Lous On First:

Lou's on First Chris Costello,Raymond Strait,2016-05-16 This intimate portrait of Lou Costello 1906 1959 offers a rare look at one of the most talented comedians of all time Starting in the 1930s Costello attained enormous fame touring the burlesque circuits with straight man Bud Abbott 1895 1974 Their live skits including Who s on First radio programs and films such as One Night in the Tropics Buck Privates Abbott and Costello Meet Frankenstein and In the Navy made comic history Behind the scenes however Costello faced numerous crises a bout with rheumatic fever that left him bedridden for months the drowning death of his young son and constant haggles with Universal Studios over its reluctance to adequately finance productions of Abbott and Costello films Lou s on First goes beyond Costello s clownish persona to explore his Pagliacci nature the private demons behind the happy public face the heartbreaking moments in an otherwise storybook marriage the business ventures soured by unscrupulous managers and the true nature of the breakup of his twenty one year partnership with Bud Abbott

Lou's on First Chris Costello,Raymond Strait,1981 *Who's on First?* Bud Abbott,Lou Costello,2013-02-19 Miscommunications have never been so much fun than in this laugh out loud picture book that will delight classic comedy fans baseball lovers and readers of all ages based on the beloved Abbott and Costello comedy sketch USA Today Who s On First is one of the great comedy bits of all time popular not just with fans of Abbott and Costello but also with lovers of baseball and comedy Now the classic sketch has been transformed into a priceless picture book for kids of all ages Follow the mistaken identities confusion and lots of laughs as the new baseball catcher Rabbit asks coach Bear the names of the other players on their team Who s on first What s on second I Don t Know s on third Full of silly banter and retro style illustrations this charming picture book breathes new life into a landmark of sketch comedy and is sure to delight young readers and their parents The book is stunning dad and Bud would be proud Chris Costello Daughter of Lou Costello

Lou Sullivan Brice Smith,2017-03-15 They said I couldn t live as a gay man but it looks like I m going to die like one Good Midwestern girls did not grow up to be gay men and die from AIDS Unless they were transgender pioneer Lou Sullivan 1951 1991 In this heart wrenchingly inspirational biography Brice D Smith reclaims one of the most tragically overlooked people in LGBT history Sullivan marched for Civil Rights embraced the 1960s counterculture came of age in the gay liberation movement transformed medical treatment of trans people institutionalized trans history forged an international female to male FTM transgender community and died from AIDS at the epicenter of the crisis He overcame tremendous obstacles to be who he was and dedicated his life to helping others do the same An activist to the end Sullivan inspired a generation to rethink gender identity sexual orientation and what it means to be human

Lou von Salome Julia Vickers,2014-11-29 The daughter of an illustrious Russian general Lou von Salome left her home in the heart of Tsarist Russia to conquer intellectual Europe at the tender age of 18 Eventually settling in Germany she became a best selling novelist a groundbreaking essayist and a well known literary critic In addition to all this Salome was a real life muse for some of the most brilliant men of her

time This biography tells the story of Salome's entire life and career focusing on her young adulthood celibate marriage with linguistics scholar Carl Friedrich Andreas rumored affairs with Friedrich Nietzsche Rainier Maria Rilke and several other authors and poets and her relationship with Sigmund Freud which was marked most notably by their contrasting views of psychoanalysis

