Love And Marriage In Late Medieval London

Judith M. Bennett, Amy M. Froide

Love And Marriage In Late Medieval London:

Love & Marriage in Late Medieval London ,1995-05-01 Depositions or testimony in marriage cases brought before fifteenth century English church courts reveal the attitudes and feelings of medieval people towards the marital bond

Marriage, Sex, and Civic Culture in Late Medieval London Shannon McSheffrey,2013-04-23 Awarded honorable mention for the 2007 Wallace K Ferguson Prize sponsored by the Canadian Historical Association How were marital and sexual relationships woven into the fabric of late medieval society and what form did these relationships take Using extensive documentary evidence from both the ecclesiastical court system and the records of city and royal government as well as advice manuals chronicles moral tales and liturgical texts Shannon McSheffrey focuses her study on England's largest city in the second half of the fifteenth century Marriage was a religious union one of the seven sacraments of the Catholic Church and imbued with deep spiritual significance but the marital unit of husband and wife was also the fundamental domestic social political and economic unit of medieval society As such marriage created political alliances at all levels from the arena of international politics to local neighborhoods Sexual relationships outside marriage were even more complicated McSheffrey notes that medieval Londoners saw them as variously attributable to female seduction or to male lustfulness as irrelevant or deeply damaging to society and to the body politic as economically productive or wasteful of resources Yet like marriage sexual relationships were also subject to control and influence from parents relatives neighbors civic officials parish priests and ecclesiastical judges Although by medieval canon law a marriage was irrevocable from the moment a man and a woman exchanged vows of consent before two witnesses in practice marriage was usually a socially complicated process involving many people McSheffrey looks more broadly at sex governance and civic morality to show how medieval patriarchy extended a far wider reach than a father's governance over his biological offspring By focusing on a particular time and place she not only elucidates the culture of England's metropolitan center but also contributes generally to our understanding of the social mechanisms through which premodern European people negotiated their lives The Wealth of Wives Barbara A. Hanawalt,2007-10-11 London became an international center for import and export trade in the late Middle Ages The export of wool the development of luxury crafts and the redistribution of goods from the continent made London one of the leading commercial cities of Europe While capital for these ventures came from a variety of sources the recirculation of wealth through London women was important in providing both material and social capital for the growth of London's economy A shrewd Venetian visiting England around 1500 commented about the concentration of wealth and property in women's hands He reported that London law divided a testator's property three ways allowing a third to the wife for her life use a third for immediate inheritance of the heirs and a third for burial and the benefit of the testator's soul Women inherited equally with men and widows had custody of the wealth of minor children In a society in which marriage was assumed to be a natural state for women London women married and remarried Their wealth followed them in their marriages and was it was

administered by subsequent husbands This study based on extensive use of primary source materials shows that London s economic growth was in part due to the substantial wealth that women transmitted through marriage The Italian visitor observed that London men unlike Venetians did not seek to establish long patrilineages discouraging women to remarry but instead preferred to recirculate wealth through women London s social structure therefore was horizontal spreading wealth among guilds rather than lineages The liquidity of wealth was important to a growing commercial society and women brought not only wealth but social prestige and trade skills as well into their marriages But marriage was not the only economic activity of women London law permitted women to trade in their own right as femmes soles and a number of women many of them immigrants from the countryside served as wage laborers But London s archives confirm women s chief economic impact was felt in the capital and skill they brought with them to marriages rather than their profits as independent traders or wage laborers

Nurture and Neglect: Childhood in Sixteenth-Century Northern England

Loretta A. Dolan,2016-10-04 Nurture and Neglect Childhood in Sixteenth Century Northern England addresses a number of anomalies in the existing historiography surrounding the experience of children in urban and rural communities in sixteenth century northern England In contrast to much recent scholarship that has focused on affective parent child relationships this study directly engages with the question of what sixteenth century society actually constituted as nurture and neglect Whilst many modern historians consider affection and love essential for nurture contemporary ideas of good nurture were consistently framed in terms designed to instil obedience and deference to authority in the child with the best environment in which to do this being the authoritative patriarchal household Using ecclesiastical and secular legal records to form its basis hitherto an untapped resource for children s voices this book tackles important omissions in the historiography including the regional imbalance which has largely ignored the north of England and generalised about the experiences of the whole of the country using only sources from the south and the adult centred nature of the debate in which historians have typically portrayed the child as having little or no say in their own care and upbringing Nurture and Neglect will be of particular interest to scholars studying the history of childhood and the social history of England in the sixteenth century

