Looking Toward the Pacific Century Tiffany Farrell Larbalestier, 1996 U.S.-China Relations in the "Asia-Pacific" Century S. Ali, 2016-04-30 This book traces the evolution of post Cold War relations between China and the US focusing on their often conflicting efforts to achieve economic growth military prowess and technological sophistication Adopting a dual approach with equal emphasis on Beijing and Washington it sheds new light on the relationship between the countries

The Asia-Pacific Century Adam B. Lowther, 2013-08-28 When Secretary of State Hillary Clinton published America's Pacific Century in Foreign Policy magazine in November 2011 the administration was clearly indicating to domestic and international audiences that the United States is beginning a pivot toward the Asia Pacific Clinton's article served as a spark for renewed interest in the nation's Asia *Origins and Evolution of the US Rebalance toward Asia* H. Mejier, 2015-04-01 This book provides a multifaceted analysis of the so called US rebalance or pivot toward Asia by focusing on the diplomatic military and economic dimensions of the American policy shift in the Asia Pacific region *The Asia-Pacific Century* Adam Lowther, 2013 When Secretary of State Hillary Clinton published America's Pacific Century in Foreign Policy magazine in November 2011 the administration was clearly indicating to domestic and international audiences that the United States is beginning a pivot toward the Asia Pacific Clinton's article served as a spark for renewed interest in the nation's Asia Asia Pacific Countries and the US Rebalancing Strategy David W.F. Huang, 2016-06-29 This book examines the success of the US rebalancing or pivot strategy towards Asia placing the US pivot in a historical context while highlighting its policy content and management dilemmas Further the contributors discuss the challenges and opportunities that each regional state confronts in responding to the US rebalancing strategy In 2011 President Barack Obama laid out the framework for a strategic pivot of US policy towards the Asia Pacific region Writers in this volume focus specifically on Asian perception of the strategy Among the topics they explore are China's desire to be seen as equal to the US while maintaining foreign policy initiatives independent of the US strategic rebalance the strengthening of Japan's alliance with the US through its security policies the use of US China competition by South Korea to negotiate its influence in the region and Australia's embrace of the strategy as a result of foreign direct investment that provides economic benefits to the country Pacific Century Mark Borthwick, 2018-04-20 This book examines the role of the international financial system in the development of Pacific Asia and conversely the region's growing influence on North America and the world economy It looks at the distant future being devoted primarily to understanding the emergence of modern Pacific Asia **The Battle for Asia** Mark T. Berger, 2004-03-01 Asia has long been an ideological battleground between capitalism and communism between nationalism and Westernisation and between the nation state and globalization This book is a history of the Asian region from 1945 to the present day which delineates the various ideological battles over Asia's development Subjects covered include theories of development decolonization US political and economic intervention the effects of communism the end of the Cold War the

rise of neo liberalism Asia after the crisis Asia in the era of globalisation Broad in sweep and rich in theory and empirical detail this is an essential account of the growth of Asian miracle and its turbulent position in the global economy of the twenty first century China - U.S. relations in the 21st century fostering cooperation preventing conflict. , **Review of U.S.Japan relations : hearing** , **The New Global Politics of the Asia-Pacific** Michael K. Connors,Rémy Davison,Jörn Dosch,2017-10-30 Now in its new and fully updated third edition The New Global Politics of the Asia Pacific continues to provide a compelling analysis of a region undergoing dramatic changes Based on new research and offering fresh interpretation this edition evaluates the prospects for continuing US dominance in the Asian Century Whilst presenting evidence for a multifaceted Beijing Strategy which aims to counter the US by building an alternative regional order it also explains Japan s definitive departure from its limited military role Providing an introductory guide for the main frameworks needed to understand the region including realism liberalism and critical theory this new edition is reader friendly and offers sophisticated competing explanations Key content includes Intra regional conflicts in the South China Sea and the Korean peninsula The different responses within the Asia Pacific to the globalization of Western ideas of democracy and political economy The underappreciated success of the Association of Southeast Asian Nations in building a regional identity The European Union s soft power in the region A highly topical account which offers an overview of the main actors institutions and contemporary issues in the Asia Pacific the book will be essential reading for undergraduate students of Asian Studies International Politics and anyone interested in the region **Chinese Maritime Power in the 21st Century** Hu Bo,2019-08-23 This book analyses China s maritime strategy for the 21st century integrating strategic planning policy thinking and strategic prediction This book explains the construction and application of China s military political economic and diplomatic means for building maritime power and predicts the future of China s maritime power by 2049 as well as development trends in global maritime politics It explores both the strengths and the limitations of President Xi s Maritime Dream and provides a candid assessment of the likely future balance at sea between China and the United States This volume explains and discusses China s claims and intentions in the East and South China Seas and makes some recommendations for China s future policy that will lessen the chance of conflict with the United States and its closer neighbors This book will be of much interest to students of maritime strategy naval studies Chinese politics and International Relations in general **The Future of U.S. Foreign Policy in Asia and the Pacific** United States. Congress. House. Committee on International Relations. Subcommittee on International Economic Policy and Trade,1996 **Changing US Foreign Policy toward India** Carina van de Wetering,2016-10-26 This book uncovers how US India relations have changed and intensified during the administrations of Bill Clinton George Bush Jr and Barack Obama Throughout the Cold War US India relations were often distant and volatile as India mostly received attention at times of grave international crises but from the late 1990s onwards the US showed a more sustained interest in India How was this shift possible While previous

