Love It Or Leave It A Dialog On Loyalty:

Love it Or Leave It? Erling Jorstad, 1972 **The Publishers Weekly** ,1972 Arguing for Our Lives Robert Jensen, 2013-03-08 We live in a time when public discourse is more skewed than ever by the propaganda that big money can buy with trust in the leadership of elected officials at an all time low The news has degenerated into sensationalist sound bites and the idea of debate has become a polarized shouting match that precludes any meaningful discussion It s also a time of anxiety as we re faced with economic and ecological crises on a global scale with stakes that seem higher than ever before In times like these it s essential that we be able to think and communicate clearly In this lively primer on critical thinking Robert Jensen attacks the problems head on and delivers an accessible and engaging book that explains how we can work collectively to enrich our intellectual lives Drawing on more than two decades of classroom experience and community organizing Jensen shares strategies on how to challenge conventional wisdom in order to courageously confront the crises of our times and offers a framework for channeling our fears and frustrations into productive analysis that can inform constructive action Jensen connects abstract ideas with the everyday political and spiritual struggles of ordinary people Free of either academic or political jargon this book is for anyone struggling to understand our world and contribute to making it a better place Robert Jensen is a professor in the School of Journalism at the University of Texas at Austin and a founding board member of the Third Coast Activist Resource Center This is a brave book one that packs more wisdom in its few pages than a shelf s worth of political theory because it s also a book about political practice Jensen patiently honestly and rigorously exemplifies the highest virtues of a public intellectual Raj Patel author of *Stuffed and Starved* Markets Power and the Hidden Battle for the World s Food System Debating discussion engagement with ideas that matter these are all supposed to be left to professionals specialists who talk to each other in mutually incomprehensible ways Meanwhile decades of advertising sound bites PR filtered information and internet trolling have numbed us even more But we don t have to live this way We could immediately start living in a better world one in which every conversation was an opportunity to learn more about ourselves others and the precious little world we all have to try to live on together To do that though we would have to re learn how to think and talk how to agree and disagree Robert Jensen s *Arguing For Our Lives* can help us do that Justin Podur Associate Professor York University and author of *Haiti s New Dictatorship* Pluto Press 2012 *Arguing for Our Lives* is a crucial book for reclaiming not only the pedagogical and political virtues of critical thinking but for securing the foundations for critical agency and engaged citizenship Everyone should read *Arguing for Our Lives* if they believe there is a connection between how we think and how we act how we understand democracy and how we experience and struggle for it Henry Giroux author of *Twilight of the Social Resurgent Politics in the Age of Disposability* Paradigm 2012 **The Lutheran Witness** ,1971 *Worldview* ,1972 **The Publishers' Trade List Annual** ,1974 **The Milwaukee Lutheran** ,1971 **The Lutheran Standard** ,1972 The Critic ,1972 *Old Englishness in King Horn and Athelston*

Sonya Louise Veck Lundblad, 2020-04-30 This volume compares characteristics of Old English literature to Matter of England romances to determine whether key aspects of the poetry of the former continued in these stories on into the Middle English period First the book demonstrates the contemplative tone respect for nature and communal mindset present via monastic and hagiographic traditions in Old English poetry before arguing that the midland romances King Horn and Athelston also possess these characteristics Ultimately it reveals important aspects of the afterlife of Old English literature and culture in England Some intriguing discoveries are detailed including unexpected points of contact between the English and Arabs in both the pre and post Conquest periods as shown by the etymology of Saracen diction in King Horn Furthermore comparisons with the dreamer in The Dream of the Rood and an examination of the Old English verb encan used by the Saracen reveal a complicated characterization which goes deeper than what may be expected for the stock pagan enemy in Middle English romance The book also investigates the possibility that in Athelston there is a reference to the Viking Guthrum revealing the complex associations that late medieval English culture might have had with its Viking Anglo Saxon past Finally while looking at Athelston through the lens of the Anglo Saxon natural world this study probes what feels like a very Old English sense of kenotic love via St Edmund This is manifested in the promise of grace at the outset of the romance one that oversees not only a chain of events leading to King Athelston's final submission and repentance but also the unification of disparate cultures and a leveling of hierarchies These romances seem to imbue the stories with a spiritual component a concrete universal and signify metonymy similar to the elegiac hopeful longing and the communal in the Old English poetry

