Louve Babe:

American Babe Babe Walker, 2016-06-28 Fleeing L A after a freak accident that was probably someone else's fault Babe Walker visits Maryland to attend her grandfather's 80th birthday and finds herself confronting elementary school fashion gaffes unappetizing pizza buffet restaurants and two rival cousins

Mama's Girl Daybreak Jones, 2017-10-31 May Jameson has never fully approved of the questionable things her mother does to subsidize her income That's why when her mother encourages her to date a much older man from a family of means May is torn Her desire to lead a positive life is at odds with her mother's advice but also with the physical desire she feels for this older man Her best friend's warning against an affair has the opposite reaction and May begins a relationship even though she knows she doesn't really love him May must make some tough decisions because although she wants to do right she is feeling the need to do wrong Her role models add to her confusion with some offering real opportunities for jobs and education while others are caught up in drugs gambling and the illegal sale of alcohol Will she fall into the same trap that holds her mother back from living her best life or will she ignore that advice and follow her own path to success May thinks beyond the life she's been born into but can she achieve what she sees in her mind

The Luna's Resilience : A Fated Rejected Mate Werewolf Romance (Kiss of the Alpha King Book 1) Blue Heart, 2022-12-26 A story that full of action suspense love drama and surprises Connor soon became Alpha King and the most feared and most powerful werewolf to have ever lived He also rumor has it he is a heartless cold monster When he encounters his mate Louve for the first time he can't accept her because she was a rogue and weak He ended up hurting his mate and almost killed her and her wolf for being such an unreasonable man Because of the heartache and pain Louve rejected him as her Mate and ran away from him As Alpha King he can't accept this rejection and wants her back to his arms again He forces her to be his mate and mark Unfortunately he didn't know anything about her and the secrets and different powers that she had He was surprised and shocked when they encountered vampires and Louve extremely fights them What are her secrets and true intentions Does his kiss enough to reveal her true identity

Silent Love over the Sea Martha Harris, 2013-02-19 I think people should read this book not only because it's one more love story but also because I want people to know that the Internet is not all bad It's also one more thing we can use for a marriage Do not get a divorce right away There are other options to try to work it out It was very nice to tell my friend Lisa to involve her and her husband together in a dating website Also I wanted to show how the soldiers in Iraq live and how you can make them live a happy moment connecting to his or her partner and dealing with the very sad moments that they are going through

This Is as Big as It Gets Michael R. Whitcomb, 2016-07-29 This book is fiction and could fill several niches in the marketplace Reluctant readers those learning English as a second language trivia buffs and fans of Beatles spring to mind *This Is as Big as It Gets* tells the story of two boys who meet and pair up with two girls The four of them then banter as they try to put the world to rights while coping with stepparents sexism abused parents sick parents a plague of rats death suicide and a terrorist

attackbut not necessarily in that order Interspersed with these dramas is an offbeat modern fairy tale told by one of the boys it is so well received that he decides to write a book His friends try to help him with ideas and they get sidetracked by idioms song lyrics jokes palindromes and trivia However the book is never penned not in this story anyway The entire text of the story is told using no words longer than four letters because it began life as a teaching exercise for primary school children in Australia The language is not your average American English and for that reason a glossary is attached by way of a translation from the Australian and English idioms and vocabulary that the story is punctuated with This Is as Big as It Gets will hopefully be followed by A Bit of This and a Bit of That and then to complete the trilogy Amen to All That The pattern of using no words longer than four letters in the telling of the story will continue **Because of Love** S. Taylor,2013-01-28
