Wallace,2024-04-23 Finalist 2025 Scholarly Writing Award Saskatchewan Book Awards The French philosopher mystic activist Simone Weil 1909 1943 has drawn both passionate admiration and scornful dismissal since her early death and the posthumous publication of her writings She has also provoked an extraordinary range of literary writing focused on not only her ideas but also her person novels nonfiction and especially poetry Given the challenges of Weil s ethic of self emptying attention what accounts for her appeal especially among women writers This book tells the story of some of Weil s most dedicated and at points surprising literary conversation partners exploring why writers with varied political and religious commitments have found her thought and life so resonant Cynthia R Wallace considers authors who have devoted decades of attention to Weil such as Adrienne Rich Annie Dillard and Mary Gordon and who have written poetic sequences or book length verse biographies of Weil including Maggie Helwig Stephanie Strickland Kate Daniels Sarah Klassen Anne Carson and Lorri Neilsen Glenn She illuminates how writing to of and in the tradition of Weil has helped these writers grapple with the linked harms and possibilities of religious belief self giving attention and the kind of moral seriousness required by the ethical and political crises of late modernity The first book to trace Weil s influence on Anglophone literature The Literary Afterlives of Simone Weil provides new ways to understand Weil s legacy and why her provocative wisdom continues to challenge and inspire writers and readers 365 Level steps Volume 2: Masonic Meditations for Every Day of Another Year Jonti Marks,2025-01-31 This second compilation of books from the Masonic Meditations series brings together the full texts of Distant Peaks Travelling light and Widow s Sons as well as selections from Blessings of Peace Once again the author has set out to present a work that will accompany every mason through a full year of deep contemplation of the spiritual aspects of our beloved craft and which will be a vehicle for a daily advancement in meaningful and heartfelt knowledge *Born Breech into Covenant: the Experience of Mother* Carol Bosworth,2009-07-23 Each of us has a lifetime in which to discover our way to belong within our particular experience of

times and events Instead of an operating manual our families and cultures give us expectations for who we are and what is our place in the world This is the story of my journey into the calling of motherhood that I did not understand and struggled to reject Conscientious wrestling with the experiences of motherhood eventually taught me how entangled love and anger can be and how suffering is inseparable from both Finally a deeper call to love confronted me **Collage in**

Cha,2017-06-01 In Simone Weil s philosophical and literary work obligation emerges at the juncture of competing claims the other s self affirmation and one s own dislocation what one has and what one has to give a demand that asks for too much and the extraordinary demand implied by asking nothing The other s claims upon the self which induce unfinished obligation unmet sleep hunger drive the tensions that sustain the scene of ethical relationality at the heart of this book Decreation and the Ethical Bind is a study in decreative ethics in which self dispossession conditions responsiveness to a demand to preserve the other from harm In examining themes of obligation vulnerability and the force of weak speech that run from Levinas to Butler the book situates Weil within a continental tradition of literary theory in which writing and speech articulate ethical appeal and the vexations of response It elaborates a form of ethics that is not grounded in subjective agency and narrative coherence but one that is inscribed at the site of the self s depersonalization *Day by Day* Chaim Stern,2000-09 A spiritual

source for daily reflections the poems proverbs quotations and excerpts from various spiritual and philosophical texts in this book have been selected to inspire and comfort They include writings from such diverse sources as the Talmud the psalms Einstein and Susan Sontag *Awake, My Soul* Janice Thompson,2022-02-01 Awaken your soul with this inspiring devotional An act of kindness A much needed hug from a friend A word of encouragement A timely but unexpected gift These are the moments that awaken your soul to the undeniable love of her heavenly Father the One who sees and meets your every need Each of the 200 devotional readings in this lovely collection will speak to your heart as you experience the unchanging and overflowing love of God Every inspiring word will draw you more closely to the Master Creator as you envelop your soul in the perpetual love found only in His Word Energy Resource Dynamics Patrick Kalasa Kalifungwa,2025-06-05 Energy sources are forms of potential energy that can be used to perform work An energy resource is anything that can generate heat make objects move and produce electricity Energy sources are categorised as renewable if they constantly and rapidly renew themselves for steady reliable use Any other source of energy is considered non renewable All living organisms constantly take in and release energy The Earth s climate and ecosystems processes are driven primarily by radiant energy from the sun The energy Industry provides the energy required for human civilization to function which it obtains from energy resources such as fossil fuels nuclear fuel renewable energy and geothermal energy The total energy of a system can be subdivided and classified into potential energy kinetic energy or combinations of the two in various ways Kinetic energy is determined by the involvement of an object or the composite motion of the object components while potential energy reflects the potential of an object to have motion generally being based upon the object s position within a field or what is stored within the field itself Flow Notes Tamara Jo Cortez,2013-01-24 The little inspirational book that can change your life and open your Self to your Spirit Once again your flow notes struck a deep chord for me I have been struggling to deal with anger and hurt But when I read your flow notes this morning I had a minor breakdown because it is just what I needed to hear THANK YOU _ Sue Pr Educator A new perspective for the growth periods of your life and how changing the way we view something can change the reality we see **Insanity and Genius** Harry Eiss,2014-06-02 In his book about the discovery of the structure of DNA James Watson wrote So we had lunch telling ourselves that a structure this beautiful just had to exist Indeed the quest most often asked by scientists about a scientific theory is Is it beautiful Yes beauty equals truth Scientists know mathematicians know But the beauties the truths of mathematics and science were not the truths that inspired the author as a child and he intuitively knew that the truths he needed come from a different way of knowing a way of knowing not of the world of logic and reason and explanation though they have a value but rather a way of knowing that is of the world expression a world that enters the truths beyond the grasp of logic That is what this book is all about It is an exploration of the greatest minds of human existence struggling to understand the deepest truths of the human condition This second edition updates the previous one incorporating new publications on Van Gogh recent discoveries in neurology

psychology and the rapid developments in understanding DNA and biotechnology We've come a long way already from that original discovery by Watson and his coauthor Francis Crick

