Louis Malle:

Louis Malle Christopher Beach, 2022-05-23 A filmmaker whose work exhibits a wide range of styles and approaches Louis Malle 1932 1995 was the only French director of his generation to enjoy a significant career in both France and the United States Although Malle began his career alongside members of the French New Wave like François Truffaut Jean Luc Godard and Claude Chabrol he never associated himself with that group Malle is perhaps best known for his willingness to take on such difficult or controversial topics as suicide incest child prostitution and collaboration with the Nazis during World War II His filmography includes narrative films like *Zazie dans le Métro* *Murmur of the Heart* *Atlantic City* *My Dinner with Andre* and *Au revoir les enfants* as well as several major documentaries In the late 1970s Malle moved to the United States where he worked primarily outside of the Hollywood studio system The films of his American period display his keen outsider's eye which allowed him to observe diverse aspects of American life in settings that ranged from turn of the century New Orleans to present day Atlantic City and the Texas Gulf Coast *Louis Malle Interviews* covers the entirety of Malle's career and features seventeen interviews the majority of which are translated into English here for the first time As the collection demonstrates Malle was an extremely intelligent and articulate filmmaker who thought deeply about his own choices as a director the ideological implications of those choices and the often controversial themes treated in his films The interviews address such topics as Malle's approach to casting and directing actors his attitude toward provocative subject matter and censorship his understanding of the relationship between documentary and fiction film and the differences between the film industries in France and the US Malle also discusses his sometimes challenging work with such actors as Brigitte Bardot Pierre Blaise and Brooke Shields and sheds new light on the making of his films

Louis Malle Hugo Frey, 2019-01-11 This is the first monograph on controversial French director Louis Malle to be published in English Hugo Frey introduces Malle's work through a lucid analysis of his many masterpieces including *Le Feu Follet* *Lacombe Lucien* and *Au revoir les enfants* He also traces the director's extended period of work in the USA which resulted in powerful films such as *Pretty Baby* *Atlantic City* *USA* and *My Dinner with André* The book focuses on the most challenging aspects of Malle's oeuvre his aesthetic vision his youthful attraction to a form of right wing pessimism and his 1970s libertarianism By rethinking Malle's portrayals of Nazi occupied France Frey demonstrates that he is of equal importance to contemporary historians as to film studies This new appraisal is a nuanced study of an important film maker and a critical intervention in the debates which surround Malle's work

The Films of Louis Malle Nathan Southern, Jacques Weissgerber, 2006 This is a critical study of Malle's life's work It is approached non theoretically on a film by film basis each is examined as an individualistic and self reverential exploration of its own subjects and themes

Arguably a pioneer of the French New Wave with *Ascenseur pour l'chafaud* 1957 Louis Malle went on to enjoy an acclaimed yet provocative and versatile transatlantic career This collection of original essays proposes to reassess his richly eclectic and boldly subversive oeuvre and redress the surprising critical neglect it has suffered over the years It does so through a combination of transversal and monographic analyses that use a variety of critical lenses and theoretical tools in order to examine Malle's documentaries as well as his fiction features and more importantly the constant shuttling and uniquely persistent cross pollination between those two cinematic approaches illuminate the profound lasting dialogue his films entertained with literature and theater bring to the fore their sustained albeit often oblique autobiographical thrust along with their scathing sociopolitical critique and scrutinize the alternating use of stars and non professional actors In addition the volume features an exclusive interview with the acclaimed playwright John Guare a close friend and collaborator of Louis Malle's who scripted *Atlantic City* and is bookended by a foreword by Volker Schlöndorff and an afterword by Wes Anderson two renowned filmmakers who articulate their admiration for and the seminal influence of their predecessor *Louis Malle* Louis Malle, 1977 *The Louis Malle Features Collection* Directed by Louis Malle (France 1981), *Goodbye, Children* Louis Malle, 1988 An autobiographical account of a boy's Malle first friendship in a Catholic boarding school during the German occupation of France *New York Magazine*, 1981-06-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Milou in May** Louis Malle, Jean-Claude Carrière, 1990 France 1968 Paris is in turmoil the students have taken to the streets the Gaullist Government is in disarray and in the provinces Milou is desperately trying to prevent the family estate from being despoiled on the death of his mother Under the spreading cherry tree Milou and the disparate members of his family try to come to terms with their lives only to have their reverie shattered by the intrusion of the outside world Back cover **A Foreigner's Gaze** Margarita De la Vega-Hurtado, 1992 *Pretty Baby* Polly Platt, Louis Malle, 1977 **Pretty Baby** Polly Platt, 1977 *Au revoir, les enfants* Louis Malle, 2000-09 *Lacombe Lucien : a selection of commentaries on the film and a decoupage of the opening scene* Louis Malle, 1986 *Calcutta* Krishna Dutta, 2003 In the popular imagination Calcutta is a packed and pestilential sprawl made notorious by the Black Hole and the works of Mother Teresa Kipling called it a City of Dreadful Night and a century later V S Naipaul Gunter Grass and Louis Malle revived its hellish image This is the place where the West first truly encountered the East Founded in the 1690s by East India Company merchants beside the Hugli River Calcutta grew into India's capital during the Raj and the second city of the British Empire Named the City of Palaces for its neoclassical mansions Calcutta was the city of Clive Hastings Macaulay and Curzon It was also home to extraordinary Bengalis such as Rabindranath Tagore the first Asian

Vichy's Afterlife Richard Joseph Golsan, 2000-01-01 One of the distinctive features of the Vichy Syndrome the persistence of the memory of the Vichy regime in French political and cultural life is that it has been extremely difficult for an authoritative historical discourse to impose itself Why does Vichy and all that the name entails fascinate and even obsess the French inflecting not only discussions of the past but of the present as well In Vichy's Afterlife Richard J Golsan explores the complexities of some of the most provocative episodes of Vichy's curious persistence in France's national consciousness He argues that each of these episodes events and scandals constitutes a crossroads where history and counterhistory different or competing versions of the past encounter one another often with explosive and even destructive consequences