scholarship has focused on the civilian nuclear deal as a turning point this book presents an alternative account for this change by analyzing how India's identity has been constructed in different terms after the Cold War It examines the underlying discourse and explains how this enables or constrains US foreign policymakers when they establish security policies with India and improve US India relations China - U.S. Relations in the 21st Century, 1996 **The Rise of East Asia** Mark Berger, Douglas Borer, 2002-09-11 There is great interest in the Pacific Century and what its implications for the future will be The rapid economic growth of East Asia was already setting the region apart from the rest of the world by the 1970s By the 1980s the trend was seen to have spread southward to Thailand Malaysia and Indonesia while China's provinces had also become integral to the regional economic boom In this exciting new study many of the ideas and expectations associated with the Pacific Century are placed under critical scrutiny The book includes studies of particular countries such as China Japan South Korea Vietnam Indonesia and Malaysia There is analysis of economic and political trends in the region the reasons behind its rise and its importance on a global scale The rise of East Asia represents an historic turning point with immense significance world wide This book will be of interest to anyone concerned about the new approaches to and the debate about the rise of east Asia and the coming of the Pacific Century Security In Korea Phil Williams, Donald M Goldstein, 2019-07-11 An erratic aging North Korean leadership intent on dynastic succession and development of nuclear weapons is attracting a lot of attention in the Asia Pacific Region an area of utmost importance to the United States Current concerns about security in Korea provide the backdrop to this volume which offers an overview of the evolution of security on the Korean peninsula and an assessment of the U S role there from the 1940s to the present A distinctive feature of this volume is the long historical perspective that is brought to bear on contemporary security dilemmas The renowned contributors examine U S policy prior to and during the Korean War and look at the subsequent changes in U S commitment to South Korea during a period of global stalemate that had been shaped in part by the war itself The authors then assess the future of U S Korean relations within the context of the changing international environment considering the prospects for future strife the merits of a cooperative security system and the possibility of reunification East Asian Regionalism Christopher M. Dent, 2016-06-02 East Asia is one of the world's most dynamic and diverse regions and is also becoming an increasingly coherent region through the inter play of various integrative economic political and socio cultural processes Fully updated and revised throughout this new edition explores the various ways in which East Asian regionalism continues to deepen The second edition has been expanded to incorporate coverage of significant issues that have emerged in recent years including Growing tensions in the region over maritime territory and historical issues Competing regional free trade agreement negotiations The impact of the global financial crisis on financial co operation and engagement with global governance Obama's pivot to Asia and developments in US relations with East Asia The influence of new technology and social media on micro level regional relations The growing importance of new diplomacy issues such as energy security

climate change food security and international migration Key pedagogical features include end of chapter study questions case studies that discuss topical issues with study questions also provided useful tables and figures which illustrate key regional trends in East Asia Extensive summary conclusions covering the chapter's main findings from different international political economy perspectives East Asian Regionalism is an essential text for courses on East Asian regionalism Asian politics and Asian economics

The European Union and East Asia Christopher M. Dent, 1999-08-12 The world economy continues to be dominated by the Triad regions Europe North America and East Asia This text analyses the economic relationship that has evolved between two Triadic powers The EU and East Asia and its future prospects especially in the wake of the recent financial crises that have shaken the East Asian region This text argues

China and East Asia's Post-Crises Community Wei Liang, Faizullah Khilji, 2012-10-04 China and East Asia's Post Crises Community A Region in Flux by Wei Liang and Faizullah Khilji explores how an East Asian community is taking shape as a result of China's emergence as a global economic power and the shocks of the financial crises emanating from the globalized financial system Today's East Asia shows a sharp break from the East Asia of the Cold War era in both basis and orientation Important elements in this shift include the regional economic integration propelled by China's emergence as a processed manufacturing center in the world economy the common problems posed by the working of the dollar based international financial system and the desire to develop institutions that help to formalize the economic integration and financial cooperation that is taking place and may thus help protect and safeguard economic prosperity in the region Liang and Khilji show how the approach to regional economic cooperation and developing institutions comes from the bottom up lacking any leader nation grand vision or ideology The manner in which the region comes to work together also has implications for the governance of the world economy in particular the economic model that underlies policy formulation the working of the international financial system and the approach to the multilateral trading system From a security oriented US centric regional structure characterized as the hub and spokes system set up after the Second World War this region is now more nearly an informal economic community which increasingly appears to be China centric China and East Asia's Post Crises Community presents one of the first attempts to weave together different strands of the current discussion to develop a framework for understanding a rapidly evolving East Asia region
