strikingly illustrated What reflection could be better calculated to moderate the enthusiasm of reformers who count for their reward on the lively gratitude of future ages Author *Looking Backwards* Edward Bellamy,2017-05-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Looking Backward, 2000-1887 - Primary Source Edition** Edward Bellamy,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *Looking Backward, 2000-1887* Edward Bellamy,2014-08-26 A masterwork of science fiction that imagines the world not just how it could be but how it should be In Boston in the year 1887 Julian West is hypnotized and falls into a deep sleep He awakens at the dawn of a new millennium in an America where war crime and inequality no longer exist In this brave new world goods are delivered in the blink of an eye public kitchens ensure that no one goes hungry and the retirement age is forty five It sounds too good to be true but Julian soon learns that this socialist utopia is not the stuff of dreams it is a carefully planned wondrously liberating reality One of the bestselling American novels of the nineteenth century *Looking Backward* launched a vibrant political movement and sparked an enormous amount of debate Today it stands as an enduring testament to the power of imagination and the best of human nature This ebook has been professionally proofread to ensure accuracy and readability on all devices **Looking Backward** Edward Bellamy,1926 **Looking Backwards** Wilmon Brewer,1985