Dirty Blvd. Aidan Levy, 2015-10-01 Lou Reed made it his mission to rub people the wrong way whether it was with the noise rock he produced with the Velvet Underground in the late 1960s or his polarizing work with Metallica that would prove to be his swan song On a personal level too he seemed to take pleasure in insulting everyone who crossed his path How did this Jewish boy from Long Island an adolescent doo wop singer rise to the status of Godfather of Punk And how did he maintain that status for decades Dirty Blvd the first new biography of Reed since his death in 2013 digs deep to answer those questions And along the way it shows us the tender side of his prickly personality Born in Brooklyn Reed was the son of an accountant and a former beauty queen but he took the road less traveled trading literary promise for an entry level job as a budget label songwriter and founding the Velvet Underground under the aegis of Andy Warhol The cult of personality surrounding his transformation from downtown agent provocateur to Phantom of Rock and finally to patron saint of the avant garde was legendary but there was more to his artistic evolution than his abrasive public persona The lives of many American rock stars have had no second act but Reed's did Dirty Blvd not only covers the highlights of Reed's career but also explores lesser known facets of his work such as his first recordings with doo wop group the Jades his key literary influences and the impact of Judaism upon his work and his engagement with the LGBT movement Drawing from new interviews with many of his artistic collaborators friends and romantic partners as well as from archival material concert footage and unreleased bootlegs of live performances author Aidan Levy paints an intimate portrait of the notoriously uncompromising rock poet who wrote Heroin Sweet Jane Walk on the Wild Side and Street Hassle songs that transcended their genre and established Lou Reed as one of the most influential and enigmatic American artists of the past half century

Sunken Spanish Treasure Quest Richard Joseph Johnson,2014-09-08 This novel is not the typical story about a sunken treasure hunt conducted by a cadre of experienced and adventurous men seeking their fortunes under the sea These four men were just regular guys with no knowledge whatsoever of underwater treasure hunting with its many pitfalls and perils These were close friends who had finally reached a point in their rather tedious and somewhat boring lives where they wanted to do something daring and exciting and at the same time provide them with a rare opportunity to become fabulously rich In a determined effort to keep their activities a total secret from everyone a thick layer of intrigue caused them many unnecessary hardships and almost turned each of them against the others Unfortunately some of their earlier important decisions were totally misguided and they eventually learned that doing the right thing is always the best way to go This story is about the day to day experiences of those men and how they were able to overcome each of the obstacles they encountered to finally reach a fair and successful conclusion

The Umpire Is Out Dale Scott,Rob Neyer,2022-05 Dale Scott s career as a professional baseball umpire spanned nearly forty years including thirty three in the Major Leagues from 1985 to 2017 He worked exactly a thousand games behind the plate calling

balls and strikes at the pinnacle of his profession working in every Major League Baseball stadium and interacting with dozens of other top flight umpires colorful managers and hundreds of players from future Hall of Famers to one game wonders Scott has enough stories about his career on the field to fill a dozen books and there are plenty of those stories here He s not interested in settling scores but throughout the book he s honest about managers and players some of whom weren t always perfect gentlemen But what makes Scott s book truly different is his unique perspective as the only umpire in the history of professional baseball to come out as gay during his career Granted that was after decades of remaining in the closet and Scott writes vividly and movingly about having to play the game maintaining a facade of straightness while privately becoming his true self and building a lasting relationship with his future husband He navigated this obstacle course at a time when his MLB career was just taking off and when North America was consumed by the HIV AIDS epidemic Scott s story isn t only about his leading a sort of double life then opening himself up to the world and discovering a new generosity of spirit It s also a baseball story filled with insights and memorable anecdotes that come so naturally from someone who spent decades among the world s greatest baseball players managers and games Scott s story is fascinating both for his umpiring career and for his being a pioneer for LGBTQ people within baseball and across sports **Life Reimagined**

Barbara Bradley Hagerty,2017-03-14 Barbara Bradley Hagerty is a wise and engaging guide through the possibilities of middle age Daniel H Pink author of To Sell Is Human and Drive A dynamic and inspiring exploration of the new science that is redrawing the future for people in their forties fifties and sixties for the better and for good There s no such thing as an inevitable midlife crisis Barbara Bradley Hagerty writes in this provocative hopeful book It s a myth an illusion New scientific research explodes the fable that midlife is a time when things start to go downhill for everybody In fact midlife can be a great new adventure when you can embrace fresh possibilities purposes and pleasures In Life Reimagined Hagerty explains that midlife is about renewal It s the time to renegotiate your purpose refocus your relationships and transform the way you think about the world and yourself Drawing from emerging information in neurology psychology biology genetics and sociology as well as her own story of midlife transformation Hagerty redraws the map for people in midlife and plots a new course forward in understanding our health our relationships even our futures **Transactions of the Department of**