Back Roads to Israel Maxwell Thurston, 2019-02-07 The origin and emphasis of the Judeo Christian faith began with the call of Abram Concerning salvation have you ever asked why there's a need or a purpose for a call in the first place And besides who was God actually talking to in the land of Ur Back Roads to Israel is a study of Jesus's spiritual ancestry and background Author Maxwell Thurston helps explain how Abraham a man of flesh and bones has a direct ancestral lineage to Jesus because if Jesus is the Son of God then there must be spiritual DNA that connects him with the Lord our God who is in heaven Knowing the spiritual avenues taken by Abraham will take us to the beginning of creation when the living word was with God If you are able to travel the unbeaten path the back roads of Abraham then it will help clear up confusion about Jesus especially the part where we read From thy father's house

Heart Fiat Desmond Francis Xavier Kon Zhicheng-Mingde, 2024-09-26 Let our scars fall in love Galway Kinnell said In this compelling book Desmond Francis Xavier Kon Zhicheng Mingde moves his love language over old wounds deep cuts now seemingly inappreciable Scarred over and smoothed out by grace Yet how reasoned and magnificent the rising for air the lyric ascent that wraps a heady mix of theological imagination and handsome aesthetics without pause or apology This is a hearty nod to Hans Urs von Balthasar's three transcendentals of Being beauty goodness truth In these poems one experiences the full bodied witness of Catholic piety one that remains brave vulnerable curious devoted and above all reverent The lines traverse a broad lustrous terrain from Mount Olivet to Macau Malacca to Montreal From Caravaggio's Deposition of Christ to Salvador Dalí's Ascension of Christ From the Church of Agios Lazaros to the Church of the Sepulchre of Saint Mary One walks through Ordinary Time to Advent and looks on the year Ash Wednesday fell on Saint Valentine's Day Without reservation there remains an adoring love for the Holy Eucharist And veneration for what is an impressive host of saints from Saint Monica to Saint Rose of Lima Saint John of the Cross to Saint Josemaría Escrivá How do our conversations with God inhabit their own speech acts then settle comfortably into the contemplative the deep quiet of silence How does the language of the confessional translate itself into confessional poetry the expressed lyric turning itself over and over again how iterative how manifold the unfolding and infolding A language always stationed in a state of contingency open in its gentle evolutions by turns yet all at once The fragile transformations as delicate and faint as they remain illumined uplit Always looking heavenward toward the light toward transcendence

The Poet's Work Leonard Nathan, Arthur Quinn, 1991 Born eighty years ago in Lithuania Czesław Miłosz has been acclaimed one of the greatest poets of our time perhaps the greatest Joseph Brodsky This self-described connoisseur of heavens and abysses has produced a corpus of poems essays memoirs and fiction of such depth and range that the reader's imagination is moved far beyond ordinary limits of consciousness In *The Poet's Work* Leonard Nathan and Arthur Quinn follow Miłosz's wanderings in exile from Poland to Paris to Berkeley as they chart the singular development of his art Relating his life and his works to the unfolding of his thought

they have crafted a lucid reading of Milosz that far surpasses anything yet written on this often enigmatic poet The Poet's Work is not only a solid introduction to Milosz it is also a unique record of the poet's own interpretations of his work As colleagues of Milosz at Berkeley Nathan and Quinn had long detailed discussions with the poet It is this spirit of collaboration that brings a sense of immediacy and authority to their seamless study Nathan and Quinn reveal as never before why Milosz is a true visionary a poet of ideas in history And they show how the influence of Blake Simone Weil Dostoevsky Lev Shestov and Swedenborg together with Henry Miller Allen Ginsberg and Robinson Jeffers has enriched his vision Milosz's lifelong experience of totalitarian regimes that exalt science and technology over individual needs and aspirations his acute sense of alienation as an migrant and his humanistic zeal and belief in the primacy of living have brought a prismatic quality to his poetry At seventy Milosz spoke of himself as an ecstatic pessimist In their sensitive mapping of his art Nathan and Quinn skillfully demonstrate that Milosz's global influence has been achieved by the ever shifting balance he strikes between ecstasy and pessimism Irony and humor are never far from this book which not only communicates Milosz's polyphonic message but also evokes his uniquely humane sensibility The Poet's Work is an illuminating introduction to Milosz that will inform and engage scholars and general readers for years to come

Simone Weil and Theology A. Rebecca Rozelle-Stone, Lucian Stone, 2013-07-18 Simone Weil philosopher religious thinker mystic social and political activist is notoriously difficult to categorize since her life and writings challenge traditional academic boundaries As many scholars have recognized she set out few if any systematic theories especially when it came to religious ideas In this book A Rebecca Rozelle Stone and Lucian Stone illuminate the ways in which Weil stands outside Western theological tradition by her use of paradox in resisting the clamour for greater degrees of certainty Beyond a facile fallibilism Simone Weil's ideas about the super natural love Christianity and spiritual action as well as her apparent endorsement of a sort of atheism detachment foolishness and passivity begin to unravel old assumptions about what it is to encounter the divine
