 between theory and practice At its best it aims to turn contemplation into emancipation seeking to transform society in
 pursuit of equality autonomy and human flourishing Yet today s critical theory often seems to engage only in critique These
 times of crisis demand more Bernard E Harcourt challenges us to move beyond decades of philosophical detours and to
 harness critical thought to the need for action In a time of increasing awareness of economic and social inequality Harcourt
 calls on us to make society more equal and just Only critical theory can guide us toward a more self reflexive pursuit of
 justice Charting a vision for political action and social transformation Harcourt argues that instead of posing the question
 What is to be done we must now turn it back onto ourselves and ask and answer What more am I to do Critique and Praxis
 advocates for a new path forward that constantly challenges each and every one of us to ask what more we can do to realize
 a society based on equality and justice Joining his decades of activism social justice litigation and political engagement with