The Oxford Handbook of Women and Gender in Medieval Europe Judith M. Bennett,Ruth Mazo Karras,2013-08-22 Provides a comprehensive overview of the gender rules encountered in Europe in the period between approximately 500 and 1500 C E

The Good Women of the Parish Katherine L. French,2013-02-12 There was immense social and economic upheaval between the Black Death and the English Reformation and contemporary writers often blamed this upheaval on immorality singling out women s behavior for particular censure Late medieval moral treatises and sermons increasingly connected good behavior for women with Christianity and their failure to conform to sin Katherine L French argues however that medieval laywomen both coped with the chaotic changes following the plague and justified their own changing behavior by participating in local religion Through active engagement in the parish church the basic unit of public worship women

promoted and validated their own interests and responsibilities Scholarship on medieval women's religious experiences has focused primarily on elite women nuns and mystics who either were literate enough to leave written records of their religious ideas and behavior or had access to literate men who did this for them Most women however were not literate were not members of religious orders and did not have private confessors As *The Good Women of the Parish* shows the great majority of women practiced their religion in a parish church By looking at women's contributions to parish maintenance the ways they shaped the liturgy and church seating arrangements and their increasing opportunities for collective action in all women's groups the book argues that gendered behavior was central to parish life and that women's parish activities gave them increasing visibility and even on occasion authority In the face of demands for silence modesty and passivity women of every social status used religious practices as an important source of self expression creativity and agency

The Fires of Lust
Katherine Harvey, 2022-11-28 An illuminating exploration of the surprisingly familiar sex lives of ordinary medieval people The medieval humoral system of medicine suggested that it was possible to die from having too much or too little sex while the Roman Catholic Church taught that virginity was the ideal state Holy men and women committed themselves to lifelong abstinence in the name of religion Everyone was forced to conform to restrictive rules about who they could have sex with in what way how often and even when and could be harshly punished for getting it wrong Other experiences are more familiar Like us medieval people faced challenges in finding a suitable partner or trying to get pregnant or trying not to They also struggled with many of the same social issues such as whether prostitution should be legalized Above all they shared our fondness for dirty jokes and erotic images By exploring their sex lives the book brings ordinary medieval people to life and reveals details of their most personal thoughts and experiences Ultimately it provides us with an important and intimate connection to the past

Routledge Revivals: Women and Gender in Medieval Europe (2006) Margaret Schaus, 2017-07-12 First published in 2006 *Women and Gender in Medieval Europe* examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE This reference work provides a comprehensive understanding of many aspects of medieval women and gender such as art economics law literature sexuality politics philosophy and religion as well as the daily lives of ordinary women Masculinity in the middle ages is also addressed to provide important context for understanding women's roles Additional up to date bibliographies have been included for the 2016 reprint Written by renowned international scholars and easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be a valuable resource on women in Medieval Europe

[A Cultural History of Women in the Middle Ages](#) Kim M. Phillips, 2015-04-02 The medieval era has been described as the Age of Chivalry and the Age of Faith but also as the Dark Ages Medieval women have often been viewed as subject to a punishing misogyny which limited their legal rights and economic activities but some scholars have claimed they enjoyed a rough and ready equality with men The contrasting figures of Eve and the Virgin Mary loom over historians' interpretations of the period 1000-1500 Yet a wealth of

recent historiography goes behind these conventional motifs showing how medieval women's lives were shaped by status age life stage geography and religion as well as by gender A Cultural History of Women in the Middle Ages presents essays on medieval women's life cycle bodies and sexuality religion and popular beliefs medicine and disease public and private realms education and work power and artistic representation to illustrate the diversity of medieval women's lives and constructions of femininity *The Last Medieval Queens* J. L. Laynesmith, 2004 The last medieval queens of England were Margaret of Anjou Elizabeth Woodville Anne Neville and Elizabeth of York four very different women whose lives and queenship were dominated by the Wars of the Roses This book is not a traditional biography but a thematic study of the ideology and practice of queenship It examines the motivations behind the choice of the first English born queens the multi faceted rituals of coronation childbirth and funeral the divided loyalties between family and king and the significance of a position at the heart of the English power structure that could only be filled by a woman It sheds new light on the queens struggles to defend their children's rights to the throne and argues that ideologically and politically a queen was integral to the proper exercise of mature kingship in this period The Cambridge Companion to Medieval English Law and Literature Candace

