Looking For Alex Marian Dillon,2013-12-18 They were supposed to be best friends **Forest and Stream** ,1908 **The Oracle** Ari Juels,2024-02-20 Fears of a weaponized blockchain become reality when a software developer races to deactivate the rogue smart contract targeting him for assassination Life is comfortable for a prominent if schlubby developer at a New York City blockchain company That is until FBI Special Agent Diane Dum nil seeks his help against a bewildering threat The Delphians worshippers of the god Apollo have launched a rogue program on a blockchain It s offering a crypto bounty to assassinate a European archaeology professor The developer brushes off the danger until he learns the next target Himself Mythical

antiquity collides with a near future cyberworld as The Oracle's unassuming hero and his FBI partner race against time to dismantle the Delphians' murderous blockchain software. There is a whirlwind tale of oracles ancient and modern, vanished antiquities and conjured crypto billions, cybercriminals and digital idealists narrated by a cynical hero normally more concerned with dark chocolate than the consequences of the technologies he's pioneering. What happens when the crypto ideals of privacy and truth might cost human lives, especially your own? **The King's Highway** George Payne Rainsford James, 1847 **Don't You Know Who I Think I Am?** Justin Ross Lee, 2016-08-23 A full frontal guide to hacking your way to platinum status in everything The Testament Elie Wiesel, 2011-09-21 On August 12, 1952, Russia's greatest Jewish writers were secretly executed by Stalin. In this remarkable blend of history and imagination, Paltiel Kossover meets the same fate but, unlike his real-life counterparts, he is permitted to leave a written testament. From a Jewish boyhood in pre-revolutionary Russia, Paltiel traveled down a road that embraced Communism only to return to Russia and discover a Communist Party that had become his mortal enemy. Two decades later, Paltiel's son, Grisha, reads this precious record of his father's life and finds that it illuminates the shadowed planes of his own. Passionate and fierce, this story of a father's legacy to his son revisits some of the most dramatic events of our century and confirms yet again Elie Wiesel's stature as a writer of the highest moral imagination. *San Francisco Chronicle* **Falling into your Smile** Jenna Smith, 2024-12-17 Sunshine, what guy do you know has a weird fetish for sign language? She's a shadow of the girl she once was, haunted by the nightmare of a high school party that changed her life forever. Tragedy stole her innocence and silenced her voice before she could speak the truth. Branded a liar by the court, she watched her attacker walk free, leaving her trapped in a cage of painful memories and crushing solitude. Forced to communicate through sign language, she struggles to express the words she's too broken to say. He's everything she's tried to avoid: a boy wrapped in bad rumors and whispered lies, a magnet for trouble and the embodiment of all her fears. With sharp edges and a mysterious aura, he's the kind of chaos she doesn't need but can't ignore. When an essay unexpectedly brings them together, she begins to endure his arrogance, and he starts to understand her silence. But as he asks the questions no one else dares to, their fragile connection deepens. Can she let go of the chains of her past and trust him to help her heal? Or will the ghosts of her trauma drag her back into the darkness? Fate has a strange way of intertwining lives, but not all paths lead to happy endings. In this raw and gripping tale of heartbreak, resilience, and unexpected love, two broken souls may discover that sometimes the unlikely connections have the power to save us. *Falling into your Smile* is a story of pain and hope, silence and discovery, perfect for readers who believe in the healing power of love and the courage to rebuild.

Disputation Literature in the Near East and Beyond Enrique Jiménez, Catherine Mittermayer, 2020-08-10 Disputation literature is a type of text in which usually two non-human entities such as trees, animals, drinks, or seasons try to establish their superiority over each other by means of a series of speeches written in an elaborate flowery register. As opposed to other dialogue literature, in disputation texts there is no serious matter at stake; only the preeminence of one of the litigants.

over its rival. These light-hearted texts are known in virtually every culture that flourished in the Middle East from Antiquity to the present day and they constitute one of the most enduring genres in world literature. The present volume collects over twenty contributions on disputation literature by a diverse group of world-renowned scholars. From ancient Sumer to modern-day Bahrain, from Egyptian to Neo-Aramaic, including Latin, French, Middle English, Armenian, Chinese, and Japanese, the chapters of this book study the multiple avatars of this venerable text type.