Agriculture of the State of Illinois with Reports from County Agricultural Societies for the Year Illinois. Department of Agriculture,1880 **Lou Reed: The Defining Years** Peter Dogget,2013-11-25 From the start Lou Reed challenged the

conventions of rock music In 1964 he co founded The Velvet Underground the subversive New York cult band Lou Reed the self styled poet and godfather to the punk generation spent over 40 years as a hypnotic performer unrepentant rebel and scourge of the media Lou Reed The Defining Years focuses on the defining period that was to shape the rock n roll animal who held out until the very end Amazing Tales from the Boston Red Sox Dugout Bill Nowlin,Jim Prime,2012-03-21

Founded in 1901 the Boston Red Sox have been making history for over a century The passion of the players the tragedy and

triumph of the Bambino's Curse the Boston spirit comes alive in this collection of stories and anecdotes from Fenway Park Any baseball fan will find this book irresistible *The Bassoon Reed Manual* James R. McKay, Russel Hinkle, William Woodward, International Double Reed Society, 2000 Drawings and photographs complement step by step explanations of reedmaking techniques making every procedure clear Rather than present an onerous shopping list the chapter on tools gives a thorough tour of Skinner's workbench explaining the uses of various items and what can be used as substitutes Throughout instructions are given in clear language not just outlining steps to follow but explaining the principles behind the practice In addition to basic reed types a number of variations are treated in detail as is the making of contrabassoon reeds Finally every effort has been made to make this book practical for use at the workbench in a secure binding that will allow the pages to stay open without the use of clothespins and in print large enough to permit easy consultation when the reader's hands are occupied with cane and knives and glue and wire *The Annotated Abbott and Costello* Matthew Coniam, Nick Santa Maria, 2023-01-02 Abbott and Costello were the most popular comedians of the 1940s with burlesque inspired routines that enthralled audiences on both radio and television Oddly their films have not received the same level of attention from critics and writers as those of other comedy teams This book is a scene by scene film by film guide to their movies making a compelling case for their inclusion at the very top of comic artists Featuring new research and some surprising revelations the book introduces newcomers to the delights of this uproarious team and provides confirmed fans with the ultimate companion to their work Also included is a foreword by John Landis the celebrated director and Abbott and Costello devotee

My Lobotomy Howard Dully, Charles Fleming, 2007-09-04 In this heartfelt memoir from one of the youngest recipients of the transorbital lobotomy Howard Dully shares the story of a painfully dysfunctional childhood a misspent youth his struggle to claim the life that was taken from him and his redemption At twelve Howard Dully was guilty of the same crimes as other boys his age he was moody and messy rambunctious with his brothers contrary just to prove a point and perpetually at odds with his parents Yet somehow this normal boy became one of the youngest people on whom Dr Walter Freeman performed his barbaric transorbital or ice pick lobotomy Abandoned by his family within a year of the surgery Howard spent his teen years in mental institutions his twenties in jail and his thirties in a bottle It wasn't until he was in his forties that Howard began to pull his life together But even as he began to live the normal life he had been denied Howard struggled with one question Why There were only three people who would know the truth Freeman the man who performed the procedure Lou his cold and demanding stepmother who brought Howard to the doctor's attention and his father Rodney Of the three only Rodney the man who hadn't intervened on his son's behalf was still living Time was running out Stable and happy for the first time in decades Howard began to search for answers Through his research Howard met other lobotomy patients and their families talked with one of Freeman's sons about his father's controversial life's work and confronted Rodney about his complicity And in the archive where the doctor's files are stored he finally came face to face with the truth Revealing what

happened to a child no one not his father not the medical community not the state was willing to protect My Lobotomy exposes a shameful chapter in the history of the treatment of mental illness Yet ultimately this is a powerful and moving chronicle of the life of one man **The Rotarian** ,1945-08 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine
