Revolution or branded as emigrants upon their return to Paris their mature adult lives were spent in the shadows of the Napoleonic wars in which they shifted political loyalties as the specter of Napoleon's powers grew from First Consul to Emperor of Europe The looming threat of war ignited the depths of their passions and inspired their intellectual analysis of love happiness and suicide Their evolving concept of love was a romantic all-consuming passion which gripped the lovers in fatal embraces This book's analysis of their love letters and romantic novels reveals the emerging political landscape of the period through extended metaphors of love and patriotism

The Love Letters of William and Mary Wordsworth

William Wordsworth, Mary Wordsworth, 2009 The Love Letters of William and Mary Wordsworth collects 31 letters that William Wordsworth exchanged with his wife Mary during the early years of their marriage These letters fifteen from William to Mary and sixteen from her to him were written during William's absences from home in 1810 and 1812 and offer an entirely new way of looking at the poet and his married life Reproduced here with an informative introduction and headnotes by Beth Darlington that set each missive in biographical context the letters cover a wide range of topics village life Regency politics poetry and painting London gossip rural manners their five children domestic activities and family anecdotes Yet along with these everyday incidents and practical concerns there are tender passages in which the Wordsworths ardently declare their love for each other and reveal a profound happiness in their marriage The William Wordsworth who emerges from this correspondence is a figure more relaxed more accessible and indeed more human than he has been pictured Mary emerges as a woman of keen intelligence energy and imagination Revealing how thoroughly Wordsworth shared his inner and passional life with Mary this volume puts to rest the notion that theirs was a marriage of convenience