Barrington, Sebastian Sobecki, 2019-08-08 A comprehensive and wide ranging account of the interrelationship between law and literature in Anglo Saxon Medieval and Tudor England **An Anatomy of Trade in Medieval Writing** Lianna Farber, 2018-07-05 Economics in our modern sense of the term was not a discipline in the Middle Ages although the history of economic thought is often written as though it were Lianna Farber restores the core economic concept of trade to its medieval contexts showing that it contains three component parts value consent and community Medieval writing about trade not only relies on these elements it presents them as unproblematic By addressing texts in which each element of trade is discussed directly Farber demonstrates that this straightforward picture is falsely reassuring In fact these ideas were deeply contested In the end Farber reveals writing about trade was not descriptive but argumentative analyzing the act in an attempt to justify it Such texts reveal deep intellectual uncertainties about the market society they advocated *An Anatomy of Trade in Medieval Writing* benefits from Farber's close reading of literary sources among them the poetry of Geoffrey Chaucer and Robert Henryson theological sources including the writing of Thomas Aquinas and Richard of Middleton and legal sources such as the canon law on marriage formation A provocative contribution to our understanding of medieval life and thought this book implies a need to reconsider the genealogy of economics as a way of thinking about the world

Bonoure and Buxum Sue Niebrzydowski, 2006 If married in church medieval women vowed before God and their husbands to be bonoure and buxum that is meek and obedient in bed and at table This book is a study of wives in a variety of fourteenth and fifteenth century romance fabliaux cycle drama life writing lyrics and hagiography The volume examines key moments that defined life as a married woman her eligibility to become a wife the wedding ceremony her conjugal rights and duties childbirth and her contribution to the family economy The book explores the way in which the literary representation

of wives is in dialogue with discourses that strove to construct and regulate the role of wife canon and secular law marriage liturgy medical treatises on the female body sermons manuals of spiritual instruction biblical paradigms conduct books and misogamous writings Moreover the volume examines the possibilities for subversion of these paradigms by listening to literary wives speak both within and against these discourses Real women's attitudes and strategies of subversion are woven into the volume throughout as recorded in church and manorial court records in their wills and in their writing *Daily Life of Women in Chaucer's England* Jennifer C. Edwards, 2022-04-08 Providing an indispensable resource for students and scholars studying the history of medieval women and gender this book provides a comprehensive depiction of women's lives in the 14th and 15th centuries The late medieval period in England was one rich with opportunities for women who played fundamental roles in family businesses as well as in the peasant community and economy and who wrote letters created autobiographies and documented their spiritual journeys Their lives fit into a pattern of seasonal celebrations and rituals shaped for the majority of women by work marriage and motherhood The text further considers status distinctions then shifts to experiences that affected all women such as the ritual year disease food and drink sex or celibacy and religion By providing an overview of the history of English women and gender in the 14th and 15th centuries the book provides a background suitable for students as well as for academics beginning work in this field *Medieval Affect, Feeling, and Emotion* Glenn D. Burger, Holly A. Crocker, 2019-04-11 Provides a new intersectional investigation of affects feelings and emotions in late Middle English literature **Medieval Maidens** Kim M. Philips, 2003-06-28 The medieval landscape as viewed through the eyes of scholars was hardly populated by women Particularly young unmarried women or maidens have been paid little attention This book aims to fill that gap by examining the meaning experiences and voices of young womanhood The life phase of adolescence was different for maidens than for young men and as such merits study in its own right At the same time a study of young womanhood provides insights into ideals of feminine gender roles and identities at different social levels **Writing Masculinity in the Later Middle Ages** Isabel Davis, 2007-02-22 Medieval discourses of masculinity and male sexuality were closely linked to the idea and representation of work as a male responsibility Isabel Davis identifies a discourse of masculine selfhood which is preoccupied with the ethics of labour and domestic living She analyses how five major London writers of the late fourteenth and early fifteenth centuries constructed the male self William Langland Thomas Usk John Gower Geoffrey Chaucer and Thomas Hoccleve These literary texts while they have often been considered for what they say about the feminine role and identity have rarely been thought of as evidence for masculinity this study seeks to redress that imbalance Looking again at the texts themselves and their cultural contexts Davis presents a genuinely fresh perspective on ideas about gender labour and domestic life in medieval Britain **Women, Identities and Communities in Early Modern Europe** Stephanie Tarbin, Susan Broomhall, 2016-12-05 Addressing a key challenge facing feminist scholars today this volume explores the tensions between shared gender identity and the myriad social differences

structuring women's lives By examining historical experiences of early modern women the authors of these essays consider the possibilities for commonalities and the forces dividing women They analyse individual and collective identities of early modern women tracing the web of power relations emerging from women's social interactions and contemporary understandings of femininity Essays range from the late medieval period to the eighteenth century study women in England France Germany Ireland Italy and Sweden and locate women in a variety of social environments from household neighbourhood and parish to city court and nation Despite differing local contexts the volume highlights continuities in women's experiences and the gendering of power relations across the early modern world Recognizing the critical power of gender to structure identities and experiences this collection responds to the challenge of the complexity of early modern women's lives In paying attention to the contexts in which women identified with other women or were seen by others to identify contributors add new depth to our understanding of early modern women's senses of exclusion and belonging