Written English John Erskine, Hellen Erskine, 1913

The Observator in Dialogue Sir Roger

L'Estrange, 1684 *Royal Portraits in Hollywood* Elizabeth A. Ford, Deborah C. Mitchell, 2009-06-26 Few lives provide as much history or drama as those of monarchs Filmmakers from the silent era to onward have displayed a deep fascination with the lives of royalty and with queens in particular Still the question remains what do these films really tell us about the women beneath the crowns Drawing on films from the 1930s to those of today *Royal Portraits in Hollywood* Filming the Lives of Queens investigates the ways in which these films reproduce history and represent women Though hardly progressive in nature many early films offered an acceptable nonthreatening way to present strong female characters in an economic and social landscape run almost exclusively by men Authors Elizabeth Ford and Deborah Mitchell track the evolution of queens on film noting how depictions of prominent women have changed over the past several decades and calling attention to the ways in which films both reflect and dictate the social norms of their eras By comparing historical records of monarchs such as Queen Christina of Sweden Catherine the Great Cleopatra and Elizabeth I with their onscreen personas and examining the biographical details of the actresses who portrayed these women Ford and Mitchell present a fascinating inquiry into issues of historical accuracy and gender politics in film

Faithfulness in Action Katharine D. Sakenfeld, 2001-12-05 The broad outlines of God's faithfulness have of course been well known But this rereading by Professor Sakenfeld lets us see much

that we have missed This book thus raises important questions not only about exegetical substance but also about the interpretive process The two belong together The combination here is a welcome articulation Walter Brueggemann from the Foreword

Of Course I Love You... Now Go to Your Room! Diane Levy,2010-05-01 Top family therapist Diane Levy gives clear parenting guidelines in this bestselling title This book presents a modern approach to parenting Diane Levy believes children must be taught to experience and handle their emotions and they must learn self discipline She also believes that it takes about twenty years to raise a child Within that twenty years you will have taught or led your child towards the teaching of all the skills they will need to function in the world away from home Levy s approach to parenting has two main tenets Emotional Support and Limit Setting The first responsibility of parents is to give children emotional support so that they will have the courage to have the experiences and do the learning that they need to become emotionally independent adults The second responsibility is to set suitable boundaries and expectations so that they can safely tread the path from undisciplined babies to self disciplined adults Diane Levy uses her approach to parenting in the context of modern society In many families both parents work and many parents work and raise children single handedly in order to establish a good family structure clear boundaries must exist between parent and child She discusses specific issues such as sibling rivalry bullying and nasty habits Readers may dip into the book to find immediate help for problems with sleeping eating and toilet training Sex education and strategies for coping with teenagers are also covered with the last part of the book summing up simple parenting strategies

In Dialogue with Dickens Rosemarie Bodenheimer,Philip Davis,2024 A collaborative book on the works of Charles Dickens that takes the form of a dialogue between the two authors The literary conversation prioritizes the act of live reading and the experience of encountering an intense or problematic feeling when reading Dickens s works

Socrates and the State Richard Kraut,2022-03-08 This fresh outlook on Socrates political philosophy in Plato s early dialogues argues that it is both more subtle and less authoritarian than has been supposed Focusing on the Crito Richard Kraut shows that Plato explains Socrates refusal to escape from jail and his acceptance of the death penalty as arising not from a philosophy that requires blind obedience to every legal command but from a highly balanced compromise between the state and the citizen In addition Professor Kraut contends that our contemporary notions of civil disobedience and generalization arguments are not present in this dialogue
