satan s kingdom and live in light of Christ s imminent return

The Pursuit of Meaning Benicia Masangu, 2022-07-12 The book is a simplified and structured way of understanding the reason for the complex journey of life on earth as God sees it and the presentation of the path that leads to meaning and redemption Worldview as Worship Eddie Karl Baumann, 2011-08-01 The goal of many evangelical educators is to facilitate biblical thinking and the worldview transformation of their students Yet aside from upholding a set of moral behaviors or maintaining positions on issues perceived to be Christian the goals and aspirations of most evangelical young people differ little from their unbelieving peers As George Barna has noted We have a generation coming up that isn t looking at Christianity to answer spiritual concerns We either change or we lose them Worldview as Worship contends that the approach taken by most evangelical educators to the issue of worldview transformation has neglected to address two fundamental components of worldviews First that our initial worldviews are not philosophical systems but rather faith dispositions and that worldview transformation cannot simply present the biblical worldview as a more rational or logical system but must address issues of the heart as well as the mind Second unlike philosophies that are individual worldviews are communal and are learned and transformed within the context of community practice Appealing to Paul s teaching in Romans 12 1 2 Worldview as Worship approaches the renewing of your mind as the result of the believer s presentation of themselves as a holy sacrifice which is your spiritual service of worship The book advocates an approach to worldview transformation that focuses on believers as apprentices rather than simply as students an approach that holds true to the biblical model of discipleship As a result worldview transformation works best when the application of faith to the issues of learning and life are modeled by the faith community and where students are given the opportunity to put faith into practice

Augustine on the Christian Life Gerald Bray, 2015-10-14 Augustine is widely considered to be one of the most influential

theologians of all time and stands as a giant among giants in the history of the Christian faith. However, while many Christians are familiar with the broad strokes of his theology, few readers today have explored the riches of his spiritual life. In this addition to Crossway's growing Theologians on the Christian Life series, renowned scholar Gerald Bray seeks to show us that Augustine is just as relevant today as it was in AD 430. Focusing on the North African pastor's personal transformation and dependence on the Word of God, Bray gives us a picture of this ancient hero of the faith that can sharpen and encourage modern believers. Part of the Theologians on the Christian Life series. **Themelios, Volume 41, Issue 2** D. A.

Carson, 2016-08-23 Themelios is an international evangelical peer-reviewed theological journal that expounds and defends the historic Christian faith. Themelios is published three times a year online at The Gospel Coalition (<http://thegospelcoalition.org/themelios>) and in print by Wipf and Stock. Its primary audience is theological students and pastors, though scholars read it as well. Themelios began in 1975 and was operated by RTSF/UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008. The editorial team draws participants from across the globe as editors, essayists, and reviewers. General Editor: D. A. Carson, Trinity Evangelical Divinity School; Managing Editor: Brian Tabb, Bethlehem College and Seminary; Consulting Editor: Michael J. Ovey, Oak Hill Theological College; Administrator: Andrew David Naselli, Bethlehem College and Seminary; Book Review Editors: Jerry Hwang, Singapore Bible College; Alan Thompson, Sydney Missionary; Nathan A. Larry Richards, 2011-09-14 Question your assumptions. Burst from your comfort zone. Experience the one of a kind spiritual shock therapy of Fr. Larry Richards for effective Christian living. A gifted and captivating speaker, preacher, and retreat master, Fr. Richards will challenge you to let go of attachments, assumptions, and excuses that hold you back and give yourself more fully to God. What is it in your life that you hold on to so tightly that you can't surrender it in order to receive everything God wants to give you? Take a plunge with the tough love life coach we all wish we had. Surrender yourself. Take a free fall of faith and allow Jesus to catch you. The Catholic Moral Tradition Today Charles E. Curran, 1999-04-05 The Catholic tradition has always tried to explain its theology in a coherent and systematic way, but the great changes and tensions existing within Catholic moral theology today have made it difficult to develop systematic approaches to what was once called fundamental moral theology. Now a leading scholar active in this field for forty years offers a synthesis of Catholic moral theology set in the context of the broader Catholic tradition and the significant developments that have occurred since the Second Vatican Council. Charles E. Curran's succinct, coherent account

of his wide ranging work in Catholic moral theology points out agreements disagreements and changes in significant aspects of the Catholic moral tradition His systematic approach explores major topics in a logical development the ecclesiological foundation and stance of moral theology the person as moral subject and agent virtues principles and norms conscience and decision making and the role of the church as a teacher of morality Curran s work condenses and organizes a large amount of material to show that the Catholic theological tradition is in dialogue with contemporary life and thought while remaining conscious of its rich history Of great interest to theologians for its broad synthetic scope this book is also a thorough introduction to the Catholic moral tradition for students and interested readers including non Catholics

Justification and the Kingdom of God, Volume One Paul Chul Hong Kang, 2025-01-17 The Justification and Kingdom of God series seeks to answer the question How can justified Christians in Jesus bear the fruit of faith reflecting growth in God s image To address this the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ This reveals the deeper meaning of the gospel and the restoration of God s image uncovering hidden treasures Now the challenge is whether you will accept these treasures The Kingdom of the Covenant emphasizes the eternal kingdom of the living God through the lens of God s righteousness This encourages readers to remember God s righteousness which runs through his covenants serves as the legal standard of governance the standard of salvation and the standard of a good life Just as God s righteousness is the foundation of his word for his kingdom God s word is the standard for wisdom knowledge judgment and actions Through his word God opens the gates of heaven and connects the present reality of lives with the eternal nature of his kingdom Now lives of faith on this earth carry eternal consequences This book asks What would you do with this gift God s word

Inside the Small Church Anthony G. Pappas, 2001-11-01 Even as so called megachurches capture the attention of many church watchers small congregations continue to dominate America s religious landscape in both rural and urban settings Although sometimes obscured by their larger siblings these small churches play a prominent role and hold a unique place in both local and national cultures How can leaders help to keep these often at risk churches alive and to meet their potential for ministry Small church expert Tony Pappas has gathered a cornucopia of essays into an indispensable book for anyone interested in the rich life of these small but significant congregations Drawing on classic and updated articles by a variety of writers from his own small church newsletter The Five Stones from Alban journals Action Information and Congregations and adding new pieces developed especially for this volume Pappas provides timeless ideas on learning to value pastor develop and lead the small church In addition to time honored articles by the editor other contributors to this volume include Sherry and Douglas Alan Walrath Gary Farley Lawrence W Farris Loren Mead Caroline Westerhoff Steven Burt Carl Dudley David Ray James Lowery and a host of others known for their work and love for the small church Readers of Inside the Small Church will come away with a renewed love and appreciation for these vital congregations as well as with new skills for ministry