The Routledge Companion to Romantic Love Ann Brooks, 2021-11-29 The Routledge Companion to Romantic Love is a multidisciplinary and interdisciplinary reference work essential for students and researchers interested in the field of love romance and popular romance fiction This first of its kind volume illustrates the broad and interdisciplinary nature of love studies International contributors including leaders in their field reflect a range of perspectives from cultural studies history literature popular romance studies American studies sociology and gender studies Comprising over 30 chapters by a team of international contributors the Companion is divided into 12 parts Love romance and historical and social change Love and feminist discourses Love and popular romance fiction Love gender and sexuality Romancing Australia South and Southeast Asian romance communities Nation place and identity in US popular romance novels Romantic love and national identity in Chinese and Taiwanese discourses of love Muslim and Middle Eastern romances Discourses of romance fiction and technologies of power Writing love and romance Legal and theological fiction and sexual politics This is an important and unique collection aimed at researchers and students across cultural studies women and gender studies literature studies and sociology

Singlewomen in the European Past, 1250-1800 Judith M. Bennett, Amy M. Froide, 2013-02-01 When we think about the European past we tend to imagine villages towns and cities populated by conventional families married couples and their children Although most people did marry and pass many of their adult years in the company of a spouse this vision of a preindustrial Europe shaped by heterosexual marriage deceptively hides the well established fact that in some times and places as many as twenty five percent of women and men remained single throughout their lives Despite the significant number of never married lay women in medieval and early modern Europe the study of their role and position in that society has been largely neglected *Singlewomen in the European Past* opens up this group for further investigation It is not only the first book to highlight the important minority of women who never married but also the first to address the critical matter of differences among women from the perspective of marital status Essays by leading scholars among them Maryanne

Kowaleski Margaret Hunt Ruth Mazo Karras Susan Mosher Stuard Roberta Krueger and Merry Wiesner deal with topics including the sexual and emotional relationships of singlewomen the economic issues and employment opportunities facing them the differences between the lives of widows and singlewomen the conflation of singlewomen and prostitutes and the problem of female slavery The chapters both illustrate the roles open to the singlewoman in the thirteenth through eighteenth centuries and raise new perspectives about the experiences of singlewomen in earlier times

Yeah, reviewing a book **Love And Marriage In Late Medieval London** could increase your near contacts listings. This is just one of the solutions for you to be successful. As understood, achievement does not recommend that you have astounding points.

Comprehending as with ease as promise even more than further will allow each success. bordering to, the statement as capably as perspicacity of this Love And Marriage In Late Medieval London can be taken as with ease as picked to act.

Love And Marriage In Late Medieval London Introduction

In today's digital age, the availability of Love And Marriage In Late Medieval London books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Love And Marriage In Late Medieval London books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Love And Marriage In Late Medieval London books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Love And Marriage In Late Medieval London versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Love And Marriage In Late Medieval London books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Love And Marriage In Late Medieval London books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Love And Marriage In Late Medieval London books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational

institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Love And Marriage In Late Medieval London books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Love And Marriage In Late Medieval London books and manuals for download and embark on your journey of knowledge?

FAQs About Love And Marriage In Late Medieval London Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Love And Marriage In Late Medieval London is one of the best book in our library for free trial. We provide copy of Love And Marriage In Late Medieval London in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Love And Marriage In Late Medieval London. Where to download Love And Marriage In Late Medieval London online for free? Are you looking for Love And Marriage In Late Medieval London PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Love And Marriage In Late Medieval London. This method for see exactly what may be included and

adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Love And Marriage In Late Medieval London are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Love And Marriage In Late Medieval London. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Love And Marriage In Late Medieval London To get started finding Love And Marriage In Late Medieval London, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Love And Marriage In Late Medieval London So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Love And Marriage In Late Medieval London. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Love And Marriage In Late Medieval London, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Love And Marriage In Late Medieval London is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Love And Marriage In Late Medieval London is universally compatible with any devices to read.
