whom he loves to be cruelly tested His is a learning journey that brings love and hate despair and joy in equal measure mixed with adventures beyond his imagination shared by a travelling companion whose loyalty is all that matters in this quest His troubled mother and his autocratic mentor wait at home with the news that will free him from all anxiety Will those who follow in his footsteps find him Will he make it back home to a heros welcome or spring the trap that is set to destroy him Read on and find out

The Land Beyond the Horizon - An African Mystic Play and Poetry Mark O'Doherty,2014-02 The Land beyond the Horizon is a mystic play conveying respect and understanding for diversity of religion philosophy and spirituality It also contains elements of Egyptian mythology and Rosicrucian philosophy like the altruistic ideal of Bringing back the Greater Light to humanity _ which is in essence not much different from the ideal of world peace In fact The Land beyond the Horizon in this play symbolises just that the long and difficult journey which humanity still has to travel before global peace can be manifested on a collective macrocosmic level level and also on an individual level The play stipulates the philosophy that Evil exists in this world _ and even in our hearts _ but that we also have the power to vanquish Evil by acting together in solidarity if we are willing to identify and confront that evil The volume also contains poetry where Mark evokes the mystic primordial beauty of Africa taking you on a fantastic journey to the Land Beyond the Horizon
